RE: C14-2020-0091 (Johnny Morris Light Industrial) Postponement Request

\*\*\*\*\*

The staff would like to request a postponement of the above mentioned case to November 4, 2020. The staff is asking for this postponement because additional discussions need to occur between the staff and the applicant before the staff can finalize our recommendation and present this case for the Commission’s review. This is the first postponement request for this item.

The postponement request was made in a timely manner and meets the Zoning and Platting Commission’s policy.
