

MINUTES OF THE CITY COUNCIL

CITY OF AUSTIN, TEXAS

Regular Meeting

April 17, 1969  
10:00 A.M.

Council Chamber, City Hall

---

The meeting was called to order with Mayor Akin presiding.

Roll Call:

Present: Mayor Akin, Councilmen Janes, LaRue, Long  
Absent: Councilman Nichols

Present also: R. M. Tinstman, City Manager; Glenn Brown, City Attorney

Invocation was delivered by RABBI JUDAH L. FISH, Congregation Agudas Achim.

Mayor Akin announced that Council Nichols would be absent during a part of the meeting.

ORIENTAL GARDEN - ISAMU TANIGUCHI

Mayor Akin recognized MR. and MRS. ISAMU TANIGUCHI, their son ALAN TANIGUCHI, Department of Architect at the University of Texas, and MR. WARREN LEDDICK, Department of Recreation, stating at the dedication ceremonies of the Oriental Gardens he had read a special Resolution of appreciation for the Gardens created by Mr. Isamu Taniguchi, who wanted these Gardens to be a symbol of universal peace and beauty. The Mayor pointed out this extraordinary example of citizen contribution to the Municipality, and urged all the people to visit the gardens and view the work of this gifter person. MR. ALAN TANIGUCHI on behalf of his father, expressed gratitude for the attitude of the City in giving him an opportunity to express his ideas in this manner. Councilman Janes stated Austin was honored by Mr. Taniguchi's being here. Mrs. Taniguchi was recognized and welcomed. Councilman LaRue stated the citizens have been impressed and moved by this contribution. Councilman Long urged all to visit these gardens and note what one man had done for the enhancement and enjoyment of the people of Austin.

Councilman Janes offered the following resolution and moved its adoption:

(RESOLUTION)

WHEREAS, the constant and urgent demands of life in today's city, wherein time is measured to the cadence of machines tend to desensitize one

to the beauty and peacefulness of which may belong to any one willing to accept it; and,

WHEREAS, it is through the devoted and patient efforts of Isamu Taniguchi that the City of Austin has been endowed with an oriental garden which, while providing a place for contemplation and respite from the hectic activities of modern life, is a symbol of universal peace and beauty; Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That the gratitude of the people of the City of Austin be, and is, hereby officially expressed to Isamu Taniguchi for his contribution to this City of the oriental garden located in Zilker Park, and that said garden be, in his honor, named the "Isamu Taniguchi Oriental Garden."

The motion, seconded by Councilman Long, carried by the following vote:

POSITIONS OF DEPUTY POLICE CHIEF AND CHIEF  
PROSECUTING ATTORNEY

The City Manager said the Council had asked at the time of the adoption of the Budget, that the Administrative Staff review the general law enforcement program and report back as to steps that might be taken in order to improve law enforcement in the community. He, the Chief of Police, and other law enforcement jurisdictions, had collaborated on the matter and reported to the Council in December. After extended consideration the Council generally approved the recommendation subject to specific implementation. In this report it was recommended by the Chief of Police and three City Attorneys, that the position of Deputy Police Chief and Chief Prosecuting Attorney be established. In answer to Councilman Long's inquiry, the City Manager said the duties for the Deputy Chief of Police of Operations included responsibility of the Uniformed Patrol Division, Service Division, and Criminal Investigation. The existing Deputy Chief of Police would continue with the Administrative responsibility. This would be analagous to Division of Operating and Internal Administration as existing in the Fire Department. The advantage is the emphasis given to Police Operations and Police Services throughout the community under the Deputy Chief of Police who reports directly to the Chief of Police. This would minimize the operations people from becoming unduly involved in administration allowing the operating command to function more effectively, and also the reporting would be improved. Councilman LaRue believed this would result in better administration and reduce the number of people reporting to the Chief. The City Manager added this program would be good from the standpoint of personnel development. He reported that this falls under a classification under the Civil Service Statute, but it would be an additional position in this classification. Councilman Long asked about the Budget provision. The City Manager stated it may be necessary to amend the Budget, depending upon the remaining six months of this year and whether or not there will be payroll savings; however, it may not be necessary

