Presentation of the Draft 2020 Austin Climate Equity Plan

Requestor: Zach Baumer, Office of Sustainability.

Item objective: Opportunity for the commission to review the Draft [Climate Equity Plan](#): the result of a [year-long stakeholder engagement process](#) to center Equity in our plan for addressing climate change. We are presenting this plan to 20 City Boards / Commissions and bringing this to City Council for approval in October. Transportation is very soon to be the largest source of carbon pollution in our community, so many of the goals / strategies are focused on transportation issues.

Time-sensitivity: Council consideration of the plan for adoption is anticipated in October.

Update on Healthy Streets Program

Requestors: Commissioners Alvarado, Champion, and Somers.

Objective: Receive an update on the implementation of Austin City Council [Resolution 20200507-062](#), the current status of Austin's [Healthy Streets Initiative](#), and possible long-term implementation and funding for the program.
