Re: Rogers Washington Holy Cross District LHD Application

Dear Ms. Reed,

Preservation Austin is so pleased to offer this letter of support for the Rogers Washington Holy Cross Historic District application. Our organization has been Austin's leading nonprofit voice for historic preservation since 1953, with a mission to promote our city's diverse cultural heritage through the preservation of historic places. We strongly support the establishment of a local historic district in Rogers Washington Holy Cross (RWHC).

The Rogers Washington Holy Cross Historic District is one of the most intact concentrations of post-World War II housing for African Americans in Austin. As an early neighborhood developed by Black professionals for Black professionals, Rogers Washington Holy Cross represents the strength and tenacity of many African American families who dedicated their lives to the education and uplifting of their children and their community. The RWHC neighborhood is small in size but large in significance, including several architecturally distinct buildings designed by African American architect John Chase, FAIA, and many residences of individuals and families who made meaningful contributions to the city of Austin and beyond. Historic district status would help preserve this unique cultural and built legacy.

The RWHC neighborhood organization has been committed to investing in the needs and improvements of the neighborhood for decades, despite the pressures of systemic racism and economic inequities. The neighborhood association has worked collaboratively and creatively with homeowners, renters, and businesses over the last three years to develop design standards that incorporate the spirit of preservation and the dynamic realities of this central East Austin neighborhood.

Our nonprofit has supported this community-based, volunteer-driven effort for the past two years, including through two matching grants to help cover application fees. We've been honored to work with these advocates, and urge the Historic Landmark Commission to support making this district a reality.

Sincerely,

Lori Martin, President

Dear Commissioners,

Re: Rogers-Washington-Holy Cross District Preservation Application

On behalf of the City of Austin's Equity Office, please accept this letter of support for the Rogers-Washington-Holy Cross Neighborhood Association [RWHC] Historic District Preservation Application.

The City of Austin's Strategic Direction 2023 calls for the focus on culture and lifelong learning being enriched by Austin's unique civic, cultural, ethnic, and learning opportunities. Unfortunately, one of the major challenges we face is the loss of that culture and history of Austin's African American community. Austin is the only city among the ten fastest growing U.S. cities where general population growth and African American growth point in opposite directions.

Likewise, the RWHC organization has been committed to investing in the needs and improvements of their neighborhood for decades, despite the pressures of systemic racism and economic inequities. This neighborhood represents the strength and tenacity of many African American families who dedicated their lives to the education and uplifting of their children and their community. And I applaud their efforts preserve Austin's history of historic African American neighborhoods.

We also recognize the persistent, dedicated, hard work that the RWHC Neighborhood Association has put into this process for the last (3) years through constant communication with homeowners, businesses, renters and the City of Austin.

We have worked with members of RWHC on various projects and respect their methods of solicitation as well as their efforts to collaborate with all for the most beneficial solutions.

In that spirit, I hope that you will grant this application to a truly-deserving community!

Sincerely,

Dear Ms. Reed and Commissioners,

Re: Rogers-Washington-Holy Cross District Preservation Application

Please accept this letter of support for the Roger-Washington-Holy Cross Neighborhood Association (RWHC) Historic District Designation Application. As you may know, the Austin Revitalization Authority has long been a supporter of preserving communities and history, particularly in the East Austin sector of the City of Austin.

The Rogers-Washington-Holy Cross neighborhood was identified in the East Austin Historic Resources Survey (2016) as a potential local historic district, eligible for the National Register of Historic Places. The history of the neighborhood tells a rich story of the development of East Austin in the Post-War and early years of the civil rights movement. Initially developed for the African American community veterans returning from serving their country in World War II, the addition of land owned by local Black dentist, Joseph W. Washington, created space for custom designed homes for luminary figures within the community. It became home to Huston-Tillotson President John Q. Taylor King, Oscar L. Thompson, the first African American graduate of the University of Texas at Austin and HT professor, Austin Public Library branch namesake Willie Mae Kirk, Principal of Kealing Jr. High School and 75<sup>th</sup> President of the Colored Teachers State Association, T.C. Calhoun, businesswoman Della Phillips, and other noted professionals. The architecture of the homes speaks to the time period; houses vary in style from John Chase's two mid-century modern designs to handsome split-level and one-story ranch homes. Many of the current residents have lived in the neighborhood all their lives, bringing a pride of continuous ownership and history that is being lost in Austin.

Austin is quickly losing much of the fabric that encases the history of the city. East Austin has been especially hard hit, losing historically and culturally significant places. It is important to recognize and preserve spaces like the Rogers-Washington-Holy Cross neighborhood, in order to exhibit a physical manifestation of our full American history, not just read a plaque about it.

Again, I hope you will support the Rogers-Washington-Holy Cross neighborhood's request which clearly meets the designation criteria established by code. I agree that its history is worth saving, and I support their efforts.

Sincerely,

Gregory L. Smith
