Ms Gaudette,

We reside at 608B Highland Ave. We have no objection to the plans of either of our neighbors. Our only concern is that both projects will make extensive use of our alley during construction. It is in poor condition as it is and this additional wear and tear will only make it worse. Also, it is a narrow alley and they will each need to take care not to block access to those of us who use it as our garage (and the garages of several neighbors) face out onto the alley.

Thanks

Paul & Amy McKaig
