PROJECT SUMMARY

The City of Austin Art in Public Places (AIPP) program of the Cultural Arts Division, Economic Development Department (EDD) seeks to commission a professional visual artist, or artist team, to design and fabricate artwork for the Dove Springs Recreation Center at 5801 Ainez Drive Austin, TX 78744. The City of Austin requests qualifications from professional visual artists, or artist teams, who live and work in Williamson, Travis, Bastrop, Caldwell, Hays, Burnet and Blanco counties. The total budget available for this project is \$44,000. The call opened on July 18, 2017. Submission deadline is 5:00 pm on Thursday, September 14, 2017 and was extended to October 19, 2017.

PROJECT DESCRIPTION

Located in District 2 in south east Austin, Dove Springs Recreation Center offers Youth, Adult and Senior Programs as well as Sports Leagues and Special Events. The Parks and Recreation Department is expanding the existing building to provide a commercial grade kitchen and add flexible spaces to meet the desires for new and expanded programming from the \$1.75M in funding allocated in the 2012 GO Bond for a renovation and expansion of the Recreation Center. The building expansion will be integrated with improvements to the park and play-scape, which opened in spring 2015. Construction on the expansion is scheduled to begin in October 2017 and continue through October 2018. The facility will be closed to the public during construction.

ARTWORK GOALS

AIPP Project is to select an artist/artist team who will design artwork that:

- » Create an iconic artwork that heightens awareness of the facility;
- » Demonstrate an interest in sustainable materials and builds upon the vision of the on-site wildlife habitat;
- » Integrate educational elements that promote an investigation of the natural environment (educational elements could be physically or visually interactive);
- » Consider the diverse community served by the center and the surrounding neighborhood;
- » Enriches or adds to the depth/breadth of the City of Austin's public art collection

BUDGET

The AIPP 2% for this project is generated from the 2012 GO Bond for a renovation and expansion of the Recreation Center. The total award for an artist contract is \$44,000, inclusive of design, fabrication and installation, including engineering and permitting fees, travel and shipping expenses, insurance and other project-related costs.
