## E. 12<sup>th</sup> St. Petition Summary

**12-A Petition Language:** We, the undersigned owners of real property located in District #1 and affected by the proposed East 12th Street Neighborhood Conservation Combining District ("NCCD") amendment, Zoning Case Number CI4-2021-0037, do hereby protest against any change in the existing NCCD development regulations, including, but not limited to, the proposed changes recommended by the Planning Commission on June 22, 2021 (Items B. 12-14) that will lower the maximum heights, reduce the allowed F.A.R. and restrict uses within the 12th Street NCCD. This petition is circulated pursuant to the zoning protest procedure in Section 25-2-284, and any other applicable section of the City of Austin Land Development Code. We oppose the proposed amendment as recommended by the Planning Commission. The attachment map lists the individual property information.

**12-B Petition Language:** I, Suraj Demla am the person authorized by the DBG AUSTIN VENTURE LLC to sign this petition protesting the proposed change in zoning that would make a Hotel/Motel Use a conditional use. My family's ability to make significant improvements or redevelop the existing motel, located at 900 E 12 ST AUSTIN TX78702 would be adversely affected by the zoning change. I respectfully request that City Council increase the allowable height for this site to 150. Due to my residence in Plano Texas and the ongoing pandemic I was unable to participate in discussions regarding this property.
