

CITY OF AUSTIN - R.O.W. VACATION

MASTER COMMENT REPORT

As of: November 19, 2020

PROJECT NUMBER: 2020-084690 LM

PROJECT NAME: 10245-2002 Chalmers Ave (Previously File No. 10245-2001)

LOCATION: CHALMERS AVE, AUSTIN, TX

<u>Review Dept.</u>	<u>Reviewer</u>	<u>Phone</u>	<u>Attempt Date</u>	<u>Approved Date</u>
LM AT&T (SWBT)				

<b>Rejected</b>	Lucy Cabading	512-974-9241	07/14/2020	
-----------------	---------------	--------------	------------	--

**Comments:** AT&T requires their facilities be relocated first before they can approve the vacation request.

"I can approve this after the AT&T facilities have been relocated, if I have a statement stating the vacation won't go into effect until after the facilities have been relocated."

& ENGRG DESIGN  
817 W. North Loop  
Austin, TX 78756  
737 255-4856

<b>Approved With Conditions</b>	Lucy Cabading	512-974-9241	10/09/2020	<b>10/09/2020</b>
---------------------------------	---------------	--------------	------------	-------------------

**Comments:** I accept the vacation of the ROW as long as we have a 10' easement in place to allow maintenance and placement of our facilities.

Thank you,

David A. Williams

---------------------	-----------------	--------------	---------------------	----------------------

**LM ATD Review**

<b>Approved</b>	Alison Mills	512-974-7166	09/30/2020	<b>09/30/2020</b>
-----------------	--------------	--------------	------------	-------------------

**Comments:** ATD agreed to the concept of this ROW vacation prior to application submittal and continues to support the vacation based on the site plan for affordable housing submitted with this case. The vacation will provide high-quality access for bicycles, pedestrians, and emergency services and the adjacent street network will provide adequate connectivity for motor vehicles in spite of the vacation. While ATD will approve the spacing and design of scrub zones on E 4th Street and E 3rd Street that AFD has requested as a condition for support of the Chalmers Avenue ROW vacation, ATD's support is not contingent upon the inclusion of the scrub zones.

**LM Austin Resource Recovery Review**

<b>Approved</b>	Heather Ketten	512-974-1954	06/30/2020	<b>06/30/2020</b>
-----------------	----------------	--------------	------------	-------------------

**Comments:** Approved - we do not have any customers or public cans on this portion of Chalmers, so our services will not be affected.

As of: November 19, 2020

PROJECT NUMBER: 2020-084690 LM

PROJECT NAME: 10245-2002 Chalmers Ave (Previously File No. 10245-2001)

LOCATION: CHALMERS AVE, AUSTIN, TX

<u>Review Dept.</u>	<u>Reviewer</u>	<u>Phone</u>	<u>Attempt Date</u>	<u>Approved Date</u>
<b>LM AW Infrastructure Management</b>				

<b>Rejected</b>	Eric Sermeno	512-972-0497	06/26/2020	
-----------------	--------------	--------------	------------	--

**Comments:** Austin Water (AW) does not recommend the requested Partial Right-of-Way (ROW) Vacation Request at this time and more particularly described as being a portion of Chalmers Avenue (60-foot ROW) of the Partition of Outlots #5 and #6, Division "O", as shown in District Court Case #3464, as recorded in minute book "K", page 564 of the District Court Records of Travis County, Texas with an address of 1600 E 3rd Street, Austin, Texas, 78702.

For release to be approved the following conditions must be met:

1. Existing 6-inch Cast Iron & 6-inch Ductile Iron Water Lines and an existing 6-inch Concrete Wastewater Line and associated appurtenances to be Properly Abandoned and Relocated;
2. New Water &/or Wastewater Lines and/or required Service Connection(s) to be built, tested, inspected, and as-built plans received and approved by AW Infrastructure Records; and, if applicable
3. Dedication and Recordation of New Water Lines Easement(s) to the City of Austin.

<b>Approved With Conditions</b>	Eric Sermeno	512-972-0497	11/19/2020	<b>11/19/2020</b>
---------------------------------	--------------	--------------	------------	-------------------

**Comments:** Austin Water (AW) has no objections to the requested Partial Right-of-Way (ROW) Vacation Request but with conditions which must first be met in-order for vacation of the ROW area described as being a portion of Chalmers Avenue (60-foot ROW) of the Partition of Outlots #5 and #6, Division "O", as shown in District Court Case #3464, as recorded in minute book "K", page 564 of the District Court Records of Travis County, Texas with an address of 1600 E 3rd Street, Austin, Texas, 78702.

