Dear Mr. Parker,

I want to thank you for meeting with the Rainey Neighborhood Association and residents to build a stronger community partnership. We would like to offer our support for the expansion of the Clive Bar and site application XXXX. As a community partner, we want to support our local businesses and help create a vibrant and diverse streetscape. Due to the mobility challenges and rapid growth in the Rainey District, we must offer our support on 2 conditions. First, we ask that the Outdoor Music Venue Permit guidelines are closely followed for the benefit of both neighbors and patrons alike. We understand these guidelines to 75 decibels:

- Sunday through Wednesday end time – 10:30 PM
- Thursday end time – 11:00 PM
- Friday and Saturday end time – midnight

Second, we request that the expansion include complete sidewalks in the right-of-way. We appreciate the movement of the right-of-way on the southwest corner of Davis and Rainey Street to accommodate new sidewalks on these streets as indicated in the site plan. Pedestrian safety is a major issue in the Rainey District, and continues to be as growth occurs and incomplete sidewalks remain.

We look forward to partnering with you in the community and visiting the newly expanded Clive Bar.

Sincerely,

Sandra De Leon
President, Rainey Neighbors Association
