Additional Backup Information:

The contract will provide for the delivery, placement, maintenance, and removal of temporary fencing used by various City departments. Temporary fencing services are necessary for public safety by limiting access to dangerous buildings or structures, providing crowd control during special events, deterring theft due to

properties being open and accessible, and securing properties while they are brought in compliance with City codes and ordinances.

This contract replaces a contract that expired September 14, 2019. The requested authorization amounts for the contract were determined using departmental estimates and historical spend. The recommended contractor is the current provider for these services.
