Portion of the City of Austin Land Development Code applicant is seeking a variance from:

Section 2: Variance Findings

The Board must determine the existence of, sufficiency of, and weight of evidence supporting the findings described below. Therefore, you must complete each of the applicable Findings Statements as part of your application. Failure to do so may result in your application being rejected as incomplete. Please attach any additional supporting documents.

NOTE: The Board cannot grant a variance that would provide the applicant with a special privilege not enjoyed by others similarly situated or potentially similarly situated.

I contend that my entitlement to the requested variance is based on the following findings:

Reasonable Use

The zoning regulations applicable to the property do not allow for a reasonable use because:

Hardship

a) The hardship for which the variance is requested is unique to the property in that:

b) The hardship is not general to the area in which the property is located because:

Area Character

The variance will not alter the character of the area adjacent to the property, will not impair the use of adjacent conforming property, and will not impair the purpose of the regulations of the zoning district in which the property is located because:

Parking (additional criteria for parking variances only)

Request for a parking variance requires the Board to make additional findings. The Board may grant a variance to a regulation prescribed in the City of Austin Land Development Code Chapter 25-6, Appendix A with respect to the number of off-street parking spaces or loading facilities required if it makes findings of fact that the following additional circumstances also apply:

1. Neither present nor anticipated future traffic volumes generated by the use of the site or the uses of sites in the vicinity reasonably require strict or literal interpretation and enforcement of the specific regulation because:

2. The granting of this variance will not result in the parking or loading of vehicles on public streets in such a manner as to interfere with the free flow of traffic of the streets because:

3. The granting of this variance will not create a safety hazard or any other condition inconsistent with the objectives of this Ordinance because:

4. The variance will run with the use or uses to which it pertains and shall not run with the site because:

§ 25-2-476 - SPECIAL EXCEPTIONS.

- (A) The Board of Adjustment shall grant a special exception for an existing residential structure, or portion of an existing structure, that violates a setback required under Chapter 25-2 (*Zoning*) if the board finds that the special exception meets the requirements of this section.
- (B) The Board shall grant a special exception under Subsection (A) of this section if:
- (1) the residential use for which the special exception is sought is allowed in an SF-3 or more restrictive zoning district;
 - (2) the building official performs an inspection and determines that the violation does not pose a hazard to life, health, or public safety; and
 - (3) the Board finds that:
 - (a) the violation has existed for:
 - (i) at least 25 years; or
 - (ii) at least 10 years, if the application for a special exception is submitted on or before June 6, 2017;
 - (b) the use is a permitted use or a nonconforming use;
 - (c) the structure does not share a lot with more than one other primary residence; and
 - (d) granting a special exception would not:
 - (i) alter the character of the area;
 - (ii) impair the use of adjacent property that is developed in compliance with city code; or
 - (iii) grant a special privilege that is inconsistent with other properties in the area or in the district in which the property is located.
- (C) A special exception granted under this section:
- (1) applies only to the structure, or portion of a structure, for which the special exception was granted and does not run with the land;
 - (2) may not authorize an increase in the degree of noncompliance or excuse compliance with minimum health and safety requirements; and
 - (3) may not authorize a remodel or addition to the existing structure, except to the extent required by the building official to meet minimum life and safety requirements.
- (D) A structure granted a special exception under this section shall be treated as a non-complying structure under Chapter 25-2, Article 8 (*Noncomplying Structures*).

UNIFIED DEVELOPMENT RESTRICTIVE COVENANT

This Unified Development Restrictive Covenant for
1304-1310 Willow St (the "Restrictive Covenant"), is executed this 16 of
September, 2019, by Imper Convey,
 ("Declarant") and is as follows:

RECITALS

A. Declarant is the owner of land, more particularly described as Lot 1 Block
OLT 33 of the Canterbury Square Subdivision according to the plat recorded as
 Document No. 2002019162 of the Official Records of Travis County, Texas
 ("Tract One") and Lot W 1/2 Lot 14 Block 33 of the Canterbury Square
 Subdivision according to the plat recorded as Document No. 2003229784 of the
 Official Records of Travis County, Texas ("Tract Two"). Tract One and Tract
 Two are herein referenced collectively as the "Property" or individually as a
 "Tract".

B. Definitions:

Owners. The term "Owner" means, individually, and the term "Owners" means, collectively, Declarant and all future owners of the fee interest or any portion of the Property (whether such fee interest is obtained through a purchase from Declarant or through a purchase at a foreclosure sale or trustee's sale or through a deed in lieu of foreclosure) and their successors and assigns.

