Addendum No: 1

Date of Addendum: 7/17/19

This addendum is to incorporate the following changes to the above referenced solicitation:

I. Additional Information:

1. A copy of sign-in sheet from the pre-conference meeting and site visit is attached.

II. Questions

- Q1. For item 7.1 (Revegetate Disturbed Areas), the unit is listed as years. I assume this is in reference to removed stumps and how much it will cost us to revegetate those areas in a year? Is this correct? If so, how should we quantify the area of disturbed soil without knowing how many stumps there are to remove, or the size of stumps to be removed?
- A1. Please reference Exhibit A Tree Removal Plan, page 9, Section 6.3 Berm Repair, and page 12, Part 9.1.
- Q2. For item 7.1, specification 604S, will this include planting 1 Gallon native bunch grasses per 10 feet?
- A2. Please reference Exhibit B Vegetation Management Plan, page 10, Part 6, number 4, and pages 12 and 13.
- Q3. Lastly, in regards to our references, if we worked at Hornsby Bend on a similar project in the past would this be a valid reference?
- A3. Please reference Section 0600A, Minimum Qualifications Worksheet and Section 0500, Scope of Work, 2.0 Minimum Qualifications.

III. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.

If the Purchasing Officer determines that your grounds are insufficient, the City will notify you of that decision in writing.
 - vi. The protest hearing is informal and is not subject to the Open Meetings Act. The purpose of the hearing is to give you a chance to present your case, it is not an adversarial proceeding. Those who may attend from the City are: representatives from the department that requested the

- viii. The City will send you a copy of the hearing decision after the appropriate City staff has reviewed the decision.
- ix. When a protest is filed, the City usually will not make an award until a decision on the protest is made. However, the City will not delay an award if the City Manager or the Purchasing Officer determines that:

The Contractor shall, at its sole expense, defend, indemnify, and hold the City harmless from and against all liability, damages, and costs (including court costs and reasonable fees of attorneys and other professionals) arising out of or resulting from: (i) any claim that the City's exercise anywhere in the world of the rights associated with the City's' ownership, and if applicable, license rights, and its use of the Deliverables infringes the intellectual property rights of any third party; or (ii) the Contractor's breach of any of Contractor's representations or warranties stated in this Contract. In the event of any such claim, the City shall have the right to monitor such claim or at its option engage its own separate counsel to act as co-counsel on the City's behalf. Further, Contractor agrees that the City's specifications regarding the Deliverables shall in no way diminish Contractor's warranties or obligations under this paragraph and the City makes no warranty that the production, development, or delivery of such Deliverables will not impact such warranties of Contractor.
37. **CONFIDENTIALITY:** In order to provide the Deliverables to the City, Contractor may require access to certain of the City's and/or its licensors' confidential information (including inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). Contractor acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Contractor (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Agreement, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Contractor promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Contractor agrees to use protective measures no less stringent than the Contractor uses within its own business to

protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

38. **PUBLICATIONS**: All published material and written reports submitted under the Contract must be originally developed material unless otherwise specifically provided in the Contract. When material not originally developed is included in a report in any form, the source shall be identified.
39. **ADVERTISING**: The Contractor shall not advertise or publish, without the City's prior consent, the fact that the City has entered into the Contract, except to the extent required by law.
40. **NO CONTINGENT FEES**: The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
41. **GRATUITIES**: The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City of Austin with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.
42. **PROHIBITION AGAINST PERSONAL INTEREST IN CONTRACTS**: No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.
43. **INDEPENDENT CONTRACTOR**: The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.
44. **ASSIGNMENT-DELEGATION**: The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Contract.
45. **WAIVER**: No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.
46. **MODIFICATIONS**: The Contract can be modified or amended only by a writing signed by both parties. No pre-printed or similar terms on any the Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

**CITY OF AUSTIN

47. **INTERPRETATION:** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.
48. **DISPUTE RESOLUTION:**
- A. If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.
- B. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.
49. **JURISDICTION AND VENUE:** The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.
50. **INVALIDITY:** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

Hornsby Bend Tree Management Plan**

1.0 Purpose

The City of Austin (City) seeks a contract with a qualified vendor to prevent the proliferation of trees on the berms of three ponds (1E, 1W, and 2 as defined in the Vegetation Management Plan) at the Hornsby Bend Biosolids Management Plant (HBBMP), located at 2210 South FM 973, Austin, Texas 78725.