for the Council to appropriate supplemental funds, and he would not recommend such at this time. Councilman Long asked how this would help the Legal Department. The City Manager said the two significant benefits that would be realized from the Chief Prosecuting Attorney in the Legal Department would be: (1) It would effect more effective prosecution of cases following the Police Department's action in handling the cases; and (2) by emphasizing the prosecution, this would be significant in deterring criminal activity and a moral support to the men in the Police Department. The Legal Department and the Courts are following up on their efforts. Councilman Long said she hoped that this Chief Prosecuting Attorney could help in preparing ordinances with participation of the various departments involved.

The City Attorney, MR. GLENN BROWN, stated this would provide stability and continuity in the handling of Corporation Court matters and other important matters. He emphasized the stability and continuity not only in the Police Department but for other Departments of the City that had enforcement powers. Councilman Janes asked on what level would the Chief Prosecuting Attorney be. The City Attorney stated he would be as a Division Chief, and responsible only to the City Attorney and would be in complete charge of the enforcement area. His rank would be slightly lower than the Associate City Attorney, but reporting to the City Attorney. Councilman Janes suggested a civil division and enforcement and let them both report to the City Attorney through the Associate City Attorney. After further discussion, Councilman Janes moved the Council endorse the recommendations contained in M & C #17-A. (Recommendation: It is recommended that the City Council approve and establish the positions of Deputy Chief of Operations and Chief Prosecuting Attorney. Supplemental appropriations may be necessary prior to the end of the fiscal year.) The motion, seconded by Councilman Long, carried by the following vote:

Ayes: Councilmen Janes, LaRue, Long, Mayor Akin  
Noes: None  
Absent: Councilman Nichols

#### TRAFFIC

##### Parking Meter Zone, Speed Zone, and Speed Limits

The Traffic Engineer reported the 30 minute parking meters were requested by Harrison, Wilson and Pearson due to long time parkers in this block on both sides, primarily due to the College in the area. The Traffic Department believed there was a need for shorter time limits of parking and they recommended 30 minutes zones. (300 block of West 6th Street - south side)

The "20" mile speed zone was requested by the Safety Committee at Simms Elementary School, and the Traffic Engineer concurred in their request. Councilman LaRue asked if it were not the normal procedure for the City to set the "20" MPH zones near the schools. The Traffic Engineer stated these speed zones were usually initiated by the City. (Vicinity of Simms School)

The establishment of speed limits on I.H. 35 and U.S. Highway 290 was due to a speed limit survey by the Highway Department. The Traffic Department had requested the setting of speed limits along the east and west service roads, and the State Highway Department came back with a recommendation of increasing the speed on the services roads from 35 to 60 with variations at several locations. He pointed out the locations on a strip map. In answer to Councilman

Long's inquiry, the Traffic Engineer stated it had been several years since a study of the speed zone had been made along the entire service roads.

Councilman LaRue offered the following resolution and moved its adoption:

(RESOLUTION)

WHEREAS, after an engineering and traffic investigation, the City Council has found that traffic conditions at the location and street below designated are such that an urgent need for enforcement of strict limits upon the time of parking of vehicles at this location upon this street makes it advisable to use mechanical devices in such enforcement, and has found that such location should be placed in the following Parking Meter Zone:

<u>ZONE</u>	<u>STREET</u>	<u>BLOCK</u>	<u>SIDE</u>

#### CONTRACTS AWARDED

The City Manager submitted the following:

"MESA OAKS, PHASE 5B - SANITARY SEWER APPROACH MAIN. Sealed bids were received until 11:00 A.M., Wednesday, April 9, 1969 at the Office of the Design Engineer Water and Waste Water Department, for the installation of approximately 2,556 feet of 10-inch concrete and cast iron sanitary sewer pipe. The purpose of this project is to provide additional sanitary sewer service for this subdivision.

