Hello,

I live near this property and received a notice about the demolition. As of now, I'm in opposition to this demo and I'm writing to request an extension on this case. As far as I know, none of the neighbors have been able to get in touch with the owners and none of us understand what is planned or why this demo is necessary. We request an opportunity to talk with the owners, especially given that this property is located in a National Register District and backs up to a Local Historic District.

Thank you,
Gretchen Otto

Hello all,

We are the owners of [REDACTED] and wanted to write you to tell you that we do oppose the demolition of 503 E. Annie St as we have no idea what the owners plan to build instead.

Thank you for your help

Sincerely
