

**ZONING CHANGE REVIEW SHEET**

CASE: C14-2019-0159 (Arboretum Lot 9)

DISTRICT: 10

ADDRESS: 9401 Arboretum Boulevard

ZONING FROM: GR, CS, CS-1

TO: GR-MU

SITE AREA: 15.20 acres (662,112 sq. ft.)

PROPERTY OWNER: GF-ARB C, Ltd. % Live Oak Gottesman

AGENT: Drenner Group, PC (Amanda Swor)

CASE MANAGER: Sherri Sirwaitis (512-974-3057, [sherri.sirwaitis@austintexas.gov](mailto:sherri.sirwaitis@austintexas.gov))

STAFF RECOMMENDATION:

**Staff recommends GR-MU, Community Commercial-Mixed Use Combining District, zoning.**

ZONING AND PLATTING COMMISSION ACTION / RECOMMENDATION:

**February 4, 2020: Postponed to February 18, 2020 at the applicant's request by consent (9-0, J. Kiolbassa-absent); H. Smith-1st, N. Barrera-Ramirez-2nd.**

**February 18, 2020: Postponed to April 7, 2020 at the applicant's request by consent (10-0); H. Smith-1st, B. Evans-2nd.**

**April 7, 2020: Meeting cancelled.**

**May 5, 2020: Postponed to June 16, 2020 at the staff's request by consent (8-0, N. Barrera-Ramirez and J. Kiolbassa-absent); B. Evans-1st, H. Smith-2nd.**

**June 16, 2020: Case to be re-notified because of posting error.**

**July 21, 2020: Postponed to August 18, 2020 at the applicant's request by consent (10-0); B. Evans-1st, J. Duncan-2nd.**

**August 18, 2020**

CITY COUNCIL ACTION:

**February 20, 2020: A motion to postpone this item to April 9, 2020 at the request of staff was approved on Mayor Pro Tem Garza's motion, Council Member Renteria's second on an 11-0 vote.**

**April 9, 2020: Postponed to June 4, 2020 at the staff's request by consent (11-0); K. Tovo-1st, A. Alter-2nd.**

**June 4, 2020: Postponed to July 30, 2020 at the staff's request by consent (11-0)**

**July 30, 2020: Postponed to August 27, 2020 at the staff's request by consent (11-0)**

ORDINANCE NUMBER:

**B-04** **ISSUES:** There is a restrictive covenant on this property, C14r-83-280 (Please see the Restrictive Covenant - Exhibit D). In the covenant, note 2. reads,, "The area on the site that is reserved for a Conservation Area will be rezoned to an appropriate zoning category that will preclude its use for commercial or residential facilities. Then the Principal Roadway Area site plan as required by Zoning Ordinance is approved. The site of the area is approximately 30 acres, and is shown on the attached site plan attached hereto as Exhibit B." The conservation area was zoned GR and has never been rezoned to preclude the use for commercial or residential facilities. The Environmental Officer has provided an synopsis of the issues concerning the restrictive covenant conditions and impervious cover for this property (Please see Exhibit E).

In this rezoning request,,the applicant is asking to rezone a 15+ acre area that does include part of the designated conservation area.

### CASE MANAGER COMMENTS

The site under consideration is a 15.20 acre property located at the northwest corner of North Capital of Texas Highway and Arboretum Boulevard. The property is currently an undeveloped parcel within a retail center, adjacent to a detention pond and a parking garage. The applicant is requesting a rezoning of the property from GR, CS and CS-1 zoning to GR-MU zoning to allow for mixed use development.

The staff recommends GR-MU zoning for the property in question as it meets the intent of the Community Commercial-Mixed Use Combining District. This tract of land is surrounded by commercial uses/zoning to the north, east, and west. The property fronts and takes access to an arterial roadway, Arboretum Boulevard and a state highway, North Capital of Texas Highway. Site is located on an Activity Corridor, the Arboretum Boulevard Activity Corridor, as designated in the Imagine Austin Comprehensive Plan.

The applicant agrees with the staff's recommendation.

### BASIS OF RECOMMENDATION:

1. *The proposed zoning should be consistent with the purpose statement of the district sought.*

Community Commercial district is intended for office and commercial uses serving neighborhood and community needs, including both unified shopping centers and individually developed commercial sites, and typically requiring locations accessible from major traffic ways.

The purpose of a mixed use (MU) combining district is to allow office, retail, commercial, and residential uses to be combined in a single development.

2. *The proposed zoning should promote consistency and orderly planning.*

The proposed GR-MU zoning would be compatible and consistent with the adjacent uses because this tract of land is surrounded by office and commercial uses/zoning to the north, south, east, and west. The property in question is located on an Activity Corridor, the Arboretum Boulevard Activity Corridor, as designated in the Imagine Austin Comprehensive Plan.

3. *The proposed zoning should allow for a reasonable use of the property.*

The Community Commercial district would allow for a fair and reasonable use of the site. GR zoning is appropriate for this location because of the commercial character of the area.

