Subject: Approval of Paggi House project

*** External Email - Exercise Caution ***

Hello Amber,

The Bridges on the Park HOA has a restrictive covenant in place with the developer of the Loren Hotel and the owner of the Paggi House (our property is adjacent to the Paggi House).

Per the terms of the restrictive covenant, our Board of Directors has approved the proposed redesign of the Paggi House roof and outbuildings.

We would be happy to see this project move forward and we are in favor of the Historic Landmark Commission approving it too.

The concerns Historic Case Number C14H-1974-0006 and Review Case Number HR 21-100814

Thanks very much,

Hoppy Goddin
President, Bridges on the Park HOA
