

PREK ENROLLMENT

Laura Koenig

Senior Director of Community
Solutions, E3 Alliance

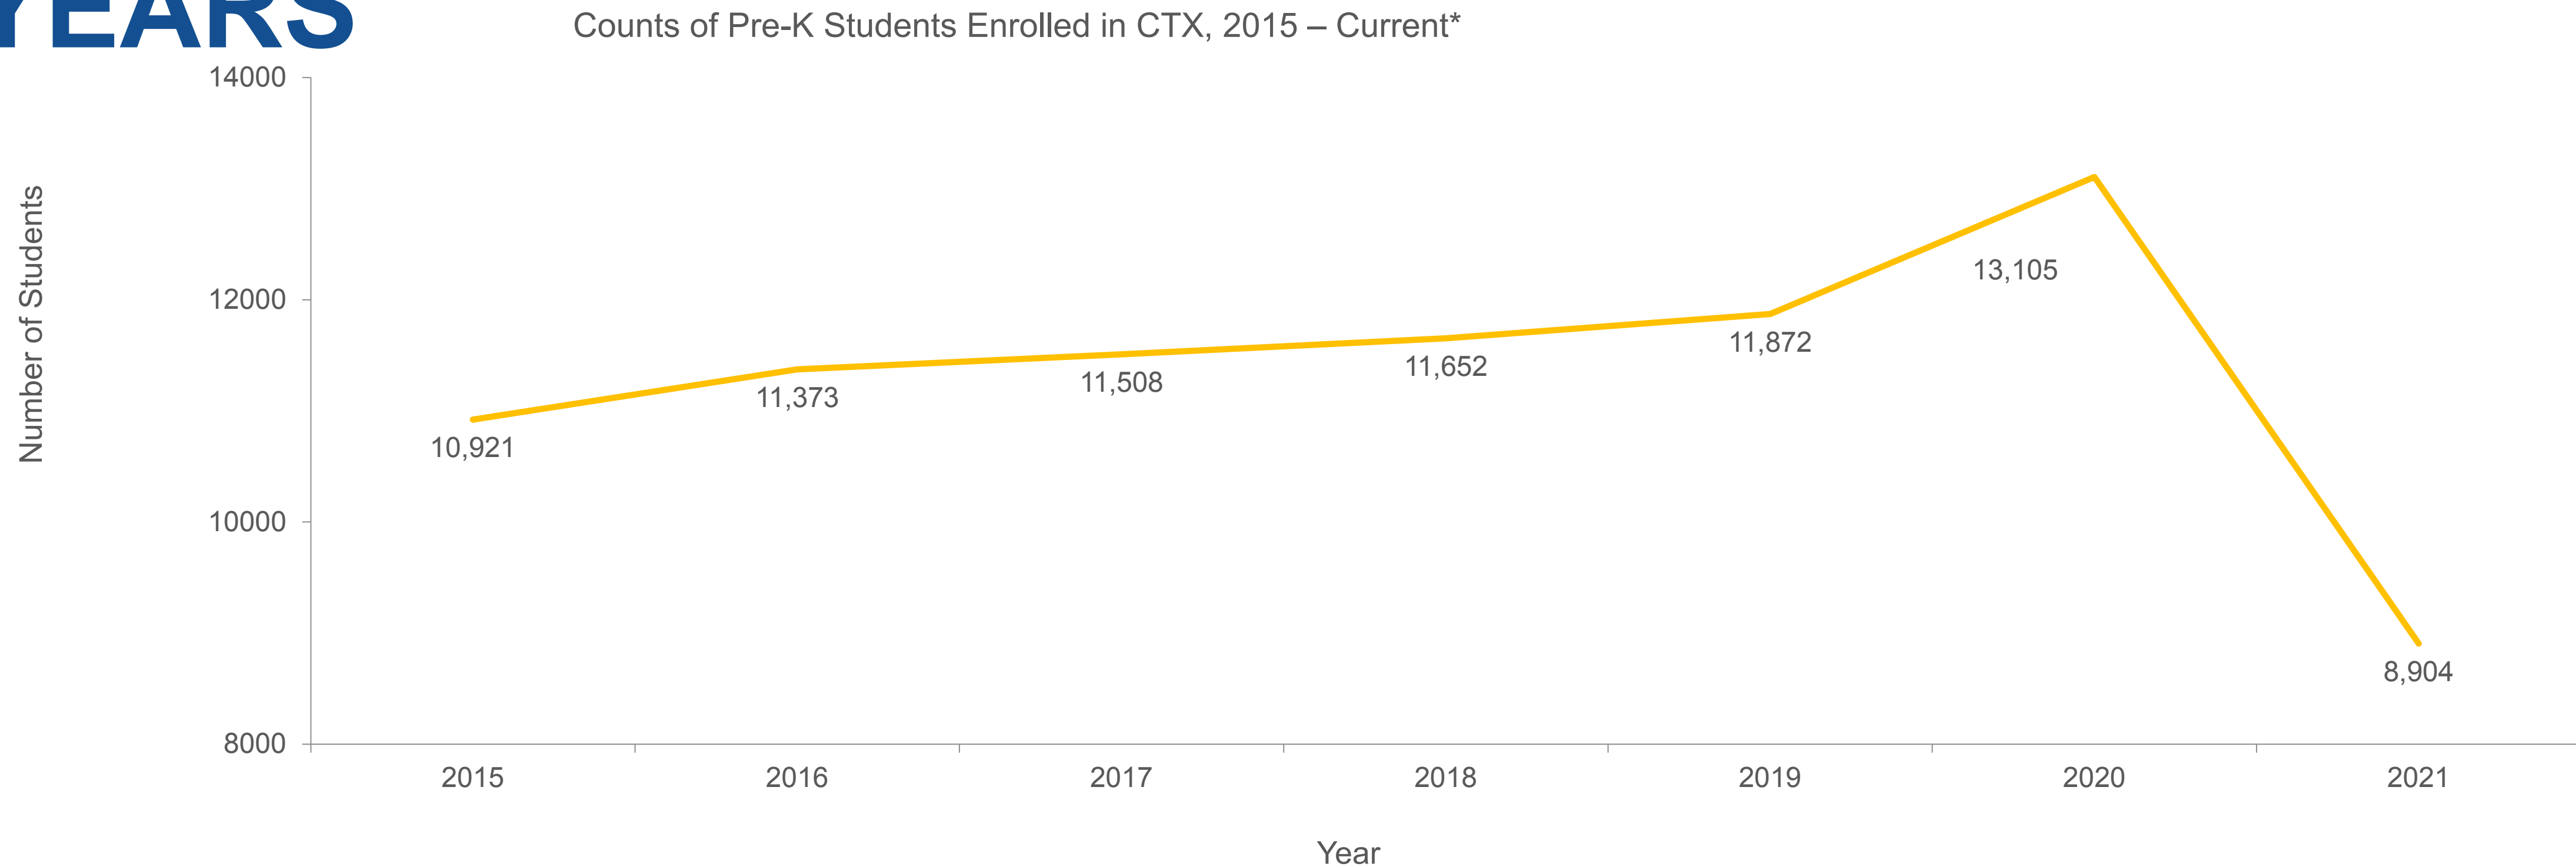

ELIGIBLE KINDERGARTNERS WITH PUBLIC PRE-K NEARLY 3X LIKELY TO BE SCHOOL READY

Odds that Eligible Children Who Attended Public Pre-K are Kindergarten Ready
Central Texas, 2013-14 to 2018-19