The proposed Mixed Use Combining District will permit the applicant to develop a mixture of commercial and high density residential uses at this location with access to an arterial roadway and a highway.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	GR, CS, CS-1	Undeveloped Area, Pond
<i>North</i>	GR. CS, CS-1	Office, Hotel/Motel Use (Renaissance Hotel), Arboretum at Great Hills Retail Center
<i>South</i>	ROW/Highway	North Capital of Texas Highway/ Loop 360
<i>East</i>	GR. CH, CS	Restaurants (Z-Tejas, Eddie V's), Office
<i>West</i>	GR, CS	Office, Parking Garage, Restaurant (Cheesecake Factory), Arboretum at Great Hills Retail Center

OTHER STAFF COMMENTS:Comprehensive Planning

The subject tract for this zoning case is located along the **Arboretum Boulevard Activity Corridor** and just outside the boundaries of the **North Burnet/Gateway Station Regional Center**, and outside the boundaries of a small area plan. This zoning case is located on the northeast corner of Arboretum Boulevard and just north of Highway 360 (Capital of Texas Highway), on a 15.2 acre parcel that is undeveloped and also contains a large detention pond. Surrounding uses includes a hotel and a shopping center to the north; to the south is Highway 360 and office and residential uses; to the east is a shopping center and office uses; and to the west are retail and office uses. The proposed use is multifamily project.

**Connectivity:** The property abuts Arboretum Boulevard to the west and south. The western boundary of the subject property has no public sidewalks, bike lanes or public transit stops, while the southern portion only has public sidewalks on one side of the street. Commercial and retail uses are close by but are not readily accessible by foot or bicycle because of the intermittent and incomplete public sidewalk system and the lack of bike lanes. The mobility options in the area are below average even though there are nearby neighborhood serving uses.

**Imagine Austin**

This project is located by the **North Burnet/Gateway Station Regional Center** to the east and abuts the **Arboretum Boulevard Activity Corridor**. Like many Imagine Austin Centers, this center is represented by a circle or globular shape that reflects the general location where the center should be located in the future. The center's actual boundaries would need to be clarified through a small area planning process.

Page 106 of Imagine Austin states: “(Activity) Corridors are characterized by a variety of activities and types of buildings located along the roadway — shopping, restaurants and

cafés, parks, schools, single-family houses, apartments, public buildings, houses of worship, mixed-use buildings, and offices. Regional Centers are intended for retail, cultural, recreational, and entertainment destinations for Central Texas and are the places where the greatest density of people and jobs and the tallest buildings in the region will be located.

The following Imagine Austin policies are applicable to this project:

□ **LUT P1.** Align land use and transportation planning and decision-making to achieve a compact and connected city in line with the growth concept map.

□ **LUT P3.** Promote development in **compact centers, communities, or along corridors** that are connected by roads and transit that are designed to encourage walking and bicycling, and reduce health care, housing and transportation costs.

□ **HN P10.** Create **complete neighborhoods** across Austin that have a mix of housing types and land uses, affordable housing and transportation options, and access to schools, retail, employment, community services, and parks and recreation options.

Based upon this property being situated along an **Activity Corridor**, which supports multifamily and mixed use; and the Imagine Austin policies referenced above that supports a variety of development that is designed to encourage walking and bicycling, this project appears to partially support the policies of Imagine Austin.

### Environmental

The site is located over the Edwards Aquifer Recharge Zone. The site is in the Bull Creek Watershed of the Colorado River Basin, which is classified as a Water Supply Suburban Watershed by Chapter 25-8 of the City's Land Development Code. It is in the Drinking Water Protection Zone.

Under the current Ordinance No. 84-0202-K regulations, development or redevelopment on this site is subject to that approved with the original zoning site plan (C14R-83-280).

According to floodplain maps there is no floodplain within or adjacent to the project location.

Standard landscaping and tree protection will be required in accordance with the Ordinance requirements for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

### Site Plan

Site plans will be required for any new development other than single-family or duplex residential.

Any development which occurs in an SF-6 or less restrictive zoning district which is located 540 feet or less from property in an SF-5 or more restrictive zoning district will be subject to compatibility development regulations.

Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

FYI: Additional design regulations will be enforced at the time a site plan is submitted.

### COMPATIBILITY STANDARDS

The site is subject to compatibility standards due to proximity of SF-3 zoning to the south.

The following standards apply:

- No structure in excess of two stories or 30 feet in height may be constructed within 50 feet of the property line.
- No structure in excess of three stories or 40 feet in height may be constructed within 100 feet of the property line.
- For a structure more than 100 feet but not more than 300 feet from property zoned SF-5 or more restrictive, height limitation is 40 feet plus one foot for each 10 feet of distance in excess of 100 feet from the property zoned SF-5 or more restrictive.
- For a structure more than 300 feet but not more than 540 feet from property zoned SF-5 or more restrictive, 60 feet plus one foot for each four feet of distance in excess of 300 feet from the property zoned SF-5 or more restrictive.
- An intensive recreational use, including a swimming pool, tennis court, ball court, or playground, may not be constructed 50 feet or less from property in an SF-5 or more restrictive zoning district.

