To the members of the Historic Landmark Commission:

I oppose the demolition of the house at 2502 Park View Drive. The house is a beautiful example of the domestic architecture of the mid-twentieth-century, and has significant historic value as a surviving element of the Air Conditioned Village.

My wife and I have enjoyed seeing the house on our walks around the neighborhood, and very much appreciated the tour of the Air Conditioned Village offered by MidTexMod some months ago.

I concur with the more detailed justification found in the [letter of June 16, 2020, from Elizabeth Porterfield of MidTexMod](#).

Please vote for the preservation of 2502 Park View Drive.

Thanks for your kind attention.