The Hornsby Bend Bird Observatory is a program of the Austin Water Utility's Center for Environmental Research at the HBBMP. The existing vegetation along the pond berms at the HBBMP provides aesthetic and ecological value to the venue but can also compromise the integrity of the berms. Plant roots grow into the structure and loosen compacted soil through root penetration, while creating seepage paths and internal erosion issues from decaying roots.

The HBBMP received a Notice of Violation (NOV) from the Texas Commission on Environmental Quality (TCEQ) on March 16, 2015. The violation stated HBBMP failed to adequately prevent the proliferation of trees on the berms of ponds 1E, 1W, and 2. The scope of work described in this document is part of an agreement with TCEQ to bring the facility into compliance.

Pursuant to the NOV, Austin Water Utility hired Baer Engineering to evaluate the extent of trees compromising the berms, develop strategies for safely removing trees and maintaining the integrity of the earthen berms, while protecting migratory birds visiting the area during their nesting season.

In the first year of the program, dead, diseased or dying trees were removed, several trees were pruned, and trees ≤6 inches Diameter at Breast Height (DBH) in Management Area 1 were removed.

HBBMP has outlined a multi-year plan with TCEQ for ongoing management to prevent the proliferation of trees on all pond berms utilizing methods which protect migratory birds by gradually thinning the trees over several years.

2.0 Minimum Qualifications

The Contractor Shall:

- 2.1 Have a project lead with prior experience within the last five years on three qualified projects in a lead capacity; qualified projects shall conform to the definition below.

2.1.1 A qualified project is defined as a project in a sensitive area that includes berm/dam structural maintenance or embankment/dam berm restoration with woody species contract. "Sensitive area" is defined as work in a threatened species habitat (any species noted by any government agency as requiring any degree of protection) or a protected restrictive area, or sensitive drainage area (flood plain or critical water quality zone). A qualified project also includes a minimum of 15 trees and/or tree stumps removed on a minimum two acres of land, and a minimum project budget of \$50,000.

- 2.2 Have at least one project team member that:

2.2.1 Possesses a current Texas Department of Agriculture commercial applicator license in Landscape Maintenance. License must be current for the duration of the Contract;

2.2.2 Is classified as a certified arborist by the International Society of Arboriculture. Certification must be current for the duration of the Contract. The Contractor must have a certified arborist on their team at bid submission. The certified arborist may be a subcontractor.

The Contractor agrees to prohibit retaliation, discharge or otherwise discrimination against any employee or applicant for employment who has inquired about, discussed or disclosed their compensation.

Further, employees who experience discrimination, sexual harassment, or another form of harassment should immediately report it to their supervisor. If this is not a suitable avenue for addressing their complaint, employees are advised to contact another member of management or their human resources representative. No employee shall be discriminated against, harassed, intimidated, nor suffer any reprisal as a result of reporting a violation of this policy. Furthermore, any employee, supervisor, or manager who becomes aware of any such discrimination or harassment should immediately report it to executive management or the human resources office to ensure that such conduct does not continue.

Contractor agrees that to the extent of any inconsistency, omission, or conflict with its current non-discrimination and non-retaliation employment policy, the Contractor has expressly adopted the provisions of the City's Minimum Non-Discrimination Policy contained in Section 5-4-2 of the City Code and set forth above, as the Contractor's Non-Discrimination Policy or as an amendment to such Policy and such provisions are intended to not only supplement the Contractor's policy, but will also supersede the Contractor's policy to the extent of any conflict.

