Hello Angela:

I have been retained by the owner of the property referenced above. It is my understanding that this case is scheduled for the Historic Landmark Commission on Monday 10/26/2020. Given the fact that City staff has recommended denial of the demolition permit and instead, asking the commission to consider initiating Historic Zoning of the property, we respectfully request a postponement of this case to the next available meeting date. I need time to get familiar with the property before I can adequately represent my client.

I would like to speak with you about this property and get a better understanding of the issues and reasoning behind your recommendation. You can call me at the number listed below when it is convenient.

I look forward to speaking with you about this case. Please confirm that the case has or will be postponed at your earliest convenience.

Respectfully,

Richard Mathias