### SCENIC ROADWAYS

This site is within the Scenic Roadway Sign District. All signs must comply with Scenic Roadway Sign District regulations. Contact Viktor Auzenne at (512) 974-2941 for more information.

### HILL COUNTRY ROADWAY

A large portion of the site is located within 1,000 feet of Loop 360 and within a Hill Country Roadway Corridor. The site is located within the moderate intensity zone of Loop 360.

The site may be developed with the following maximum floor-to-area ratio (FAR):

<u>Slope</u>	<u>Maximum FAR</u>
0-15%	0.25
15-25%	0.10
25-35%	0.05

Except for clearing necessary to provide utilities or site access, a 100-foot vegetative buffer will be required along Loop 360. At least 40% of the site (excluding dedicated right-of-way) must be left in a natural state. The allowable height is as follows: Within 200 feet of Loop 360 the maximum height is 28 feet, and beyond 200 feet the maximum height is 40 feet.

Prior to the issuance of a building permit for the proposed use, a site plan must be approved by the Land Use Commission.

### DEMOLITION AND HISTORIC RESOURCES

The applicant is responsible for requesting relocation and demolition permits once the site plan is approved. The City Historic Preservation Officer will review all proposed building demolitions and relocations prior to site plan approval. If a building meets city historic criteria, the Historic Landmark Commission may initiate a historic zoning case on the property.

FYI: This site is in the Edwards Aquifer Recharge Zone and the Edwards Aquifer Recharge verification zone.

### Transportation

The ASMP calls for 94 feet of right-of-way for ARBORETUM BLVD. Additional right-of-way dedication will be required at the time of site plan. A traffic impact analysis was not required for this case because the traffic generated by the proposed zoning does not exceed the threshold of 2,000 vehicle trips per day. The adjacent street characteristics table is provided below:

Name	ROW	Pavement	Classification	Sidewalks	Bicycle Route	Capital Metro (within ¼ mile)
ARBORETUM BLVD	90'	65'	ASMP level 3	No	Yes	No
N CAPITAL OF TEXAS HWY	375'	Multiple lane divided	TxDOT Roadway	No	Yes	No