"The following is a tabulation of bids received:

<u>FIRM</u>	<u>AMOUNT</u>	<u>WORKING DAYS</u>
J. R. Hughes Construction Corporation	\$31,545.00	45
J. C. Evans Construction Company, Inc.	42,158.30	90
Austin Engineering Company	42,777.00	120

<u>"FIRM"</u>	<u>AMOUNT</u>	<u>WORKING DAYS</u>
Bland Construction Company	\$69,426.40	120
Bill Tabor Construction Company	79,605.00	120
City of Austin (Estimate)	42,625.00	90

"It is recommended that the contract be awarded to the J. R. Hughes Construction Corporation on their low bid of \$31,545.00 with 45 working days.

"s/ Victor R. Schmidt, Jr.  
Director Water and Waste Water Department"

Councilman Long asked if the extension of this line to the new area was large enough to take care of the projected growth of the area. The Director of Water and Waste Water Utilities stated the main was large enough, and the growth had been taken into account. MR. IRWIN R. SALMANSON stated this was a very important item and may bear on future development. He asked what size apartment development in this area could this line serve.

MR. VIC SCHMIDT, Director of Water and Sewer Utilities, said this area is West of that in which Mr. Salmanson is interested. The City's primary concern is the truck main in Shoal Creek from Highway 183 to the river, and not the feeder lines, which are sufficiently large. Councilman LaRue pointed out that this is a matter of judgment of what future Councils will do taking into account the limitations of the sewer, streets, and everything else involved. Councilman Long stated the Councils would have to depend on the engineers and City Administration for consultation and advice. She expressed confidence in Mr. Schmidt as being very conscientious. Mr. Schmidt stated infiltration had affected the problem far more than density, and efforts were being made to cure the infiltration problems through construction. The City Manager reported their concern was the standards of construction, specifications and inspections on new lines, and it was hoped that the adverse effect of high infiltration during rain fall on new construction could be prevented; but it is the old lines that are most difficult and more costly.

Councilman Long asked about the new school to be constructed northeast of Manor Road, and noted Mr. Carrington had been permitted to put in a subdivision on reclaimed properties where the city knew at the time, were shifting and not even good enough to put in a street. Now he was trying to work out a plan whereby he would not have to build a street. The City Manager, at that time, agreed that they could put the street in and the subdivider would be responsible. She stated she hoped that the City would never allow something to be built on a piece of property that is shifting and eroding. Water mains in the area will have to be replaced, and the schools may have to abandon their sites. The City Manager reported that the developer had given a commitment to save the City any unusual cost; and if there is any expense in relocating the mains it will not be the City's. Councilman Long asked why these problems were allowed to develop. The City Manager stated it would be a basic question of telling someone they could not use their private property; or saying they could use it under certain conditions; or compensating the individual property owner for taking his property. Councilman Long stated the City installed an expensive main and allowed a street that they knew would not stand up. The City Manager stated there was some concern; but at that time they did not know it definitely would not stand up. Councilman Long said they knew so well that they made the developer say he would be responsible if it did not work out. Councilman Janes stated this indicated a certain amount of judgment on the City's part to recognize the

responsibility. This was a matter of judgment, and no one could forecast what would happen. Councilman LaRue stated the City protected itself to the extent there would be no burden to the City of Austin. As to the school site, he said he would not say the School's site would not be usable, as it appeared they would proceed. Councilman Long suggested that this sort of thing not happen in the future. Councilman LaRue noted this bid was considerably lower than the City's estimate.

Councilman LaRue offered the following resolution and moved its adoption:

(RESOLUTION)

WHEREAS, bids were received by the City of Austin on April 9, 1969, for the installation of approximately 2,556 feet of 10-inch concrete and cast iron sanitary sewer pipe in Mesa Oaks, Phase 5B; and,

WHEREAS, the bid of J. R. Hughes Construction Corporation in the sum of \$31,545.00, was the lowest and best bid therefor and the acceptance of such bid has been recommended by the Director of Water and Waste Water Department of the City of Austin and by the City Manager; Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That the bid of J. R. Hughes Construction Corporation, in the sum of \$31,545.00, be and the same is hereby accepted, and that R. M. Tinstman, City Manager of the City of Austin, be and he is hereby authorized to execute a contract on behalf of the City, with J. R. Hughes Construction Corporation.

