Ms. Ramirez:

I am the owner of the property at 2708 Scenic Drive. This property adjoins the property at 2710 Scenic Drive which Mr. Tynberg owns and which is the subject of the above referenced case. My understanding is that the current proposal is that the above ground structure of the 2-story dock will be at least 5' 6" from the south side setback. Based on this condition, I do not oppose the application in the above referenced case. Please feel free to contact me if you have any questions.
