

**RESOLUTION NO. \_\_\_\_\_**

**WHEREAS**, the Historic Landmark Commission has established the Certificate of Appropriateness Review Committee; and

**WHEREAS**, the committee's role is to provide advisory feedback on projects recommended by staff and the Historic Landmark Commission and meetings attended on a voluntary basis by property owners and designers; and

**WHEREAS**, the committee provides feedback on changes to locally designated historic landmarks and historic districts, which require a Certificate of Appropriateness; and

**WHEREAS**, National Register historic district projects and historic-age but non-designated buildings, which do not require a Certificate of Appropriateness, can benefit from the advice to encourage historic preservation; and

**WHEREAS**, the current committee name can be confusing for property owners whose projects are recommended for committee review but do not require a Certificate of Appropriateness; and

**WHEREAS**, the interests of historic preservation will be better served by changing the committee name to align with its role;

**NOW, THEREFORE,**

**BE IT RESOLVED BY THE HISTORIC LANDMARK COMMISSION OF THE CITY OF AUSTIN:**

The Certificate of Appropriateness Review Committee shall henceforth be named the Architectural Review Committee.