### Austin Water Utility

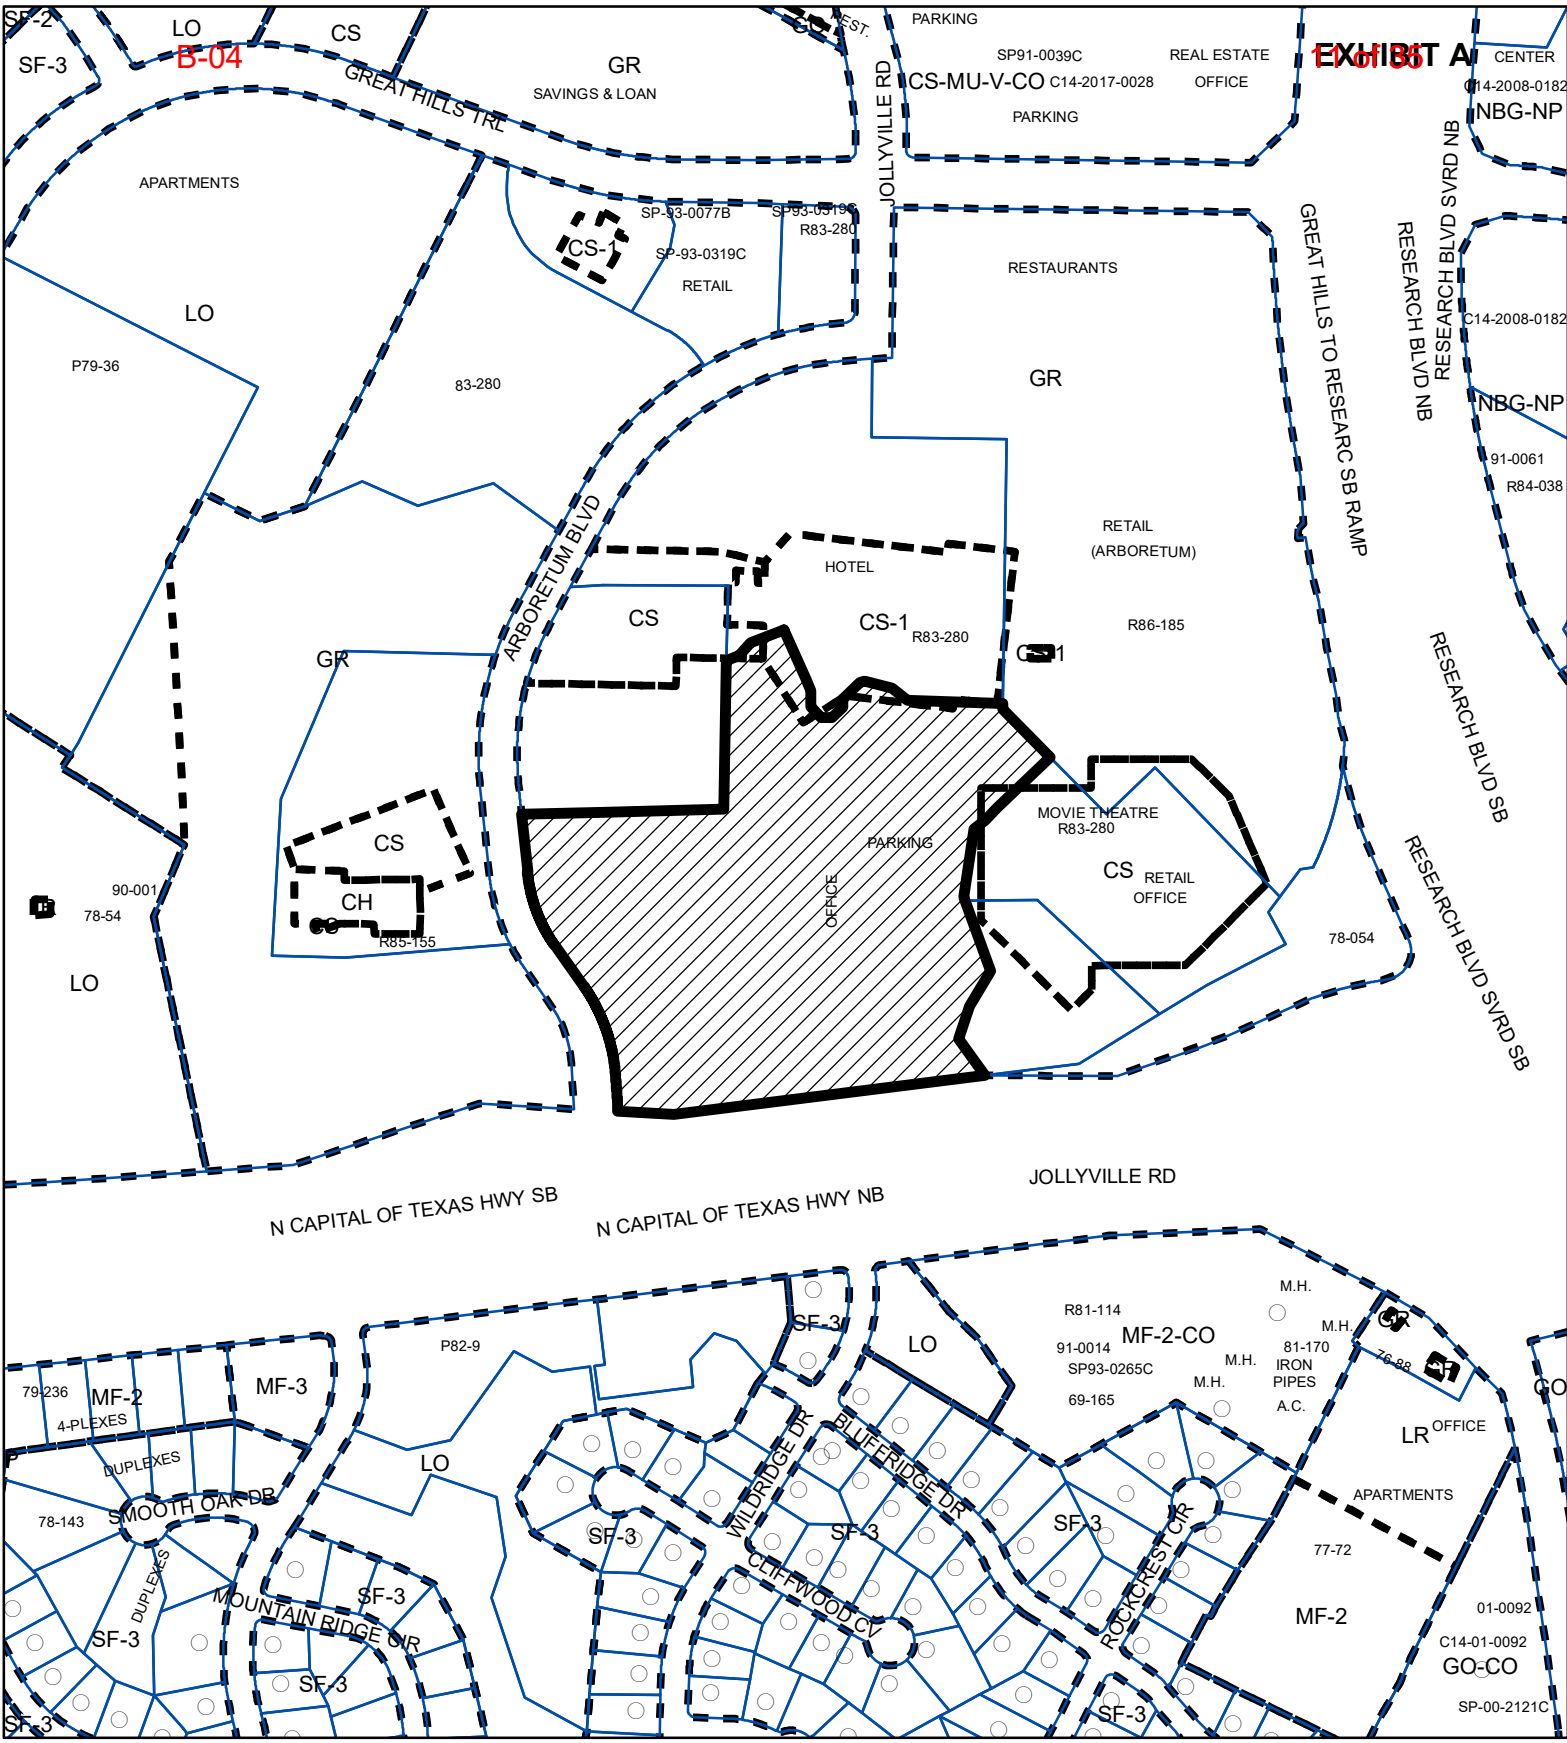

The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. The water and wastewater utility plan must be reviewed and approved by Austin Water for compliance with City criteria and suitability for operation and maintenance.

Depending on the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin.

The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

Austin, TX 78704

Via Hand Delivery

Re: Arboretum Lot 9 – Zoning application for the 15.20-acre piece of property known as Arboretum Lot 9, located at 9401 Arboretum Boulevard in the City of Austin, Travis County, Texas (the “Property”).

Dear Ms. Lucas:

As representatives of the owner of the Property, we respectfully submit the enclosed zoning application for 9401 Arboretum Boulevard. The project located in the full purpose jurisdiction of the City of Austin and consists of 15.20 acres. The Property is located at the northeast corner of Arboretum Boulevard and Capital of Texas Highway Loop 360 and Property is currently undeveloped. The majority of the Property is zoned GR, Community Commercial, with small portions zoned CS, General Commercial Services, and CS-1, Commercial – Liquor Sales, see enclosed zoning map. The requested rezoning is from GR, CS, and CS-1 to GR-MU, Community Commercial – Mixed Use, zoning district.

The existing zoning was established via ordinance 781102-H and case number C14-78-054. A zoning site plan was approved for the Property via City of Austin case number C14r-83-280. This rezoning will amend this tract from the existing zoning site plan per ordinances 840202-K and 940609-L. These ordinances are enclosed with this application package.

The Property is not located with a City of Austin neighborhood planning area; therefore, the Property does not have a Future Land Use Map designation and a Neighborhood Plan Amendment is not required. A Traffic Impact Analysis (“TIA”) has been waived via a TIA waiver from Amber Mitchell, dated May 22, 2019 with the note that a TIA determination will be deferred until the time of site development permit, when land use mix and intensities have been finalized.

C14r-83-280RESTRICTIVE COVENANT

4 11 0563

THE STATE OF TEXAS §

1000

178649

15.00  
1 00/1

COUNTY OF TRAVIS §

WHEREAS, CROW-GOTTESMAN-SHAFER #1, a Texas Limited Partnership, and TRAMMELL CROW COMPANY #30, a Texas Limited Partnership, are the owners of the following described property, to-wit:

