- Theater will be renovated with new lighting system, repair of the fly system, additional safety lighting, additional multi-media capabilities in 2022-2024.

# Dougherty Arts Center

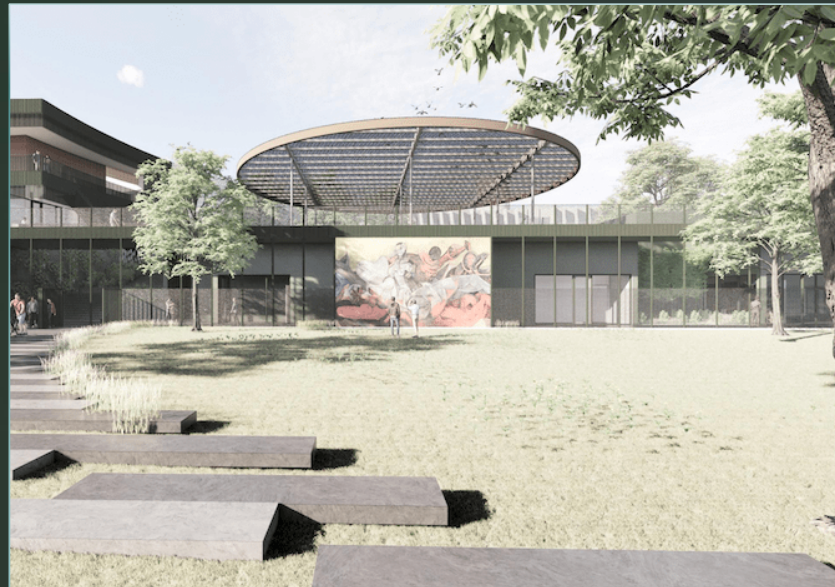

- Project is in design development phase.
- Enhanced features include: two theaters, two galleries, two ceramics studios, separate schools for children and adults, three event spaces, outdoor seating spaces, nature play area for children, residency space.
- Design will be reviewed by Design Commission 3/28/22 and in an online public meeting 4/5/22, 6pm
- Architects: Studio 8 , Overland Partners, RVi
- Slated to open 2025

# Emma S. Barrientos Mexican American Cultural Center

- Now entering design development phase.
- Will double the size of the ESB-MACC with three new buildings
- Enhanced facilities include new Black Box theater, two galleries, artist residency spaces, two separate schools for children and adults, teaching kitchen, space for a recording studio.
- Facility will close during construction 2023-2025 to continue programming at East side sites.
- Architects Miro/Rivera and Tatiana Bilbao

## Asian American Resource Center

- Early in the process of confirming the building program through community engagement with multiple language groups and stakeholder groups.
  - Trahan Architects engaged to design a space for the performing arts with a gallery and a multi-purpose room.
  - Adjacent to the existing building across the driveway to the north.
-
