FOOD AND BEVERAGE CONCESSION AT
LIONS MUNICIPAL GOLF COURSE**

Agreement Overview

The City operates the Lions Municipal Golf Course (Lions), located at 2901 Enfield Road, through a lease agreement, a component of the Brackenridge Development Agreement between The University of Texas System (UT System) and the City. The status of Lions Municipal Golf Course, a golf course with historical importance, is uncertain. Save Historic Muny District (SHMD) was created by the Texas Legislature in June 2019 to preserve the 141.35 acres as a public golf course and publicly available parkland. While UT System considers various options for the future of the property, SHMD and the City are collaborating to preserve the property as the Lions Municipal Golf Course in perpetuity.

As part of that collaboration, the City wishes to permit the SHMD to manage and operate the food and beverage concession at Lions. The agreement with the previous food concessionaire at Lions terminated in May, and because the City's lease with the University is month to month, a new solicitation was not conducted. Currently, food services are being offered by a temporary food truck.

What is the Purpose of the Agreement?

This is an interlocal agreement between the City of Austin and the Save Historic Muny District to allow SHMD to operate and manage the food and beverage concession at Lions Municipal Golf Course.

What is the Term of the Agreement?

The term of this agreement shall run congruent to the current golf course operating lease agreement with UT System and the City. The current lease agreement is a month-to-month agreement with five (5) months minimum notification of termination. This agreement will continue until the lease is terminated, the golf course is sold, or as otherwise agreed to in writing by the parties.
