

Urban Trails Plan and Sidewalk/ADA Transition Plan update

- **Requestor:** Katie Wettick and John Eastman, Public Works Department
- **Presenters:** Katie Wettick, Craig McColloch, and John Eastman, Public Works Department
- **Objective:** Opportunity for the BAC to receive an informational briefing from City of Austin staff regarding the process that's beginning to update the 2014 [Urban Trails Plan](#) and the 2016 [Sidewalk and ADA Transition Plan](#) + share their feedback and discuss how they'd like to be involved throughout the process.
- **Time-sensitivity:** N/A, but staff hope to involve the committee members early in the process. We are targeting the following meeting dates for initial briefings: March 17 Bicycle Advisory Council, April 6 Pedestrian Advisory Council, April 14 Urban Transportation Commission, April 30 City Council Mobility Committee.

Project Connect update

- **Requestor:** Emily Smith, Austin Transportation Department (BAC staff liaison)
- **Presenter:** Sam Sargent, Capital Metropolitan Transportation Authority
- **Objective:** Opportunity for the BAC to receive an informational briefing from Capital Metro staff regarding the [recently-debuted](#) Project Connect [Recommended System Plan](#) and next steps in the [Project Connect](#) process.
- **Time-sensitivity:** Staff's Recommended System Plan was presented to City Council and the Cap Metro board on March 9. In May, a Locally Preferred Alternative (LPA) will be adopted by the Cap Metro board + the City Council will provide funding direction.
