6.1 Basis of Competition. The City may compare bids based on the prices for individual line items, the prices for categories of line items or the aggregate price bid. The City will choose the basis of competition that best meets the City's needs for the resulting contracts.

6.2 Price Evaluation. Once the City determines the basis of competition, the City will sort the bids from low to high price.

6.3 Responsiveness Evaluation. Once the low bid is identified, the City will evaluate the bid for responsiveness with all Solicitation requirements. A bid is responsive if it complies with all Solicitation Instructions, scope and specifications. If a bid is found to be nonresponsive, the City will set it aside and proceed with evaluating the next lowest bid for responsiveness.

6.4 Responsibility Evaluation. Once the low responsive bid is identified, the City will evaluate the Offeror submitting the low responsive bid for their responsibility. An Offeror is responsible if they have the financial and practical ability, resources, expertise, past performance and positive compliance history with all City ordinances. If an Offeror is found to be non-responsible, the City will set their bid aside and proceed with evaluating the responsibility of the Offeror submitting the next low and responsive bid.

6.5 Minor Informalities. In conducting evaluations, the City may waive as an informality, any minor deviations in the Solicitation's contents or in the Offers received, in procedure or in specifications, provided such deviations do not affect the Solicitation's competition.

6.6 Local Business Presence. A firm (Offeror or Subcontractor) is considered to have a Local Business Presence if the firm is headquartered in the Austin Corporate City Limits, or has a branch office located in the Austin Corporate City Limits in operation for the last five (5) years, currently employs residents of the City of Austin, Texas, and will

use employees that reside in the City of Austin, Texas, to support this Contract. The City defines headquarters as the administrative center where most of the important functions and full responsibility for managing and coordinating the business activities of the firm are located. The City defines branch office as a smaller, remotely located office that is separate from a firm's headquarters that offers the services requested and required under this solicitation.

7 CONTRACT AWARD AND EXECUTION

- 7.1 Award Determination.** The City will award the contract to the responsible Offeror submitting the low responsive bid. If the City receives a Bid from an offeror who has Local Business Presences and whose bid is within three percent of the lowest bid price received from an offeror who does not have Local Business Presence, the City may enter into a contract with the local vendor.
- 7.2 Multiple Awards.** If the City determines that multiple contracts are needed, the City will award one or more additional contracts to the responsible Offerors submitting the next lowest responsive bids.
- 7.3 Contract Execution.** Contracts within the City Manager's authority will be awarded and executed simultaneously. Contracts above the City Manager's authority will be executed following their authorization by the Austin City Council.

8 ADMINISTRATIVE MATTERS

- 8.1 Solicitation File.** All documents included in this Solicitation, and all timely received Offers in response to this Solicitation, except for Offer contents deemed by Offerors to be proprietary and confidential, will be available for public inspections upon the publication of the City's recommendation of award. The recommendation of award will be posted in Austin Finance Online.
- 8.2 Debriefings.** Offerors may request a debriefing meeting to ask any questions concerning the Solicitation's contents, process or the evaluation of their Offer. Debriefing meetings are informal exchanges and may be requested anytime following the earlier of (i) after the contract resulting from this Solicitation is executed, or in the case of multiple awards, the last contract is executed; (ii) the date the Solicitation is cancelled. Debriefings are not public called meetings in accordance with the Texas Open Meetings Act and are usually limited to a single Offeror and any of their representatives. Only information regarding the Solicitation documents and the Offeror's Offer in response to the Solicitation will be discussed.
- 8.3 Reservations.** The City reserves the right to: (i) specify approximate quantities in the Solicitation; (ii) extend the Solicitation due date and time; (iii) add additional terms or modify existing terms in the Solicitation; (iv) reject an Offer containing exceptions, additions, qualifications or conditions not called for in the Solicitation; (v) reject an Offer received from an Offeror who is currently debarred or suspended by the City, State, or Federal Government; (vi) reject an Offer that contains fraudulent information; (vii) reject an Offer that has material omissions; (viii) reject any or all Offers; (ix) procure any goods or services included in this Solicitation by other means; (x) consider and accept alternate Offers, if specified in the Solicitation, when most advantageous to the City; (xi) reject an Offer if prices in the Offer are unbalanced (some prices are significantly high and other prices are significantly low) and/or (xii) waive any minor informality in any Offer or procedure so long as the deviation does not affect the competitiveness of the Solicitation process.
- 8.4 Protests.** The Purchasing Officer has the authority to settle or resolve any claim of an alleged deficiency or protest. The procedures for notifying the City of Austin of an alleged deficiency or filing a protest are listed below. If you fail to comply with any of these requirements, the Purchasing Officer may dismiss your complaint or protest.
- 8.4.1** Protest regarding the Solicitation (Pre-Bid Protest). Any protest regarding the Solicitation by the City shall be filed no later than five (5) days before the opening of Bids. Any protest filed after that date which raises issues regarding the Solicitation will not be considered.
- 8.4.2** Protests regarding the evaluation of Bids. Any protest regarding the evaluation of Bids by the City shall be filed with the City no later than five (5) days after the opening of Bids, or notification that the

protestor's status as a Offeror has changed, such as notification that a Bid has been rejected. Any protest filed after such date which raises issues regarding the evaluation will not be considered.

