Please advise-

I have updated this request to March, not April. Besides the below being a factor, when the date of this hearing was changed to Wed, 2/5, in lieu of what the website listed, I do have available child care for tomorrow evening and am unable to attend.

Thank you

Subject: Request for Postponement from 2/5 to April 13 (C15-2019-0061)

Hi Elaine-

Please allow this email to serve as our official request to postpone the above case to April 13. Due to the City of Austin having unforeseen comments to our site development plans, we need to further evaluate these comments and gain a better understanding of their impacts to our site layout, which could further enhance the hardships on site.

Please let me know if there are any questions.

I assume since this postponement does not exceed 60 days, a re-notification fee will not apply.

Thanks