The conditions to be met are below:

1. A Dedicated and Recorded Public Utility Easement (PUE) must be recorded before the vacation/recordation of the requested Partial Right-of-Way (ROW) Vacation for a portion of Chalmers Avenue (60-foot ROW), which will provide AW the land rights for the existing 6-inch Cast Iron & 6-inch Ductile Iron Water Lines and an existing 6-inch Concrete Wastewater Line (which is proposed to be abandoned) and their associated appurtenances;
2. The Site Plan needs to be sure all sheets showing the proposed trees match horizontal distances from existing AW infrastructure throughout the plan set. Especially, the landscape sheets the contractor will build from and must obtain waivers from Utility Criteria Manual Section 2.9.2.B.20 for the proposed trees not meeting 9-foot horizontal separation from the existing 6-inch Cast Iron &/or 6-inch Ductile Iron Water Lines down the requested Chalmers Avenue to be vacated.

Austin, TX 78704

Re: Pathways at Chalmers Court West (SP-2020-0004C.SH)  
Vacation of Chalmers Avenue Right-of Way  
between East 3<sup>rd</sup> and East 4<sup>th</sup> Street

Good Day,

The *Pathways at Chalmers Court West* project (SP-2020-0004C.SH, in permitting), and its sister projects *Pathways at Chalmers Courts East* (SP-2018-0541C.SH, under construction) and *Pathways at Chalmers Courts South* (SP-2017-0362C.SH, complete) are affordable housing projects operated by the Housing Authority of the City of Austin (HACA). Together these projects provide nearly 400 affordable housing units.

To further enhance the project, provide a more contiguous play area for the children, expand the City's green infrastructure network, increase the City's urban forest, improve the City's water quality by reducing impervious cover, and increase pedestrian and bicycle connectivity in the neighborhood, the portion of Chalmers Avenue between East 3<sup>rd</sup> Street and East 4<sup>th</sup> street is requested to be vacated. This would connect *Chalmers West* with *Chalmers East* and children living within those projects would only need to cross a single street (Chicon) in order to reach Zavala Elementary.

1. *Is this a residential or commercial project?* Residential, although City code classifies multi-family residential as a commercial use.

2. *How was the area to be vacated dedicated? By plat or separate instrument?* This portion of the City dates back to the City's founding. Outlots 5 and 6, Division O were created by an Act of Congress on January 5<sup>th</sup>, 1840. Chalmers Avenue, which lies between these Outlots, was dedicated sometime before 1880.

3. *Did the City purchase the area to be vacated?* No

4. *Are both the area to be vacated and your property in the same subdivision?* Yes, the Outlots created by an Act of Congress on January 5<sup>th</sup>, 1840.

5. *Is the area to be vacated functional right-of-way, or is it only dedicated on paper?* The ROW is functional and is currently a paved street.

6. *Are there any utility lines within the area to be vacated?* Yes, a water line which shall be preserved within an easement, and a wastewater line and overhead utilities which shall be removed.

7. *How do you plan to develop the area to be vacated?* It will be a green space that provides

pedestrian and bicycle connectivity between Chalmers West and East, and East 3<sup>rd</sup> Street to East 4<sup>th</sup> Street.

8. *Has a site plan been submitted on your project?* Yes, SP-2020-0004C.SH.
9. *Is your project a Unified Development?* Per the City of Austin DAC staff, the Chalmers West project site does not require a UDA.
10. *Is your project a SMART Housing Project?* Yes
11. *When do you anticipate starting construction of the development?* October 2020.
12. *What is the current zoning on the adjacent properties?* TOD-NP, TOD-CURE-NP, P-NP, LR-NP, P-NP, MF-4-NP, GR-MU-CO-NP.
13. *What is the current status of the adjacent properties?* Chalmers East (300 Chicon) is under construction as is the project located at 1600 East 4t Street (SP-2017-0418C). All other tracts are developed.
14. *What type of parking facilities currently exist?* For the Chalmers West site there is currently two small parking lots with most parking being on the street. Once redeveloped *Chalmers West* will provide much more surface parking, as does *Chalmers East* and *Chalmers South*.
15. *Will your parking requirements increase with the expansion?* The parking requirements will decrease due to the parking provisions of the Affordability Unlocked Ordinance (20190509-027); the parking demand on the street is also expected to decrease due to the significant increase in surface parking provided by the *Chalmers* projects.
16. *How will the increase be handled?* No increase.
17. *Have any agreements or easements been executed with the adjacent landowners or in draft form?* No, HACA owns the abutting *Chalmers East* project.
18. *Does the area to be vacated lie within the Austin Downtown Plan (DAP)?* No
19. *Does the area to be vacated lie within UT boundaries?* No
20. *Does the proposed vacation support the Priority Programs and policy directives set forth in the Imagine Austin Comprehensive Plan?* Yes, please see the second paragraph on page 1 of this letter.