- 8.4.3** Protest Regarding Award of Contract (Post-Award Protest). Any protest regarding the award of the contract shall be filed no later than ten (10) days after the date of award. Any protest regarding the award of the contract filed after such date will not be considered.
- 8.4.4** You shall submit your protest in writing and it shall include the following information: (i) your name, address, telephone, and email address; (ii) the Solicitation number; (iii) the specific facts and/or law upon which the protest of the Solicitation or the award is based, including all pertinent documents and evidence thereto; and (iv) the form of relief requested.
- 8.4.5** Your protest shall be concise and presented logically and factually to help with the City's review.
- 8.4.6** When the City receives a timely written protest, the Purchasing Officer will determine whether the grounds for your protest are sufficient. If the Purchasing Officer decides that the grounds are sufficient, the Purchasing Office will schedule a protest hearing, usually within five (5) working days. If the Purchasing Officer determines that your grounds are insufficient, the City will notify you of that decision in writing.
- 8.4.7** The protest hearing is informal and is not subject to the Open Meetings Act. The purpose of the hearing is to give you a chance to present your case, it is not an adversarial proceeding. Those who may attend from the City are: representatives from the department that requested the purchase, the Department of Law, the Purchasing Office, and other appropriate City staff. You may bring a representative or anyone else that will present information to support the factual grounds for your protest with you to the hearing.
- 8.4.8** A decision will usually be made within fifteen (15) calendar days after the hearing.
- 8.4.9** The City will send you a copy of the hearing decision after the appropriate City staff has reviewed the decision.
- 8.4.10** When a protest is filed, the City usually will not make an award until a decision on the protest is made. However, the City will not delay an award if the City Manager or the Purchasing Officer determines that the City urgently requires the supplies or Services to be purchased, or failure to make an award promptly will unduly delay delivery or performance. In those instances, the City will notify you and make every effort to resolve your protest before the award.

1.27 INDEPENDENT CONTRACTOR:

The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent Contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.

1.29 WAIVER:

The claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

1.30 MODIFICATIONS:

The Contract can be modified or amended only in writing and signed by both parties. No pre-printed or similar terms on any Contractor Invoice, Order, clickwrap agreement or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

1.31 INTERPRETATION:

The Contract is intended by the parties as a final, complete and exclusive Statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

1.32 DISPUTE RESOLUTION:

A. If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this Section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within 14 calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within 30 calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a

written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

- B. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within 30 calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to consider qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a Contract interpretation expert. If the parties fail to agree on a mediator within 30 calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center. The parties agree to participate in mediation in good faith for up to 30 calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

1.33 JURISDICTION AND VENUE:

The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another State or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

1.34 INVALIDITY:

The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this Section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

Solicitation: IFB 1500 MMO1018

Addendum No: 2

Date of Addendum: June 22, 2020

This addendum is to incorporate the following changes to the above referenced solicitation:

1. Questions and Answers:

- (Q1) Our firm typically doesn't offer rental for these types of scales under one month because the cost of a shorter term isn't worth it. How should we quote our monthly rental rate on the Price Sheet?
- (A1) *The City is requesting only weekly and daily rental options at this time. If a firm is not able to provide pricing for weekly or daily rentals, Bidders may leave those line items blank or indicate "No Bid" where applicable.*
- (Q2) There isn't a space on the Price Sheet to quote overtime rates for weekends and holidays. How should we quote this overtime weekend rate on the Price Sheet?
- (A2) *The line items for Emergency Labor Rates (Price Sheet Line Item 2.6 and 2.7) shall be inclusive of any charges for weekend or holiday work performed. The Contractor may not charge overtime rates (weekend or holiday rates), as these rates shall be rolled into the bid price for Emergency Labor on the Price Sheet.*
- (Q3) Confirm that the rate listed for quarterly inspections and maintenance service should not include parts pricing. Invoices for these services will likely include parts, but where do we include this on the Price Sheet?
- (A3) *Pricing for inspections, maintenance and repair services should not include pricing for needed parts to complete the service. Parts will be paid by the City based on the Price Sheet's Category 3 and the percentage markup to materials costs offered to the City in line item 3.1.*
