Staff and the Applicant request an indefinite postponement of the above-referenced neighborhood plan amendment and rezoning cases. The Applicant is working to address ATD review comments on a driveway access study for Nuckols Crossing Road. An indefinite postponement will allow Staff the time to evaluate the additional information that will be provided by the Applicant. Prior to the public hearing at Planning Commission, Staff will hold an additional meeting with the Applicant and the Neighborhood. The Applicant’s request is also attached.

Wendy and Maureen,

More time is needed to address ATD’s requests for additional data regarding the transportation access matters. As such, we are requesting an indefinite postponement of this case to allow more time to gather information and data to work with ATD for a solution.

Kind regards,

Victoria Haase
