

## Article VI. Postponement Requests

### Current:

(A) It is preferred that anyone requesting a postponement of a public hearing put the request in writing to the Commission Liaison by 10:00 am the Tuesday before the Zoning and Platting Commission meeting. The request for postponement should reflect how long the item should be postponed and the reasons for postponement. Any such request may be granted at the discretion of the Commission. However, the general practice is to allow one postponement for the applicant and one postponement for an immediate resident or neighborhood association.

### Proposed:

(A) Anyone requesting a postponement of a public hearing put the request in writing to the Commission Liaison by Noon the Friday before the Zoning and Platting Commission meeting. The request for postponement should reflect how long the item should be postponed and the reasons for postponement. Any such request may be granted at the discretion of the Commission. However, the general practice is, with reason, to allow one postponement for the applicant and one postponement for an immediate resident or neighborhood association.
