The City may request and review financial information as the City requires to determine the credit worthiness of the Contractor, including but not limited to, annual reports, audited financial Statements and reports, bank letters of credit or other credit instruments. Failure of the Contractor to comply with this requirement shall be grounds for terminating the Contract.

1.8 RIGHT TO ASSURANCE:

Whenever one party to the Contract in good faith has reason to question the other party's intent to perform, demand may be made to the other party for written assurance of the intent to perform. If no assurance is given within the time specified after demand is made, the demanding party may treat this failure as an anticipatory repudiation of the Contract.

1.9 STOP WORK NOTICE:

The City may issue an immediate Stop Work Notice in the event the Contractor is observed performing in a manner that is in violation of Federal, State, or local guidelines, or in a manner that is determined by the City to be unsafe to either life or property. Upon notification, the Contractor will cease all work until notified by the City that the violation or unsafe condition has been corrected. The Contractor shall be liable for all costs incurred by the City as a result of the issuance of such Stop Work Notice.

1.11 TERMINATION FOR CAUSE:

In the event of a default by either party, the non-defaulting party shall have the right to terminate the Contract for cause, by written notice effective ten 10 calendar days, unless otherwise specified, after the date of such notice, unless the defaulting party, within such 10 day period, cures such default, or provides evidence sufficient to prove to the non-defaulting party's reasonable satisfaction that such default does not, in fact, exist. Additionally, the City shall have the right to act in accordance with the terms defined by "City of Austin Purchasing Office Probation, Suspension and Debarment Rules for Vendors." In addition to any other remedy available under law or in equity, either party shall be entitled to recover all actual damages, costs, losses and expenses, incurred by the party as a result of the Contractor's default, including, without limitation, cost of cover, court costs, and prejudgment and post-judgment interest at the maximum lawful rate. All rights and remedies under the Contract are cumulative and not exclusive of any other right or remedy provided by law.

1.12 ATTORNEY'S FEES:

In consideration of the award and execution of this Contract and in consideration of the City's waiver of its right to attorney's fees, the Contractor knowingly and intentionally waives its right to attorney's fees under §271.153, Texas Local Government Code, in any administrative proceeding, alternative dispute resolution proceeding, or litigation arising out of or connected to this Contract.

1.13 TERMINATION WITHOUT CAUSE:

The City shall have the right to terminate the Contract, in whole or in part, without cause any time upon 30 calendar days' prior written notice. Upon receipt of a notice of termination, the Contractor shall promptly cease all further work pursuant to the Contract, with such exceptions, if any, specified in the notice of termination. The Contractor must assert its right to an adjustment within 30 calendar days from the date of receipt of the notice of delay. Failure to agree on any adjusted price shall be handled under the Dispute Resolution Clause. However, nothing in this provision shall excuse the Contractor from delaying the delivery as notified.

Subject to this provision, such non-performance shall not be deemed a default or a ground for termination. However, the City may terminate an order under the Contract if it is determined by the City that the Contractor will not be able to deliver goods or services in a timely manner to meet the business needs of the City.

1.24 PROHIBITION AGAINST PERSONAL INTEREST IN CONTRACTS:

No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any Solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that Solicitation. **CITY OF AUSTIN
TERMS AND CONDITIONS**

1.28 MODIFICATIONS:

The Contract can be modified or amended only in writing and signed by both parties. No pre-printed or similar terms on any Contractor Invoice, Order, clickwrap agreement or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

1.30 DISPUTE RESOLUTION:

- A. If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this Section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within 14 calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.
- B. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within 30 calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to consider qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a Contract interpretation expert. If the parties fail to agree on a mediator within 30 calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center. The parties agree to participate in mediation in good faith for up to 30 calendar days from the date of the first mediation session. The Austin Human Society is a longtime partner of the City's Animal Services Office. They assist if emergency response during natural disasters. They have been a partner with this particular service since 2016.

- Will this procurement be component of a larger service or phases of service? No
- Is the vendor a City of Austin local vendor? Yes
- Does the vendor hold an M/WBE certification with the City, a HUB certification with the State of Texas, or any other minority or women owned certifications? No.
- What qualifications, certifications, or specialized training does the vendor have?
The vendor has veterinarians to provide the surgeries and veterinary technicians to review the animals, pre and post-surgery.
- What is the impact if a contract is not secured with this particular vendor (loss of project timeline, loss of funding etc.)?
If the City is unable to secure this contract, the feral cat population will increase, contributing to overpopulation and higher shelter costs. This could also lead to a higher rate of common cat diseases such as panleukopenia, feline leukemia, zoonotic diseases such as ringworm and rabies in the shelter and in the community also affecting owned pet cats and residents.

- What other vendors can provide these services and why are they not the best fit for the contract?

There are no other known service providers that are as well versed and experienced as AHS in community cat operations of spay/neuter procedures and ultimate release of the cat back into the community.

The contract will provide sterilization and wellness services to community cats as mandated by the Council adoption of the No Kill Implementation Plan. The Austin Humane Society (AHS) is currently the only experienced organization providing these services at the volume the City's program requires. Their medical clinic can accommodate a high volume of approximately 60 cat surgeries per day. Private veterinarian clinics do not have the capacity or feral cat handling experience required for this program.

AHS has been operating as the feral cat sterilization clinic in Austin since 2007 and has provided services to more than 50,000 cats. Their clinic staff are specifically trained to handle feral cats with humane care.

This program partnership's success has earned a national reputation. Workshops have been presented at animal welfare conferences to educate other communities on beginning a similar program to meet their cat overpopulation issues.

The department has not had a contract for these services in the past and instead has issued spot-purchases to pay for these services. There is now a need for a contract, as the services are expanded to now include cats brought into the shelter by citizens for shelter and sterilization.

If the City is unable to secure this contract, the feral cat population will increase, contributing to overpopulation and higher shelter costs. This could also lead to a higher rate of common cat diseases such as panleukopenia, feline leukemia, zoonotic diseases such as ringworm and rabies in the shelter and in the community also affecting owned pet cats and residents.

Dear City of Austin Official:

Please accept this letter as verification that the Austin Humane Society is the sole provider in Travis County of high volume cat sterilization surgery. AHS performs an average of 60 cat surgeries per surgery day, which requires efficiencies reached through advanced training and years of experience.

Since 2007 the Austin Humane Society has spayed and neutered over 70,000 free roaming cats that would otherwise produce thousands of homeless kittens requiring care at our area shelters. AHS continues to focus on spay/neuter for cats in areas of Austin that contribute the most to intake of kittens at Austin Animal Center and partners closely with volunteer cat trappers and Austin Animal Center staff to prioritize efforts to reduce intake of cats to the city's shelters.

The Austin Humane Society is proud to offer this service to the Austin area, and we are grateful for your support of these lifesaving programs.

Sincerely,

Katie Broaddus, DVM
