

AUSTIN PUBLIC LIBRARY

Presentation Prepared by:
Hannah Terrell, Division Manager
of Branch Services

Zero Waste Goal

Austin, Texas

Zero Waste is an ambitious goal to divert 90% of waste from landfills and incinerators by 2040 using a "whole system" approach to evaluate and manage the flow of resources and waste created by our communities... By approving the Zero Waste Strategic Plan, the City Council established three major benchmark goals for achieving Zero Waste:

- Reducing by 20 percent the per capita solid waste disposed to landfills by 2012,
- Diverting 75 percent of solid waste from landfills and incinerators by 2020, and
- Diverting 90 percent of solid waste from landfills and incinerators by 2040

The Recycled Reads Bookstore Services is to implement the City's Zero Waste initiative. This service repurposes, recycles or sells books that are discarded by the library or donated by residents.

This service accepts and sorts incoming donations, to shelving and organizing materials to upcycle for crafting.

Materials may also be sold to Goodwill Industries of Central Texas, Thriftbooks, or sent to Austin Resource Recovery to pulp.

1 6 . 4 2 5 TONS DONATED
TO GOODWILL

October 2021

1 3 . 2 8 TONS DONATED
TO GOODWILL
