

## **Redbud Trail Bridge over Lady Bird Lake**

**Requestor:** Richard Mendoza, Directors, Public Works Department

**Item objective:** Discuss bicycle amenities.

**Time-sensitivity:** Upcoming Council action on July 30.

## **Urban Trails Plan and Sidewalk/ADA Transition Plan updates**

**Requestor:** Katie Wettick, Urban Trails Program Manager and John Eastman, Project Manager Sidewalk and Special Projects Division, Public Works Department

**Item objective:** We are beginning the process of updating the 2014 Urban Trails Plan and the 2016 Sidewalk and ADA Transition Plan. We will brief the committee members on the initial goals we hope to accomplish with these updates, obtain feedback, and discuss how the committee would like to be involved throughout the process.

## **I-35 Capital Express Program**

**Requestor:** Susan Fraser, Mobility35 Program Manager

**Item objective:** Provide an update on the environmental and schematic design of the Texas Department of Transportation I-35 Capital Express program.

**Time-sensitivity:** Feedback is requested prior to June 2020, when the project will move into final design.

## **Capital Area Metropolitan Planning Organization (CAMPO) allocation of funding to I-35 Capital Express project**

**Requestor:** Christopher Heathcott, BAC chair

**Item objective:** Provide a recommendation to the CAMPO board regarding which projects to defer in order to allocate \$633 million for the Interstate 35 Capital Express Central project.

**Time-sensitivity:** The next CAMPO board vote on the matter is scheduled for June 8.
