Hi Elaine,

I am a neighbor of this case and reached out to Shana for clarification about the site plan for the signs. She was very helpful and upon reviewing the proposed signage, I am in favor of the proposed variance, assuming the placement of the signs in practice is consistent with these renderings.

I am not available during the meeting time on May 9th because I am traveling for work, but wanted to submit my comments in advance of the meeting.

Thank you,  
Kathleen Baireuther
