Bond Oversight Commission

Bond Oversight Commission

Our Vision

Ensure efficiency, equity, timeliness, and accountability in the implementation of existing and future City bond programs.

Our Mission

The commission shall monitor the city manager's plans relating to the issuance of bonds and the implementation of projects approved in bond elections, including the review of future potential bonds, the annual appropriation of bond funds, and any changes in the amount of bond funds issues or cash commitments made.

Our Goals

The mayor and council shall work with the commission to set priorities and goals for each new bond issue to be submitted to the voters. The commission shall advise the council on proposed bonds and the implementation of projects approved in bond elections.

2006 BOND, PROPOSITION 7

Public Safety

City of Austin

Bond Election

The issuance of \$58,100,000 in tax supported General Obligation Bonds and Notes for constructing, renovating, improving, and equipping public safety facilities, including, without limitation, a public safety training facility, police stations, emergency medical services buildings and facilities, a municipal courthouse, an animal shelter, and other related facilities and acquiring land and interests in land and property necessary to do so; and the levy of a tax sufficient to pay for the bonds and notes.
