PRIOR COUNCIL ACTION: December 13, 2001 - City Council adopted the Central East Austin Neighborhood Plan.

BOARD AND COMMISSION ACTION: Planning Commission Recommendation: To deny the plan amendment request. Vote: 5-0. (NS-1st, MC-2nd, MA & DS-absent, LO-on leave).

BACKGROUND:

City Council adopted the Central East Austin Neighborhood and rezonings on December 13, 2001. The boundaries of the Central East Austin Neighborhood Planning area are Martin Luther King Blvd. on the north, Chicon and Northwestern on the east, E. 7th Street on the south, and IH-35 on the west.

The properties at 2017 & 2101 E. 8th Street were approved with a single-family land use designation on the Future Land Use Map in the Central East Austin Neighborhood Plan. The property owner would like to do a multi-family project on the 2 properties. A plan amendment to change the future land use to multi-family land use designation is needed.

A neighborhood wide meeting was held November 4, 2003 to gain input from the neighborhood on the proposed amendment. The neighbors that attended the meeting were not in support of the plan amendment request. The neighborhood plan contact team/OCEAN (Organization of Central East Austin Neighborhoods) and the Blackshear/ Prospect Hill Neighborhood Association are not supporting this plan amendment request.

One of the Top Ten Neighborhood Priorities listed in the Central East Austin Neighborhood Plan on page 5 of the plan document (also referenced as Action 14) was to: Pursue zoning rollbacks to single-family for properties in the Blackshear/ Prospect Hill area that are currently zoned multi-family, commercial, or industrial but used as single-family or are vacant lots to preserve existing housing and encourage infill. Also Action 12, calls out to "Retain existing multi-family housing and allow new multi-family development on properties identified on the Future Land Use Map as multi-family. (see attached map - A) The subject properties are designated as a single-family land use and, therefore, require a plan amendment

OWNER/APPLICANT: Louree Atkins

AGENT: Bernice B. Butler

TYPE OF AMENDMENT:

Change in Future Land Use Designation:

From: Single Family Residential

To: Multi-family Residential

Zoning Change:

From: SF-3-NP

Related Zoning Case #: C14-03-0096

DEPARTMENT COMMENTS/BACKGROUND INFORMATION:

The Central East Austin Neighborhood Plan was completed under the City of Austin's Neighborhood Planning Program and was adopted as part of the Austin Tomorrow Comprehensive Plan on December 13, 2001. The boundaries of the planning area are: Martin Luther King Jr. Blvd. on the north, Chicon and Northwestern on the east, E. 7th Street on the south and IH-35 on the west. The properties located at 2017 & 2101 E. 8th Street were approved as a single family land use designation on the Future Land Use Map in the Central East Austin Neighborhood Plan. The current use on the properties is determined to be a Two Family Residential use on each lot. The properties were down zoned from MF-3 to SF-3-NP as part of the rezonings associated with the neighborhood planning process.

The property owner would like to do a multi-family project on the two lots. A plan amendment to change the future land use to multi-family land use designation is required. There is an associated zoning application filed as well, C14-03-0096. Staff is not recommending the zoning request.

After an application was submitted by the property owner, a neighborhood area wide meeting was held on November 4, 2003 to provide an opportunity for the property owner to present her amendment request and plans for the property to the neighborhood.

WATERSHED: Town Lake

STAFF RECOMMENDATION:

Staff is not recommending this plan amendment request for a change to the future land use map.

BASIS FOR RECOMMENDATION

1. Action 12 calls out to "Retain existing multi-family housing and allow new multi-family development on properties identified on the Future Land Use Map as multi-family (orange color, please see attached map A). Ms. Atkins properties are designated as single-family land use and therefore require a plan amendment to do a multi-family project (see attached map B).
2. Rezonings should be consistent with adopted neighborhood plans. One of the Top Ten Neighborhood Properties listed in the Central East Austin Neighborhood Plan (Page 5) was to: Pursue zoning rollbacks to single family for properties in the Blackshear/ Prospect Hill area that are currently zoned multi-family, commercial or industrial but uses as single-family or are vacant lots to preserve existing housing and encourage infill (also referenced as Action 14, Page 13).

PLANNING COMMISSION RECOMMENDATION:

December 23, 2003 - The Planning Commission voted 5-0 to deny the plan amendment request.