UPON CONTRACT AWARD, THE CONTRACTOR SHALL PROVIDE THE CITY A COPY OF THE CONTRACTOR'S NON-DISCRIMINATION AND NON-RETALIATION POLICIES ON COMPANY LETTERHEAD, WHICH CONFORMS IN FORM, SCOPE, AND CONTENT TO THE CITY'S MINIMUM NON-DISCRIMINATION AND NON-RETALIATION POLICIES, AS SET FORTH HEREIN, **OR** THIS NON-DISCRIMINATION AND NON-RETALIATION POLICY, WHICH HAS BEEN ADOPTED BY THE CONTRACTOR FOR ALL PURPOSES WILL BE CONSIDERED THE CONTRACTOR'S NON-DISCRIMINATION AND NON-RETALIATION POLICY WITHOUT THE REQUIREMENT OF A SEPARATE SUBMITTAL.

Sanctions:

Our firm understands that non-compliance with Chapter 5-4 and the City's Non-Retaliation Policy may result in sanctions, including termination of the contract and suspension or debarment from participation in future City contracts until deemed compliant with the requirements of Chapter 5-4 and the Non-Retaliation Policy.

Term:

The Contractor agrees that this Section 0800 Non-Discrimination and Non-Retaliation Certificate of the Contractor's separate conforming policy, which the Contractor has executed and filed with the City, will remain in force and effect for one year from the date of filing. The Contractor further agrees that, in consideration of the receipt of continued Contract payment, the Contractor's Non-Discrimination and Non-Retaliation Policy will automatically renew from year-to-year for the term of the underlying Contract.

TDA License No. 0704552

Dear NICHOLAS J SHEFFIELD,

We are pleased to inform you that your COMMERCIAL pesticide applicator license has been renewed and is enclosed. Your license is effective as of June 30, 2019 and will expire at midnight on June 30, 2020. Please review the information printed above and on your license carefully. You are required to notify the Texas Department of Agriculture within 30 days of any change in the information you provided in the application or renewal of this license.

A client number has been printed on your certificate. This number will be used to provide you with more efficient service by acting as a cross-reference to all TDA licenses you may obtain, as well as any other contacts you may have with TDA. By referencing your client number, both you (through Internet access) and authorized TDA personnel will be able to review and process most or all of your licensing, license renewal and contact information from a single access point.

A COMMERCIAL applicator license authorizes you to purchase and apply, or supervise purchases and applications of restricted-use and state-limited-use pesticides or regulated herbicides to the land of another person for hire or compensation. You may only make such applications in circumstances covered by the use categories for which you are certified. These categories appear as endorsements on your license.

To renew this license, you will need to obtain five continuing education units (CEUs), prior to renewal of the license. The required five CEUs must include a minimum of one hour each from two of the following continuing education categories: integrated pest management, laws and regulations, or drift minimization. Additional requirements pertaining to CEUs and a list of approved courses can be obtained from TDA's web site or by contacting TDA's Pesticide Certification and Compliance program at our Austin headquarters at (800) TELL TDA (800-835-5832).

For commercial and noncommercial applicators certified in the AERIAL application category, three of the required five CEUs must be associated with aerial application operations to include one CEU each in: laws and regulations; drift minimization; and pesticide safety addressing "human factors".

PLEASE NOTE: TDA will randomly audit a number of applicators to check for compliance with CEU requirements. If you are selected for audit, you will receive a letter asking you to send TDA a copy of each certificate of completion you received during the relevant time period. You may also be asked to provide access to or copies of CEU documentation during routine or complaint-related inspections.

Applicators are required to keep certificates of completion for 12 months following renewal of a license. 4 TAC§7.24(s)

Regulations and statutory provisions governing pesticide applicator licensees and their use of pesticides may be found in Chapter 7, Title 4, of the Texas Administrative Code and Chapter 76 of the Texas Agriculture Code, respectively. TDA's web site provides convenient links to these laws. Failure to comply with these laws, including misuse of any pesticide, may result in revocation, suspension, modification, or probation of your license and/or assessment of monetary administrative penalties.

If you have any questions regarding your license, please contact our Austin headquarters toll free at (877) LIC-AGRI (877-542-2474), or visit our web site at www.TexasAgriculture.gov.