C. Declarant has agreed to impose upon the Property these covenants and conditions for the benefit of the Property.

NOW, THEREFORE, Declarant declare that the Property is subject to the following covenants, conditions and restrictions, which run with the Property and bind all parties having right, title, or interest in or to such portion of the Property or any part, their respective heirs, successors, and assigns, and which inure to the benefit of each Owner. Each contract, deed or conveyance of any kind conveying all or a portion of the Property will conclusively be held to have been executed, delivered, and accepted subject to the

following covenants, conditions and restrictions, regardless of whether or not they are set out in full or by reference in said contract, deed or conveyance.

SPECIFIC AGREEMENTS AND RESTRICTIONS:

1. Recitals Incorporated. The above Recitals and all terms defined therein are incorporated into this Restrictive Covenant for all purposes.
2. Unified Development. For purposes of site plan review, modification, or approval by the City of Austin, the Property will be constructed as a unified development/single site. Any proposed modifications to the Property or any portion of any Tract will be construed as a modification to a single site, requiring review of the Property in accordance with the provisions of the Land Development Code of the City of Austin. This section applies to, but is not limited to, the extent of impervious coverage, parking, and landscaping of the Property.
3. Joint Access. Joint access must be provided between each Tract on Site Plan No. _____, over an area more particularly described in **EXHIBIT A**, attached and incorporated by reference. The joint access must allow pedestrian and/or vehicular traffic to move freely to the adjacent public right-of-way or between the Property, or both. Any change of any aspect of the Property may not interfere with this joint access. Each Owner shall be responsible and liable for maintaining the Owner's property contained within the access area described in **EXHIBIT A** in such a manner as to provide the required joint access.
4. Parking. All parking for developments within Site Plan No. _____ must be reciprocal. In this Restrictive Covenant, "reciprocal parking" means that the parking within Site Plan No. _____ must serve the Property. Any change of any aspect of the Property may not interfere with the reciprocal parking agreement between the Tracts. Each Owner shall be responsible and liable for maintaining the Owner's property to allow the required reciprocal parking.
5. Breach Does Not Permit Termination. Notwithstanding anything to the contrary contained herein, no breach of this Restrictive Covenant entitles the Owners to cancel, rescind or otherwise terminate this Restrictive Covenant, but such limitations do not affect in any manner any other rights or remedies which the Owners may have hereunder by reason of any breach of this Restrictive Covenant.
6. Excusable Delays. Whenever performance is required of the Owners, the Owners shall use all due diligence to perform and take all reasonable and necessary measures in good faith to perform within a reasonable time; provided, however, that if completion of performance is delayed at any time by reasons of acts of God, war, civil commotion, riots, strikes, picketing, or other labor disputes,

unavailability of labor or material, damage to work in progress by reason of fire or other casualty, or any other cause beyond the reasonable control of the Owner (financial inability, imprudent management or negligence excepted), then the time for performance as herein specified will be extended by the amount of delay actually so caused.

7. General Provisions.

- A. Inurement. This Restrictive Covenant and the restrictions created hereby inure to the benefit of and bind Owners, and their successors and assigns. When an Owner conveys all or any portion of the Property, that former Owner will thereupon be released and discharged from any and all further obligations, if any, under this Restrictive Covenant that it had in connection with the Property conveyed by it from and after the date of recording of such conveyance, but no such sale releases that former Owner from any liabilities, if any, actual or contingent, existing as of the time of such conveyance.
- B. Duration. Unless modified, amended, or terminated in accordance with Paragraph 7. K., this Restrictive Covenant remains in effect in perpetuity.
- C. Non-Merger. This Restrictive Covenant will not be subject to the doctrine of merger, even though the underlying fee ownership of the Property, or any parts thereof, is vested in one party or entity.
- D. Severability. The provisions of this Restrictive Covenant must be deemed to be independent and severable, and the invalidity or partial invalidity of any provision or portion hereof does not affect the validity or enforceability of any other provision.
- E. Entire Agreement. This Restrictive Covenant, and the exhibits attached hereto contain all the representations and the entire agreement between the parties to this Restrictive Covenant with respect to the subject matter hereof. Any prior correspondence, memoranda or agreements are superseded in total by this Restrictive Covenant and the exhibits attached hereto. The provisions of this Restrictive Covenant will be construed as a whole according to their common meaning and not strictly for or against any Owner.
- F. Captions. The captions preceding the text of each section and subsection hereof are included only for convenience of reference and will be disregarded in the construction and interpretation of this Restrictive Covenant.

