Attn: Angela Gaudette

Dear Ms. Gaudette,

I am planning on mailing in my signature regarding the public hearing of the demolition of 1519 E Cesar Chavez St. However, as I'm under house lock down and searching to find an envelope to mail, I wanted to make sure I emailed before hand so my voice is heard.

I object to the demolition of 1519 E Cesar Chavez and am in favor of designating it as having historical significance. If anything speaks to the re-vitalization of the East Side, it's this building and the tenants within. Bufalina is an East Side institution. Furthermore the building itself was revitalized for it's current tenants from the empty shell it was when I first moved to the East Side over a decade ago.

My Name: Martin Note

My Address: 1601 E Cesar Chavez St #203

I'll work promptly to find an envelope to mail my response to you before the 27th.

Best,

Martin Note
