Re: 71 Julius Street

Board members,

This past year I built a home at 70 Julius St. I've met Dan and Amy a few times over the past couple years and we've exchanged experiences about building in the neighborhood. They have worked to clear the lot and have talked about their plans to build their home here.

Recently, they have shown me their plans to their home at 71 Julius. I think the home is a good fit for the neighborhood and will not impact the view or use of the waterfront and I support their design plan.

Sincerely,

Jorge Stergiou

Re: 71 Julius Street

Board members,

I've met Dan and Amy a couple times over the past couple years. They have been good neighbors in letting me know when the trucks were coming to relocate the 71 Julius home and before they started any noisy work. As they have worked to clear the lot they have talked about their plans to build their home in our neighborhood.

Recently, they have shown me their plans to build their home at 71 Julius. I think the home is a good fit for the neighborhood and will not impact the view or use of the waterfront and I fully support their design plan.

Sincerely,