The City Manager submitted the following:

"Bids were opened for construction of four buildings at the TOWNVIEW SERVICE CENTER for the Street and Bridge Division on April 15, 1969 at 10:00 a.m. at the Construction Engineering Office. Tabulation is attached hereto.

"Our latest estimate was \$255,000.00.

"These facilities will be used as office space, equipment service, equipment storage, and employee locker space. Details of these buildings are as follows:

"Unit "A" - Masonry Office Building	2,600 sq. ft.
Unit "B" - Metal Building for Equipment Service	13,600 sq. ft.
Unit "C" - Metal Building for Equipment Storage and Locker Rooms	9,000 sq. ft.
Unit "D" - Metal Shelter for Equipment Storage	<u>7,000 sq. ft.</u>
Total Area	32,200 sq. ft.

"We join with Mr. Rountree in recommending the award of the contract to the lowest bidder as follows:

"Units "A", "B", "C", and "D" Joe Badgett Construction Co. Inc. \$242,922.00"

The City Manager stated this was part of a two year Phase Plan for re-locating some of the City's service yard facilities. Councilman Long asked when the place on the river would be removed. The Director of Public Works reported this probably would be removed by the end of the next fiscal year. The City Manager stated it would be subject to next year's budget; and if there are enough funds, construction could be completed, and the facilities moved. Councilman LaRue noted this bid was considerably lower than the City's estimate.

Councilman LaRue offered the following resolution and moved its adoption:

(RESOLUTION)

WHEREAS, bids were received by the City of Austin on April 15, 1969, for the construction of four buildings at the Townview Service Center for the Street and Bridge Division; and,

WHEREAS, the bid of Joe Badgett Construction Company, in the sum of \$242,922.00, was the lowest and best bid therefor and the acceptance of such bid has been recommended by the Construction Engineer of the City of Austin and by the City Manager; Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That the bid of Joe Badgett Construction Company, in the sum of \$242,922.00, be and the same is hereby accepted, and that R. M. Tinstman, City Manager of the City of Austin, be and he is hereby authorized to execute a contract on behalf of the City, with Joe Badgett Construction Company.

ACCEPTANCE OF PAVING OF MANOR ROAD  
AND OTHER STREETS

Mayor Akin brought up the following ordinance for its second reading:

AN ORDINANCE RECEIVING AND ACCEPTING THE WORK OF IMPROVING PORTIONS OF MANOR ROAD AND SUNDRY OTHER STREETS, IN THE CITY OF AUSTIN, TEXAS, WITHIN THE LIMITS HEREBELOW DEFINED, PERFORMED BY AUSTIN PAVING COMPANY, AUTHORIZING AND DIRECTING THE ISSUANCE OF SPECIAL ASSESSMENT CERTIFICATES IN CONNECTION THEREWITH; DECLARING AN EMERGENCY, AND PROVIDING THAT THIS ORDINANCE SHALL BECOME EFFECTIVE IMMEDIATELY UPON ITS PASSAGE.

(Manor Road, Neches Street, Oak Springs Drive, Springdale Road and East 9th Street)

The ordinance was read the second time and Councilman Long moved that the rule be suspended and the ordinance passed to its third reading. The motion, seconded by Councilman LaRue, carried by the following vote:

Ayes: Councilmen LaRue, Long, Mayor Akin, Councilman Janes

Noes: None

Absent: Councilman Nichols

The ordinance was read the third time and Councilman Long moved that the ordinance be finally passed. The motion, seconded by Councilman LaRue, carried by the following vote:

Ayes: Councilmen LaRue, Long, Mayor Akin, Councilman Janes  
Noes: None  
Absent: Councilman Nichols

The Mayor announced that the ordinance had been finally passed.

