Re: 1601 Willow St.

Dear Mary and Mario:

Thank you so much for reaching out to our team, the East Cesar Chavez Neighborhood Plan Contact Team regarding your project at 1601 Willow Street. Having reviewed your intentions for the remodeling and addition, our team unanimously voted to support your demolition project. We are really happy that you are going to maintain the integrity of most of the house, removing only a small two-story addition in favor of a larger two-story addition.

If you have any questions or concerns, please do not hesitate to call.

Sincerely,

Susan Benz, Treasurer
ECC NPCT