- G. Governing Law; Place of Performance. This Restrictive Covenant and all rights and obligations created hereby will be governed by the laws of the State of Texas. This Restrictive Covenant is performable only in the county in Texas where the Property is located.
- H. Notices. Any Notice to the Owners or the City must be in writing and given by delivering the same to such party in person, by expedited, private carrier services (such as Federal Express) or by sending the same by certified mail, return receipt requested, with postage prepaid to the intended recipient's last known mailing address. All notices under this Restrictive Covenant will be deemed given, received, made or communicated on the date personal delivery is effected or, if mailed, on the delivery date or attempted delivery date shown on the return receipt.
- I. Negation of Partnership. None of the terms or provisions of this Restrictive Covenant will be deemed to create a partnership between or among the Declarant, any Owner, or the City of Austin in their respective businesses or otherwise; nor will it cause them to be considered joint ventures or members of any joint enterprise.
- J. Enforcement. If any person, persons, corporation, or entity of any other character, violates or attempts to violate this Restrictive Covenant, it will be lawful for the City of Austin, its successors and assigns, to prosecute proceedings at law, or in equity, against the person or entity violating or attempting to violate these Restrictive Covenant and to prevent said person or entity from violating or attempting to violate such covenant. The failure at any time to enforce this Restrictive Covenant by the City of Austin, its successors and assigns, whether any violations hereof are known or not, does not constitute a waiver or estoppel of the right to do so.
- K. Modification and Amendment. This Restrictive Covenant may only be modified, amended or terminated upon the filing of a written modification, amendment or termination document in the real property records of the Texas county in which the Property is located, executed, acknowledged and approved by (a) the Director of the Development Services Department of the City of Austin or successor department; (b) all of the Owners of the Property at the time of the modification, amendment, or termination, and (c) any mortgagees holding first lien security interests on any portion of the Property.

Re: BoA case #c15-2019-0057 at 1304 Willow St.

October 3, 2019

Dear Board of Adjustment Members,

I serve as the East César Chavez Neighborhood Plan Contact Team's residential representative for Sector 7, the ECC sector in which Ms. Jennifer Conroy's property is located. **I write to support the requested variance at 1304 Willow St., case #c15-2019-0057.** The non-conforming structure in question was built prior to 1935; granting a variance to setback requirements at the side of Ms. Conroy's property line by grandfathering this structure will enable her to come into compliance with the city.

Two smaller structures sit in the back yard behind Ms. Conroy's principal structure, which is her homestead. The first is an ADU, which she seeks to use as a short-term rental (STR). The second is a detached structure that she rents to a long-term tenant. The second detached structure, which houses the long-term tenant, sits 3.5 feet from the side property line, violating setback requirements. The structure in question should be grandfathered, however; it is documented on a 1935 Sanborn map in its current location, and was built long before current setback requirements existed.

A similar variance was granted in 2017 for a property at 1303 Cesar Chavez St., adjacent to Ms. Conroy's rear property line. In that case, the BoA approved a 5-foot setback for new, two-story residential construction (the attached Sept. 7, 2017 Public Hearing Notice details the approved variance request).

Importantly, Ms. Conroy needs to obtain a certificate of occupancy for her property in order to obtain an STR license and comply with the city's STR ordinance. Though she is making a good faith effort to obtain an STR license and come into compliance, however, Ms. Conroy cannot obtain a certificate of occupancy unless the variance is granted.

Aside from the permit situation (which she is making every effort to rectify), Ms. Conroy is a model STR operator. Her STR is well managed and integrates seamlessly into the neighborhood. Ms. Conroy lives on-site and is selective about her tenants, ensuring that they do not disrupt her neighbors' residential quality of life. Having lived next to two nuisance STR properties over the past few years, I can testify to the fact that such conscientiousness in STR operators is unfortunately not always the case. The City of Austin should support STR operators who, like Ms. Conroy, are good actors, when reasonable requests such as this arise.

It's also important to note that the long-term rental structure in need of a setback variance provides much needed housing. This is precisely the kind of residential density Austin hopes to provide for in the forthcoming code rewrite, which aims to produce additional housing capacity in the form of multiple units on one lot.

In sum, Ms. Conroy is making every effort to come into compliance, but is currently unable to obtain a certificate of occupancy through no fault of her own, but due to a non-conforming structure built prior to 1935. I urge you to grant her variance request that she may obtain the required STR license and continue to provide much-needed rental housing to her long-term tenant.

Sincerely,

Kristen Hotopp
