

Pedestrian Advisory Council Recommendation:

City of Austin updates regarding new or upgraded pedestrian infrastructure

WHEREAS, the purpose of the Pedestrian Advisory Council (PAC) is to advise the City of Austin on pedestrian planning, policy, design, funding, education, and enforcement efforts regarding creating, maintaining, and operating pedestrian facilities;

WHEREAS, thanks to new funding sources, support from elected officials and the public, and staff commitment, the City of Austin has accelerated pedestrian infrastructure improvements;

WHEREAS, regularly updating the public, through the PAC and other channels, about new pedestrian infrastructure could help foster strong and widespread support for more facilities;

WHEREAS, knowledge about the locations and designs of new infrastructure could help the PAC and the public give guidance and feedback about recent and future improvements;

NOW, THEREFORE, BE IT RESOLVED, the PAC recommends that City of Austin staff provide regular updates, at a frequency to be determined in collaboration with the PAC, at PAC meetings about recently installed or upgraded pedestrian infrastructure, such updates including before and after photos of such upgrades.
