

Parks and Recreation Long Range Plan for Land, Facilities and Programs

- **Requester/presenter:** Kim McKnight, Acting Assistant Director, Austin Parks and Recreation Dept
- **Objective:** PARD staff to briefing PAC on their [draft plan](#), with a focus on recommendations in the plan addressing park access and the need to increase/improve pedestrian and bike facilities. PAC will have the opportunity to weigh in via approving a motion or recommendation.
- **Time-sensitivity:** The plan's [public comment period](#) will close on September 9, and the plan is anticipated to go to City Council in November after staff gets feedback from [several advisory groups](#).

City of Austin FY 2019-20 Proposed Budget

- **Requester:** Jay Crossley
- **Objective:** Opportunity for PAC members to collaborate in understanding how the City's [proposed budget](#) impacts pedestrian issues, most notably sidewalk funding compared to the \$40 million per year target identified in the [Sidewalk Plan / ADA Transition Plan](#).
- **Time-sensitivity:** Must be in September, as City Council will approve the budget in September.

City of Austin Dynamic Message Signs

- **Requester:** Girard Kinney, President, [Scenic Austin](#)
- **PAC Sponsor:** Jay Crossley
- **Objective:** Scenic Austin to request the PAC consider recommending that the City of Austin discontinue the use of [Dynamic Message Signs](#) (digital signs the city currently uses to inform drivers about construction, road conditions and traffic laws as well as [remind them about safety and mobility initiatives](#).)

Request for regular updates on City of Austin implementation of pedestrian infrastructure

- **Requester:** Adam Greenfield
- **Objective:** Opportunity for the PAC members to discuss whether establishing a standing PAC agenda item for the staff liaison or PAC chair to share updates on recently-implemented pedestrian infrastructure is desirable/practical.
