Hi Tara,

We had a few edits from our executive team meeting this morning and attached is the final presentation. For the 15 copies, is it ok to print 2 slides per page?

Thank you!

Monika,

I'm filling in for Janet today as she is a bit under the weather. Would you send me the copy of the presentation you'll be using at this afternoon's Public Safety Commission Meeting at your earliest convenience? I've copied myself on this email so you are welcome to reply all. Please also bring 15 hard copies of the presentation to provide to the Commission and to staff. If I can be of any help, please let me know!

Thank you,

Tara Long

Morning Monika,

Yes, if you would send me a copy of your presentation tomorrow when you have finished your review with Joya that would be great.

Hi Janet,

We don't have any handouts for the Commission. I'm going through the final presentation with Joya tomorrow; do you need a copy of that before the meeting (or anything else)?

Thank you,

Monika Arvelo