PRE-K ENROLLMENT IN CENTRAL TEXAS SIGNIFICANTLY LOWER THAN PREVIOUS 5 YEARS

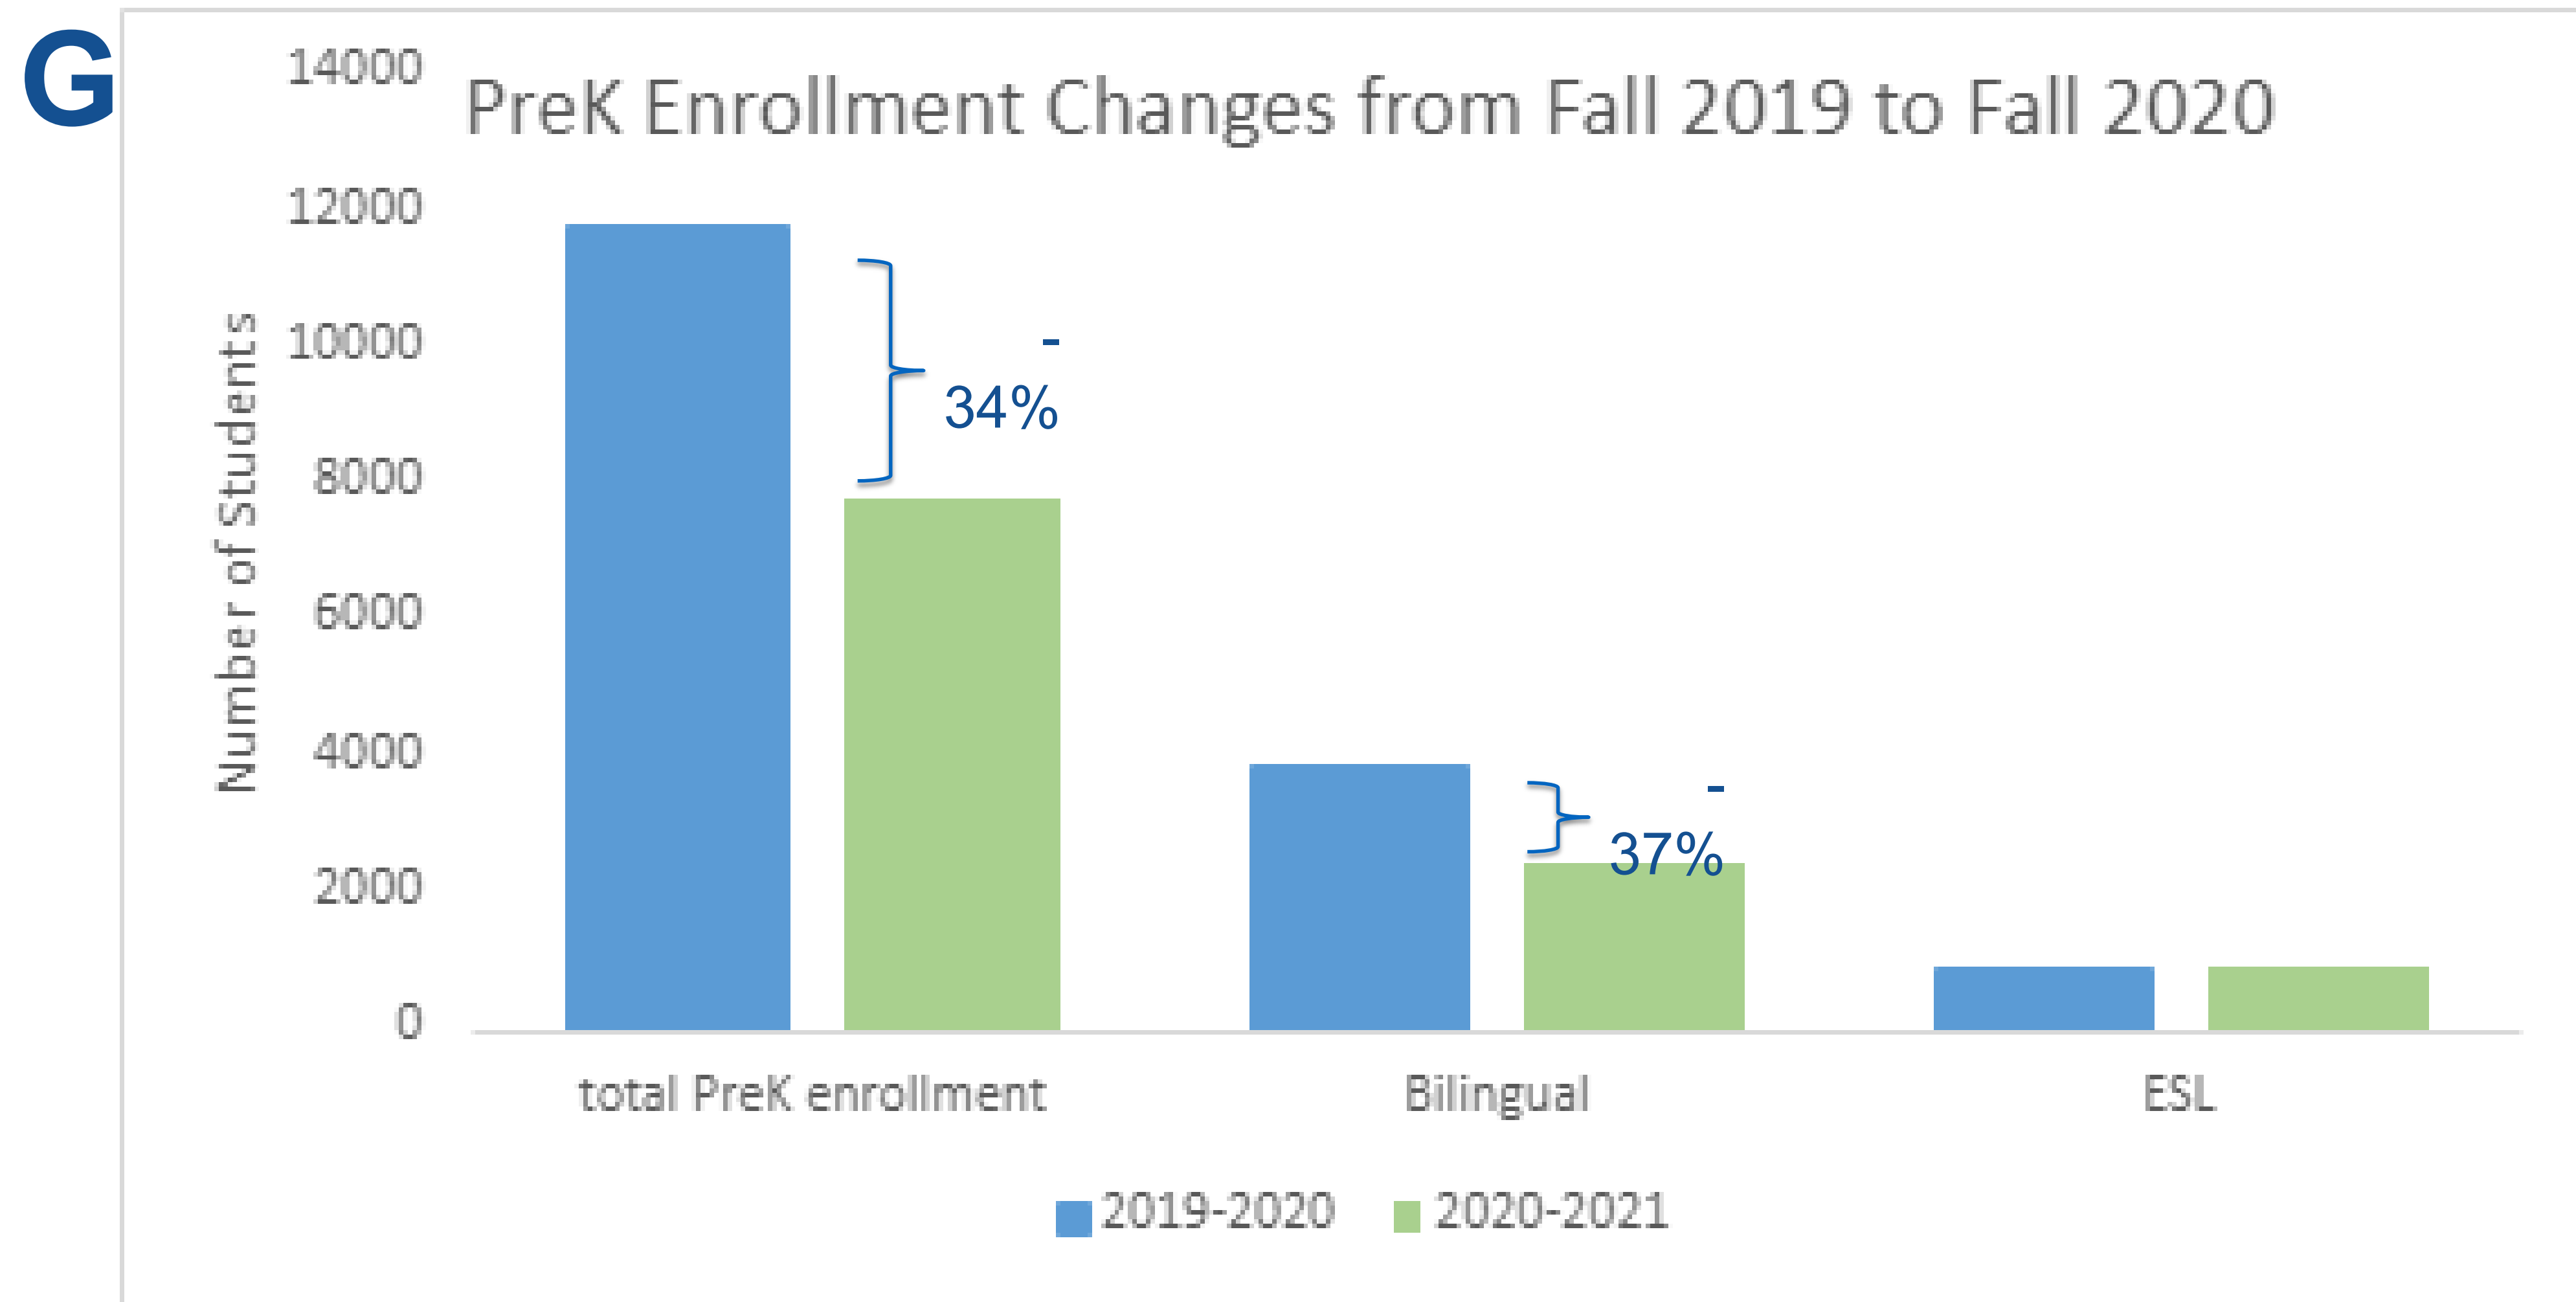

Source: E3 Alliance analysis of snapshot enrollment data at the UT Austin ERC and current data collected directly from districts

*Districts were included if current (2020-2021) enrollment data was available

**Districts included in CTX aggregation: Austin, Del Valle, Lake Travis, Leander, Lockhart, Manor, Pflugerville, Hutto, Round Rock, San Marcos, Taylor, and Wayside ISD

PREK ENROLLMENT DOWN ACROSS

Source: E3 Alliance analysis of snapshot enrollment data at the UT Austin ERC and current data collected directly from districts

*Districts were included if current (2020-2021) enrollment data was available

**Districts included in CTX aggregation: Austin, Del Valle, Leander, Lockhart, Manor, Hutto, Round Rock, San Marcos, Taylor, and Wayside ISD

