Overview

- **Cultural Trust** program administration was identified by City Council in our June 2021 Interlocal Agreement, Addenda 4 & 5
- Structure of Request for Proposals developed based on type of funds available, as well as based on input from 2020 RFI, and 2019-20 joint working group recommendations
- This is a unique and new process—it is not a grant program, it is a real estate investment program.
- The process has provided great insight into the needs of the culture/music/arts ecosystem, and that data will be communicated to help inform future resources/funding. Real estate/space is just one aspect to what supports an organization to thrive.
