Hi Elaine:

I've compressed three pdf files of photographs of our Apache Shores neighborhood to show the board members so they have a clear idea of the issues being addressed in regards to the lots in question at 2715 and 2717 Long Bow Trail.

The first file includes photographs of the actual lots at 2715/2717 Long Bow Trail. The owner made claims there were no oaks on the lots, just one dead oak. I counted at least twenty included in the photos, all healthy with images of the tops of the trees greening for springtime.

The next two files entitled Geronimo homes and Long Bow homes illustrate the home sizes in our neighborhood adjacent to the lots. These photographs include a majority of homes well under 2000 square feet.

Please let me know if these came through properly and if you need further documentation.
Thank you so much.

Hi there Elaine. I am writing to ask about the upcoming meeting mid-March. The issues regarding 2715/2717 Long Bow Trail Austin TX 78734 got postponed. Couple of things. Should we resend further comments to the board? And, also, after listening to the property owner's statements to the board about home sizes here in Apache Shores and also regarding the oaks on his two lots, I uploaded some photographs to share in albums on Google. I'm hoping to be able to send those links to you and the board so that they can have a realistic view of the neighborhood and actual home sizes. Also, in a separate album, I photographed at least 20 oaks and they are healthy trees, not dead as was claimed by the owner. I even photographed the tops leafing green for spring.

Thank you so much. I look forward to hearing back from you. Have a nice day.