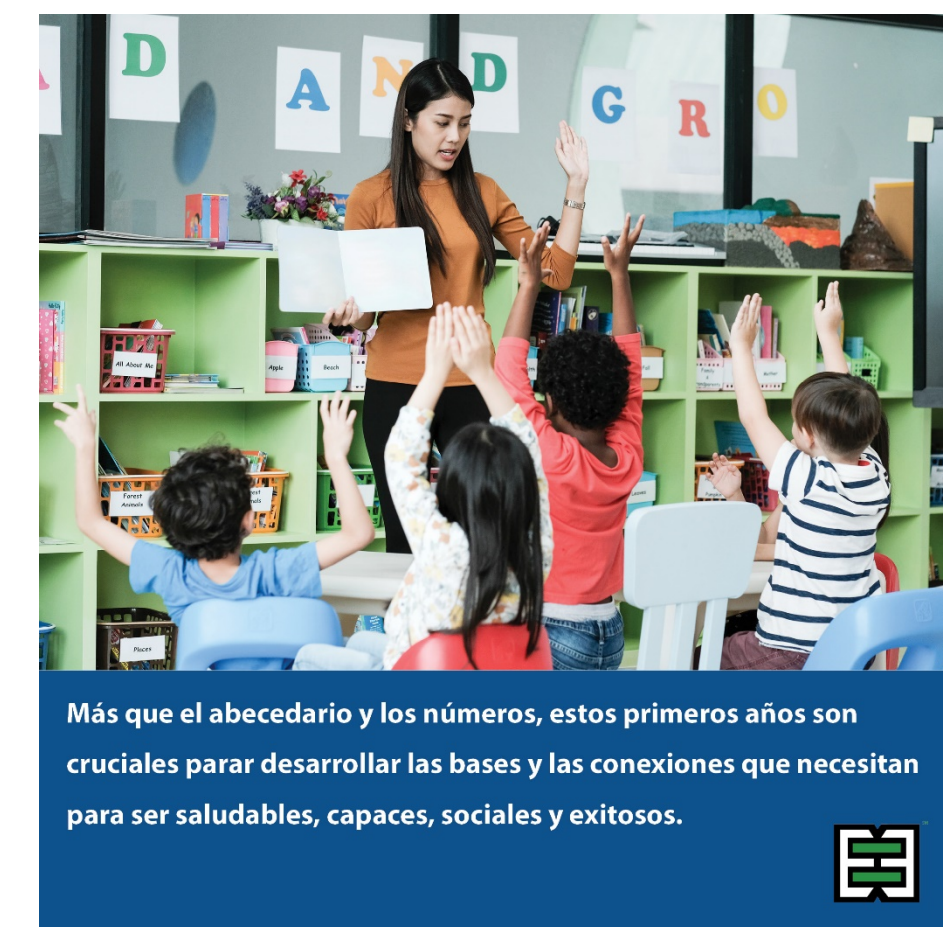

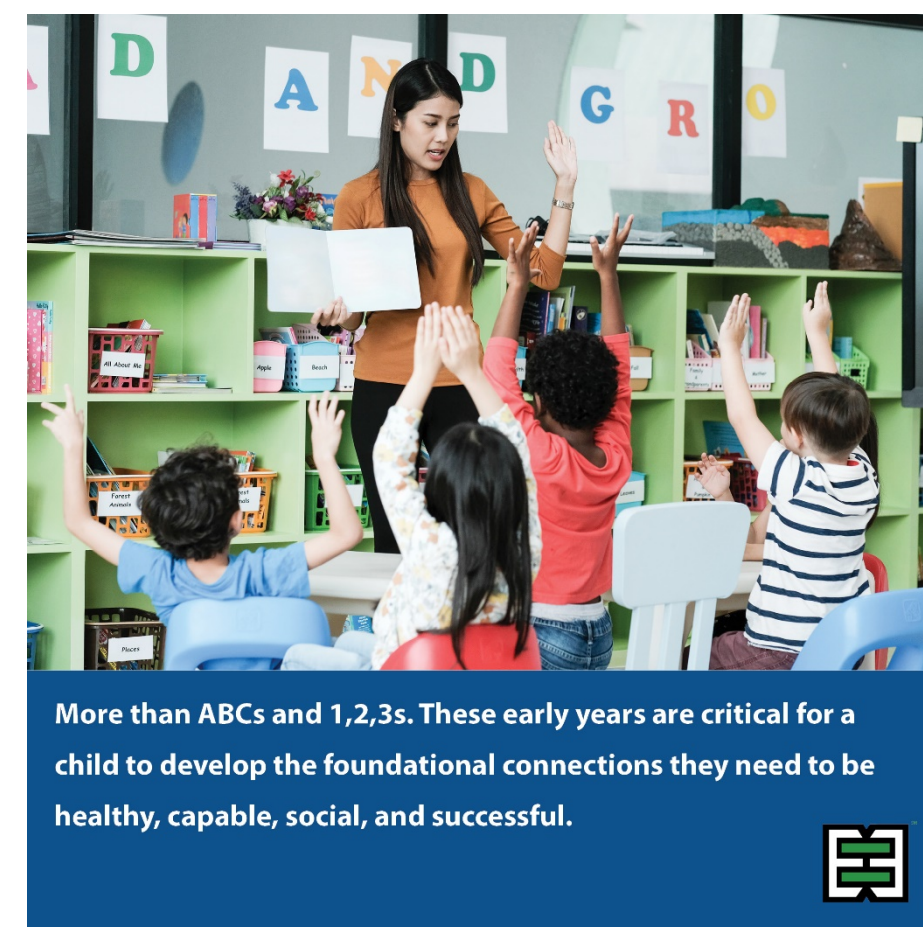

CENTRAL TEXAS FALL PRE-K ENROLLMENT

In Travis County Roughly 35% of our pre-K students are not enrolled compared to last year \approx 3000 students

- 70% of which are LatinX
- 40% of which are English Learners
- 90% are from low-income households