SUBSTANDARD HOUSE  
2013 E. 9th Street

The Council had before it the recommendation from the Building Standards Commission on a substandard house at 2013 East 9th Street, Felix Gonzales, owner. The City Manager reported that the Building Official had received a call from Mrs. Gonzales this morning requesting an extension of 30 days; or within that period she would cause the building to be demolished. The Building Official had reviewed this and recommended an extension for 30 days only, and that the work be completed within that 30 day period. Councilman Long moved the 30 day extension be granted, with the work to be completed within that period. The motion, seconded by Councilman LaRue, carried by the following vote:

Ayes: Mayor Akin, Councilmen Janes, LaRue, Long  
Noes: None  
Absent: Councilman Nichols

BUTLER LEASE

The City Manager stated this lease was related to the Mo-Pac property and a matter which has been under discussion many times with him, the Butlers, the Legal Staff and Planning. Since this is a significant question that it may be desirable to discuss this in Executive Session.

CONTRACT - KOTZEBUE DISTRIBUTING COMPANY  
Air conditioning units for Fire Stations

Councilman Long offered the following resolution and moved its adoption:

(RESOLUTION)

WHEREAS, bids were received by the City of Austin on April 11, 1969, for the purchase of central airconditioning units for various Fire Stations; and,

WHEREAS, the bid of Kotzebue Distributing Company, in the sum of \$6,190.00, was the lowest and best bid therefor and the acceptance of such bid has been recommended by the Purchasing Agent of the City of Austin and by the City Manager; Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That the bid of Kotzebue Distributing Company, in the sum of \$6,190.00, be and the same is hereby accepted, and that R. M. Tinstman, City Manager of the City of Austin, be and he is hereby authorized to execute a contract on behalf of the City, with Kotzebue Distributing Company.

#### ACQUISITION OF PROPERTY

The City Manager stated the East 51st Street property was necessary for the Airport Development, and the staff had been in contact with the owners, but there is a considerable difference of opinion on the price. Councilman Long stated there was only a small portion needed, and she did not know why the owners would not sell a small portion of it, nor did she think it was necessary to condemn and buy the property. The City Manager stated the owners had not been willing to negotiate on any basis--partial or on the whole; and as far as the total Airport development is concerned in maintaining the safety on the runways, he recommended the acquisition of the whole tract. The acquisition also is recommended by the F.A.A. for clearance. Councilman LaRue discussed possible severance damages should only a portion be taken.

Councilman Janes offered the following resolution and moved its adoption:

#### (RESOLUTION)

WHEREAS, the City Council of the City of Austin has found that public necessity requires the expansion of Robert Mueller Municipal Airport in the City of Austin; and,

WHEREAS, the City Council has found and determined that public necessity requires the acquisition of the hereinafter described tract of land to provide for the expansion of said Robert Mueller Municipal Airport; and

WHEREAS, the City of Austin has negotiated with the owners of said land and has been unable to agree with such owners as to the fair cash market value

thereof; Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That the City Manager be and he is hereby authorized and directed to file or cause to be filed against the owners and lienholders, a suit in eminent domain to acquire fee simple title for said purposes to the following described tract of land, to-wit:

TRACT I.

A portion of Lots Nos. 23 and 24, Ridgetop Gardens, a subdivision of a part of the James P. Wallace Survey, in the City of Austin, Travis County, Texas, according to the map or plat of said subdivision recorded in Volume 3, Page 50, of the Travis County Plat Records, which certain portions of Lots 23 and 24 were conveyed to Willie C. Parker, et ux by deed of record in Volume 899 at Page 129 of the Deed Records of Travis County, Texas, and being more particularly described by metes and bounds as follows, to-wit:

BEGINNING at an iron stake at the northeast corner of said Lot 24, which point is also in the south line of what is now known as Airport Road;

THENCE, North 60° W along the north line of said Lot 24, and the south line of Airport Road for a distance of 102.5 feet to an iron pipe for the beginning point of this tract, which point is also the northeast corner of the W. T. Cruse 4.05 acre tract;

THENCE, South 30° W 223.1 feet to an iron pipe for the southeast corner of this tract, which point is also the southeast corner of the W. T. Cruse 4.05 acre tract;

The motion, seconded by Councilman Janes, carried by the following vote:

Ayes: Mayor Akin, Councilmen Janes, LaRue

Noes: Councilman Long

Absent: Councilman Nichols

Councilman Janes moved that 3304 Funston and 1409 Northwood (Mo Pac) be purchased at the average appraisal. The motion, seconded by Councilman LaRue, carried by the following vote:

Ayes: Councilmen Janes, LaRue, Long, Mayor Akin

Noes: None

Absent: Councilman Nichols

#### CONSIDERATION OF SALE OF PROPERTY TO L. C. REESE

The Director of Public Works stated this was a 50 foot lot on which the City would retain an easement, and there would be only 15' of usable property left. Councilman Long questioned the amount to be received on this property stating it to be insufficient. Councilman LaRue suggested obtaining more appraisals on this property. The Council held the sale of this property over for further appraising.