If you have any questions or concerns, please let me know.

Sincerely,

J Segura, PE  
Senior Technical Engineer

## Neighborhood Housing and Community Development Department

January 23, 2020 (Revision to letter dated February 5, 2019)

### S.M.A.R.T. Housing- Certification

Housing Authority of the City of Austin – Pathways at Chalmers Courts West  
(Project ID # 595)

#### TO WHOM IT MAY CONCERN:

Housing Authority of the City of Austin (development contact: John Mcquage, 512.767.7750 or [johnm@hacanet.org](mailto:johnm@hacanet.org)) has submitted a S.M.A.R.T. Housing application to construction the Pathways of Chalmers Court West, a 156-unit multi-family residential development located at 1600 East 3<sup>rd</sup> Street, Austin TX 78702. The applicant has agreed to a minimum 5-year affordability period after issuance of a certificate of occupancy, unless project funding requirements are longer.

This revision changes the total unit count from 152 to 156 and changes the unit breakdown as follows: From 11% of the units (14 units) serving households at or below 30% MFI to 9% of the units (14 Units); from 36% of the units (55 units) serving households at or below 50% MFI to 36% of the units (56 units); from 44% of the units (67 units) serving households at or below 60% MFI to 45% of the units (70 units); and the remaining 16 units at market rate remains unchanged.

The applicant has submitted evidence that concerns of the neighborhood residents are being addressed therefore the project is eligible to receive fee waivers associated with the zoning application.

NHCD certifies the proposed project meets the S.M.A.R.T. Housing requirements at the pre-submittal stage. Since 9% of the units (14 units) will serve households at or below 30% Median Family Income (MFI); 36% of the units (56 units) will serve households at or below 50% MFI; 45% of the units (70 units) will serve households at or below 60% MFI and the remaining 16 units are at market rate, the development will be eligible for 100% waiver of fees listed in Land Development Code, Chapter 25-1-704, as amended or other fees waived under a separate ordinance except for Austin Water Utility (AWU) Capital Recovery Fees. This development is not 100% in accordance with the requirements under the Texas Local Government Code, Chapter 395.16(g) and 42 U.S.C. Section 12745 (A)(1) as it relates to how housing qualifies as affordable housing and therefore the 16 market rate units are not eligible to receive AWU Capital Recovery Fee (CRF) waivers under the S.M.A.R.T. Housing Ordinance all other fees are still eligible to be waived. The expected fee waivers include, but are not limited to, the following fees:

AWU Capital Recovery Fees  
Building Permit  
Concrete Permit  
Electrical Permit  
Mechanical Permit  
Plumbing Permit

Site Plan Review  
Misc. Site Plan Fee  
Construction Inspection  
Subdivision Plan Review  
Misc. Subdivision Fee  
Zoning Verification

Land Status Determination  
Building Plan Review  
Parkland Dedication (*by separate ordinance*)

**Prior to issuance of building permits and starting construction, the developer must:**

- ◆ Obtain a signed Conditional Approval from the Austin Energy Green Building Program stating that the plans and specifications for the proposed development meet the criteria for a Green Building Rating. (Contact Austin Energy Green Building: 512-482-5300 or [greenbuilding@austinenergy.com](mailto:greenbuilding@austinenergy.com)).
- ◆ Submit plans demonstrating compliance with the required accessibility and adaptability standards.

**Before a Certificate of Occupancy will be granted, the development must:**

- ◆ Pass a final inspection and obtain a signed Final Approval from the Green Building Program. (Separate from any other inspections required by the City of Austin or Austin Energy).
- ◆ Pass a final inspection to certify that the required accessibility and adaptability standards have been met.
- ◆ An administrative hold may be placed on the building permit, until the following items have been completed: 1) the number of affordable units have been finalized and evidenced through a sealed letter from project architect and/or engineer, 2) a Restrictive Covenant stating the affordability requirements and terms has been filed for record at the Travis County Clerk Office.

The applicant must demonstrate compliance with the reasonably-priced standard after the completion of the units or repay the City of Austin in full the fees waived for this S.M.A.R.T. Housing certification.

Please contact me by phone 512.974.3128 or by email at [Sandra.harkins@austintexas.gov](mailto:Sandra.harkins@austintexas.gov) if you need additional information.

Sincerely,

Sandra Harkins, Project Coordinator  
Neighborhood Housing and Community Development