Tract I of Great Hills Commercial Three, a subdivision in Travis County, Texas, according to the map or plat thereof recorded in Volume 77, Page 302-304, Plat Records of Travis County, Texas, and being more fully described by metes and bounds in "Exhibit A" attached hereto and made a part hereof.

WHEREAS, Crow-Gottesman-Shafer #1 and Trammell Crow Company #30 and the City of Austin have agreed that the above described property should be impressed with certain covenants and restrictions running with the land and desire to set forth such agreement in writing:

NOW, THEREFORE, CROW-GOTTESMAN-SHAFER #1 and TRAMMELL CROW COMPANY #30, (both hereinafter called "Crow"), for and in consideration of One and No/100 Dollars (\$1.00) and other good and valuable consideration in hand to the undersigned paid by the City of Austin, the receipt of which is hereby acknowledged, do hereby agree with respect to said property described above and below, such agreement to be deemed and considered as a covenant running with the land, and which shall be binding on them, their successors and assigns, as follows, to-wit:

1. It is anticipated that one or more of the office buildings to be constructed on the above referenced tract will contain financial institutions. These uses are allowed under the "GR" General Retail zoning currently existing on the property. Nevertheless, at such time as each office building is leased, should it be determined by Crow that "GR" zoning is not needed for the building, then the zoning for the building will be rezoned to "O" Office zoning. The goal here is for the use and the zoning of the buildings to be consistent in order to insure that site-generated traffic for the project does not exceed the scope of the City-approved Traffic Impact Analysis (including the January 3, 1984 Addendum) for the Arboretum at Great Hills.

REAL PROPERTY RECORDS  
Travis County, Texas

09846 0080

2. The area on the site that is reserved for a Conservation Area will be rezoned to an appropriate zoning category that will preclude its use for commercial or residential facilities, when the Principal Roadway Area site plan as required by Zoning Ordinance is approved. The size of the area is approximately 30 acres, and is shown on the attached site plan attached hereto as "Exhibit B".

