Subject: C14-2020-0053 Cascades - Hilltop at ZAP on July 7, 2020 POSTPONEMENT REQUEST

*** External Email - Exercise Caution ***

Wendy and Andrew:

I am writing you on behalf of Spillmann Properties, Ltd, which is an owner of land adjacent to the east of the proposed Cascades - Hilltop C14-2020-0053. I just left a voicemail for Wendy, but wanted to go ahead and send this now while awaiting her return phone call.

We request a one month postponement of the case that will allow time for us to communicate with the city, county, and applicant regarding their plans.

Please confirm receipt of this email. If a one month postponement is not possible, please advise me of what our options are.

Sincerely,
Justin Spillmann
