

**PROTEST OF PROPOSED REZONING OF
3703 MEADOWBANK DRIVE
FROM SF-3-NP**

I hereby protest any rezoning of the referenced property to any category other than the current SF-3-NP designation. Because of the strong negative racial overtones associated with the building's current plantation style façade, we wish to modify the appearance of the building to an architectural style that is more widely accepted by all of Austin's citizens.

Sincerely,

Will Hardeman, Owner