3. Crow will assist the Balcones Civic Association to reduce traffic through their neighborhood by working with the State Department of Highways and Public Transportation and the City of Austin to close the Loop 360 median at Mountain Ridge Drive, opening a median at Chula Vista and signalizing it, modifying the median at Wildridge Drive so that only left turns off Loop 360 southbound can be made. When construction on U.S. 183 begins, this median at Wildridge will also be closed. Crow will pay for these improvements. In addition, Crow will participate in the funding for the other improvements to boundary streets as enumerated in the Traffic Impact Analysis and its addendums.

4. The proposed five-story building adjacent to Great Hills Trail, as shown on "Exhibit B" attached hereto, will be shifted as close to the internal ring road as possible, within the design guidelines of the project.

5. Crow may request a plus-or-minus 10 per cent change on the 178,000 existing retail square footage as the retail design is finalized, to a maximum additional retail square footage of 17,800 square feet ( $178,000 \times 10\% = 17,800$  square feet). If City Staff does not want to approve the change administratively, Crow will go through Planning Commission and/or City Council as applicable under standard City processes for review. ✓

6. Crow will plan and construct a pedestrianway within the Conservation Area. Representatives of the Balcones Civic Association and the Great Hills Neighborhood Association will be invited to participate in the design process.

7. Crow will make every reasonable effort to make a meeting room available to the Balcones Civic Association and the Great Hills Neighborhood Association for their regularly scheduled meetings, if it does not burden the paid tenants of the buildings.

If any person, persons, corporation or entity of any other character shall violate or attempt to violate the foregoing agreement and covenant, it shall be lawful for the City of Austin, a municipal corporation, its successors and assigns, to prosecute proceedings at law, or in equity,

09846  
1900 0081

against said person, or entity violating or attempting to violate such agreement or covenant and to prevent said person or entity from violating or attempting to violate such agreement for covenant.

If any part or provision of this agreement or covenant herein contained shall be declared invalid, by judgment or court order, the same shall in nowise affect any of the provisions of this agreement, and such remaining portion of this agreement shall remain in full force and effect.

The failure at any time to enforce this agreement by the City of Austin, its successors and assigns, whether any violations hereof are known or not, shall not constitute a waiver or estoppel of the right to do so.

This agreement may be modified, amended or terminated only by joint action of both (a) the majority of the members of the City Council of the City of Austin, or such other governing body as may succeed the City Council of the City of Austin, and (b) by the owners of the above described property at the time of such modification, amendment or termination.

EXECUTED, this the 2nd day of February, 1984.

County, Texas.

A DESCRIPTION OF A 95.26 ACRE PARCEL OF LAND BEING A PART OF THE JAMES M. MITCHELL SURVEY NO. 17, BEING A PART OF THE 1559.81 ACRE TRACT AS RECORDED IN VOLUME 5821, PAGES 714 OF THE TRAVIS COUNTY DEED RECORDS, BEING A PART OF THE SUBDIVISION KNOWN AS GREAT HILLS COMMERCIAL THREE AS RECORDED IN PLAT BOOK 77, PAGES 302-304 OF THE TRAVIS COUNTY PLAT RECORDS, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:

THE POINT OF BEGINNING is a found 5/8" iron pin which marks the northwest corner of the said Great Hills Commercial Three (tract one) as recorded in Plat Book 77, Pages 302-304 of the Travis County Plat Records, which point is on the south line of Great Hills Trail "B" 90 foot R.O.W. as recorded in Street Dedication Book 76, Page 135 of the Travis County Plat Records;

THENCE with the north line of Great Hills Commercial Three (tract one) being the south line of Great Hills Trail "B" R.O.W. S 70° 04' 44" E, a distance of 150.65 feet to a found 1/2" iron pin, being a point of curvature;

THENCE with a curve to the left being the north line of Great Hills Commercial Three (tract one) being the south line of Great Hills Trail "B" R.O.W. said line having a radius of 776.72 feet, an arc of 258.31 feet, a chord bearing of S 79° 41' 35" E, a chord distance of 257.13 feet to a found 1/2" iron pin, being the point of tangency;

THENCE with the north line of Great Hills Commercial Three (tract one) being the south line of Great Hills Trail "B" R.O.W. S 89° 08' 01" E, a distance of 182.66 feet to a found 1/2" iron pin;

THENCE with the north line of Great Hills Commercial Three (tract one) being the south line of Great Hills Trail "B" R.O.W. S 87° 47' 37" E, a distance of 200.06 feet to a found 5/8" iron pin;

THENCE with the north line of Great Hills Commercial Three (tract one) and the south line of Great Hills Trail "B" R.O.W. S 89° 13' 38" E, a distance of 95.46 feet to a 1/2" iron pin set to mark the point, which point is on the west line of the 100 foot Jollyville Road Vacated R.O.W. as recorded in Volume 6430, Page 1567 of the Travis County Deed Records;

THENCE with the north line of Great Hills Commercial Three (tract one) being the south line of Great Hills Trail "B" R.O.W. S 89° 12' 16" E, a distance of 112.39 feet to a found 1/2" iron pin which is on the east line of said Vacated Jollyville Road R.O.W.;