#### TRANSFER OF FUNDS

In answer to Councilman Long's inquiry, the City Manager reported the transfer of funds from Airport account to Traffic and Transportation was due to the transfer of Airport employees to the Traffic and Transportation as Parkaidettes. By consolidating the Airport employees with the Parkaidettes, the Traffic Engineer can arrange a rotating assignment basis and maintain the necessary scheduling. Councilman Janes moved the transfer of appropriation of \$2,120 from the Airport to Traffic and Transportation be approved. The motion, seconded by Councilman LaRue, carried by the following vote:

Ayes: Councilmen LaRue, Long, Mayor Akin, Councilman Janes

Noes: None

Absent: Councilman Nichols

## COMMENDATION

Councilman LaRue moved the Council recommend a Resolution of commendation of the Department of Public Safety for cooperating with the City in staggering the working hours for their employees. The motion, seconded by Councilman Long, carried by the following vote:

Ayes: Councilman Long, Mayor Akin, Councilmen Janes, LaRue  
Noes: None  
Absent: Councilman Nichols

He stated this this move had been under way for many years. He suggested that since the City has 3,500 to 4,000 employees that a program be started to do the same thing, even more than what is being done now.

## ABATTOIR

The City Manager stated in reviewing the Abattoir matter with the Staff, the City had no basis on which to take other action with respect to the present occupiers of the property. Their lease had expired, and they had been leasing on a month to month basis. Councilman Long asked if there were plans as it is the only processing plant in Austin; and once it is closed down, the operation will be ruined as well as the facilities. The City Manager reported three other meat producers had been contacted to see if they would be interested in the operation. The entire City staff is unanimous that the City should not attempt to operate a meat slaughtering and processing plant. He said they were planning to have someone there to operate it until the end of the month. Councilman Janes inquired about the situation in case it would be hard to obtain this approval again without a huge outlay of funds. The City Manager stated the meat slaughtering and processing industry has changed considerably in the last five to ten years. Councilman LaRue noted operations with half the number of people and half the expense could be realized with a new plant, and the City had been in the past losing \$30-\$40,000 a year. The City Manager said unless there was some present meat processing firm who wanted to come in and continue the license and operation, that the City should retain the property. In view of the present condition of those properties and the physical design, otherwise he probably would come back to the Council with a recommendation to raze the structure at least for the interim and keep title to the property. Councilman LaRue recalled that the public had voted on the Abattoir several years ago; at which time the people voted not to have the City operating an Abattoir. The City Manager stated he would not recommend it. At this time, he stated only Council action necessary now would be to acknowledge receipt of the notice from the Company which anticipates continuing in operation. He said he would try to have some personnel there 24 hours a day not only to protect the property and to be aware of any hazards, but to keep the refrigeration going. Councilman Long inquired about their financial status with the City--utility bills, etc. The City Manager said he would check this. Councilman Janes moved the Council note receipt of and accept notice of termination of lease from AUSTIN COMMUNITY LIVE-STOCK PROCESSORS, INC., of the Abattoir property. The motion, seconded by Councilman LaRue, carried by the following vote:

Ayes: Mayor Akin, Councilmen LaRue, Janes, Long  
Noes: None  
Absent: Councilman Nichols

The Council recessed until 2:00 P.M. to go into Executive Session.

## RECESSED MEETING

2:00 P.M.

At 2:00 P.M. the Council reconvened with all members present.

Councilman Long moved the Council appoint the following Election Officials to conduct the Run-off Election for Councilman, Place 5, May 3, 1969:

## PRECINCT 121 Palm School, 700 East 1st Street
