

In Memory of Dr. David Lewis Steed

David Steed passed away on February 16, 2020. David dedicated over 30 years of service to the Balcones Canyonlands Conservation Plan (BCCP) and was instrumental in the establishment of the Balcones Canyonlands Preserve. He served as an original member of the BCCP Biological Advisory Team in 1989, and became an advocate and trustee of the Balcones Canyonlands Preserve system. He provided leadership and guidance while serving as Chair of the BCCP Scientific Advisory Committee from 2003-2014, and remained a committee member until his passing. His dedication and continued commitment to conservation and science has provided an invaluable resource to the BCCP.

David was a mentor and friend to many, and leaves behind a team of colleagues to carry on his legacy. His unwavering support, knowledge, passion, and friendship will be greatly missed.