THENCE with the north line of Great Hills Commercial Three (tract one) being the south line of a 90 foot R.O.W. as recorded in Plat Book 76, Page 135 of the Travis County Plat Records, designated as Great Hills Trail "A", S 69° 14' 02" E, a distance of 660.12 feet to a 1/2" iron pin set on the curving west line of the U.S. Highway 183 R.O.W.;

THENCE with a curve to the left being the east line of Great Hills Commercial Three (tract one) being the west line of the U.S. Highway 183 R.O.W., said curving line having a radius of 3064.93 feet, arc of 755.51 feet, a chord bearing of S 08° 13' 06" E, a distance of 756.58 feet to a 1/2" iron pin set at a non-tangent point;

THENCE with the east line of Great Hills Commercial Three (tract one) being the west line of the U.S. Highway 183 R.O.W. S 05° 41' 47" E, a distance of 157.96 feet to a 1/2" iron pin set at a non-tangent point;

THENCE with a curve to the right being the east line of Great Hills Commercial Three (tract one) being the west line of the U.S. Highway 183 R.O.W., said curving line having a radius of 638.51 feet, arc of 490.73 feet, a chord bearing of  $S 04^{\circ} 05' 52'' W$ , a distance of 478.74 feet to  $\frac{1}{4}''$  iron pin set on the north line of the Loop 360 R.O.W.;

THENCE with the south line of Great Hills Commercial Three (tract one) being the north line of the Loop 360 R.O.W.  $S 80^{\circ} 35' 43'' W$ , a distance of 27.21 feet to a found concrete highway monument on the east line of the Vacated Jollyville Road R.O.W.;

THENCE with the south line of Great Hills Commercial Three (tract one) being the north line of the Loop 360 R.O.W.  $S 36^{\circ} 26' 25'' W$ , a distance of 111.42 feet to a found  $\frac{3}{4}''$  iron pin, on the west line of the Vacated Jollyville Road R.O.W.;

THENCE with the south line of Great Hills Commercial Three (tract one) being the north line of the Loop 360 R.O.W.  $S 27^{\circ} 50' 37'' E$ , a distance of 74.67 feet to a found concrete highway monument;

THENCE with the south line of Great Hills Commercial Three (tract one) being the north line of the Loop 360 R.O.W.  $S 62^{\circ} 28' 57'' W$ , a distance of 184.03 feet to a found concrete highway monument;

THENCE with the south line of Great Hills Commercial Three (tract one) being the north line of the Loop 360 R.O.W.  $S 58^{\circ} 21' 38'' W$ , a distance of 313.37 feet to a found concrete highway monument;

THENCE with the south line of Great Hills Commercial Three (tract one) being the north line of the Loop 360 R.O.W.  $S 82^{\circ} 47' 54'' W$ , a distance of 850.11 feet to a found concrete highway monument;

THENCE with the south line of Great Hills Commercial Three (tract one) being the north line of the Loop 360 R.O.W.  $N 86^{\circ} 35' 45'' W$ , a distance of 96.72 feet to a found  $\frac{3}{4}''$  iron pin on the east line of the Chula Vista Drive R.O.W.;

THENCE with the south line of Great Hills Commercial Three (tract one) being the north line of Loop 360 R.O.W.  $N 86^{\circ} 35' 45'' W$ , a distance of 101.79 feet to a found  $\frac{1}{4}''$  Hilti nail in stone on the west line of the Chula Vista Drive R.O.W.;

THENCE with the south line of Great Hills Commercial Three (tract one) being the north line of Loop 360 R.O.W.  $N 86^{\circ} 35' 30'' W$ , a distance of 208.10 feet to a found concrete highway monument;

THENCE with the south line of Great Hills Commercial Three (tract one) being the north line of Loop 360 R.O.W.  $S 71^{\circ} 33' 26'' W$ , a distance of 409.75 feet to a found concrete highway monument;

THENCE with the south line of Great Hills Commercial Three (tract one) being the north line of the Loop 360 R.O.W.  $S 86^{\circ} 04' 55'' W$ , a distance of 160.22 feet to a  $\frac{1}{4}''$  iron pin set on the east line of the proposed Great Hills Commercial Two (tract three) as recorded in Volume 5821, Page 714 of the Travis County Deed Records;

THENCE with the west line of Great Hills Commercial Three (tract one) being the east line of said Great Hills Commercial Two (tract three)  $N 11^{\circ} 42' 17'' W$ , a distance of 100.00 feet to a found 60d nail;

Consideration:	Ten and No/100 Dollars (\$10.00) and other good and valuable consideration paid by the Owner to the City of Austin, the receipt and sufficiency of which is acknowledged.			

