HEALTH AUTHORITY RULES

August 16, 2021

1. Expectations and Definitions.

1.1. Community Expectations

- 1.1.1. An individual who is not fully vaccinated will continue to wear face coverings, keep at least three feet of physical distance from other individuals, and avoid crowds and poorly ventilated spaces.
- 1.1.2. An individual who is fully vaccinated will continue to wear face coverings and, to the extent feasible, keep at least three feet of physical distance from other individuals when the risk of transmission to those who are not fully vaccinated is significant.
- 1.1.3. A person in control of a site is encouraged to support and provide incentives for workers and patrons to obtain the vaccine to reduce the risk to those who are unable to receive the vaccine, including children under the age of 12.
- 1.1.4. Nothing in these rules prevents a person in control of a site from requiring additional precautions to prevent the spread of COVID-19.

1.2. Definitions.

- A. AUSTIN PUBLIC HEALTH'S RISK-BASED CHART means the chart attached as Exhibit 1 to this rule.
- B. FACE COVERING means a form of covering that fits snugly over their nose and mouth, such as a commercially made or homemade fabric mask, scarf, bandana.
- C. SCHOOL means all public schools, including public charter schools and public colleges, in the City of Austin.

2. Face Covering Applicable to School.

- 2.1. Students, staff, and visitors over the age of two are required to wear a face covering while on school property or school buses during Stages 3, 4, and 5 as set forth in Austin Public Health's Risk-Based Chart.
- 2.2. A principal, the responsible staff member, or administrator of the students may determine when it is not appropriate to require students, staff, and visitors to wear a face covering.
- 2.3. Compliance with this Order is reliant on self-regulation and a community commitment to public health and safety under the threat of COVID-19.