**RECITALS**

WHEREAS, CROW-GOTTESMAN-SHAFER # 1, a Texas limited partnership, and TRAMMELL CROW COMPANY # 30, a Texas limited partnership, *[hereinafter referred to in this Amendment as the "Original Property Owners"]* were the previous owners of that certain real property generally known as the Arboretum development, located in the City of Austin, Travis County, Texas, as more particularly described in Zoning File No. C14r-83-280, as follows:

Tract I of Great Hills Commercial Three, a subdivision in Travis County, Texas, according to the map or plat of record in Plat Book 77, Pages 302-304, of the Plat Records of Travis County, Texas, as being more particularly described by metes and bounds in the "Exhibit A" attached and incorporated to the Original Restrictive Covenant recorded in the Deed Records of Travis County, Texas, at Volume 9846, beginning at Page 0080, *[hereinafter referred to in this Amendment as the "Property"]*; and,

WHEREAS, the Original Property Owners, as the sole owners of the Property, imposed certain restrictions and covenants on the Property by the Original Restrictive Covenant recorded in the Deed Records of Travis County, Texas, at Volume 9846, beginning at Page 0080, *[hereinafter referred to in this Amendment as the "Original Restrictive Covenant"]*; and,

WHEREAS, the Original Restrictive Covenant provided that the covenant could be modified, amended, or terminated only by joint action of both (a) a majority of the members of the City Council and (b) the Owners of the Property at the time of such modification, amendment or termination; and,

WHEREAS, the Current Property Owners are the sole and current owners of the Property described in this Amendment, on the date of this Amendment, and desire to amend the Original Restrictive Covenant; and,

WHEREAS, the Current Property Owners, as the sole and current owners of the Property, and the City Council of the City of Austin agreed said Original Restrictive Covenant should be amended for the purpose of imposing modified restrictions and conditions for the future development of the Property

NOW, THEREFORE, for and in consideration of the premises and mutual promises, covenants, and agreements hereinafter set forth, the CITY OF AUSTIN and Current Property Owners agree as follows:

1. Paragraph No. 5 of the Original Restrictive Covenant is amended to read as follows:
  5. Development of that portion of the Property identified as Lot 6, Resubdivision of Lot 2 of the Arboretum at Great Hills Subdivision, according to the map or plat of record in Plat Book 86, Pages 63A-63C of the Plat Records of Travis County, Texas, comprised of approximately 20.8511 acres of land, shall not exceed a maximum of 220,000 square feet of gross floor area.
2. The Original Restrictive Covenant is not amended, modified, or terminated by this Amendment except as expressly provided in this Amendment. Each and every one of the terms, conditions, and provisions of the Original Restrictive Covenant, as set forth in the Original Restrictive Covenant or as amended by this Amendment, shall continue in full force and effect for the remaining balance of the Property on and after the effective date of this Amendment.
3. The City Manager, or his designee, shall execute, on behalf of the City, this Amendment to Restrictive Covenant for Zoning File No.: C14r-83-280 as authorized by the City Council of the City of Austin. This Amendment to Restrictive Covenant for Zoning File No.: C14r-83-280 shall be filed in the Deed Records of Travis County, Texas, which will amend the document of record at Volume 09846, beginning at Page 0080, for the Property, generally known as the Arboretum development, located in the City of Austin, Travis County, Texas.

AUSTIN, TEXAS 78767  
ATTENTION: JOE JIMENEZ, LEGAL ASSISTANT

**Project Name: Arboretum Lot 9****Case Number: C14-2019-0159**

*Applicant is requesting that Lot 9 (15.2 acres) be rezoned from GR, CS, and CS-1 to GR-MU.*

**Issue #1-Conservation area of 30 acres.**

1. The restrictive covenant C14r-83-280, note 2. reads, "The area on the site that is reserved for a Conservation Area will be rezoned to an appropriate zoning category that will preclude its use for commercial or residential facilities, when the Principal Roadway Area site plan as required by Zoning Ordinance is approved. The site of the area is approximately 30 acres, and is shown on the attached site plan attached hereto as Exhibit B."
2. The requirements outlined in #1 above were never realized and are outstanding at this time.
3. The applicant has sent an exhibit with possible areas that add up to 30+ acres. The problem is that some of the areas shown are on existing commercial lots, disturbed by current uses, have water quality ponds, or satellite dishes. There is a requirement in the RC to rezone the conservation areas, how would this work on existing commercial lot? Are you proposing to re-plot the adjacent lots and then rezone conservation lot per RC requirements?

**Issue #2-Impervious Cover**

1. Note # 8 on site plan sheet 13 states that this project is subject to a maximum of 50% unless more is allowed under the LA ordinance 80-0103-N.
2. The impervious cover table states that the development is currently at 50.75% GSA, putting the existing development over the impervious cover limit by .75% or 32,670sf.
3. The impervious cover for the site was based on gross site area and therefore the slopes do not come into play in determining the impervious cover unless the project seeks to get more impervious cover based on the LA ordinance.
4. The ordinance as we read it would only allow a maximum of 24.471 acres.
 

30% allowed on slopes 0-15%	= 65.73 x .30 = 19.719 ac
20% allowed on slopes 15-25%	= 18.03 x .20 = 3.606 ac
10% allowed on slopes 25-35%	= 11.46 x .10 = 1.146 ac

Total = 24.471 acres (higher slope areas can be transferred to lower as long as 0-15 does not go over 80%) But this site is already over the allowable impervious cover per the LA ordinance.

We do not see a way to increase impervious cover, previous corrections have reinforced this idea since impervious cover has been removed in minute increments on this site plan to increase development on other lots.
