1. Approval of the June 15, 2022, meeting minutes.

The June 15 minutes will be available for approval at a future meeting. No action taken.

DISCUSSION AND ACTION ITEMS

2. **Election of Officers.** Elect a chair and vice-chair of the Codes and Ordinances Joint Committee.

A motion was made to re-elect Commissioner Barrera-Ramirez as Chair and Commissioner Hempel as Vice Chair by Commissioner Azhar, seconded by Commissioner Kiolbassa.

Vote: 5-0 (Commissioners Shaw and Anderson absent).

3. **Environmental, Drainage, and Landscape Amendments.** Discuss and consider a recommendation for adoption of an ordinance amending Title 25 of the City Code relating to environmental, drainage, and landscape requirements. City Staff: Liz Johnston, Watershed Protection Department, (512) 974-2619, Liz.Johnston@austintexas.gov

Katie Coyne and Liz Johnston gave a presentation on a suite of amendments to the LDC

that would require green stormwater infrastructure as well as functional green elements. There was some concern from commissioners about the cost of these new requirements and how they might apply to sites that already have high impervious cover, such as in the downtown area. There was also discussion about whether the requirements would encourage or deter missing middle housing.

A request was made to forward the backup to the ZAP Commission.

No action taken.

4. **North Burnet/Gateway Regulating Plan Subdistrict.** Discuss and consider a recommendation for adoption of an ordinance amending Title 25 of the City Code to modify the Commercial Mixed Use – Gateway Zone Subdistrict of the North Burnet/Gateway Regulating Plan, to increase the maximum floor-area ratio (FAR) and building height when using a development bonus. City Staff: Jorge Rousselin, Housing and Planning Department, (512) 974-2975, Jorge.Rousselin@austintexas.gov

Jorge Rousselin gave a presentation on a chance to a NBG subdistrict that would allow additional height and FAR beyond what is currently allowed. A suggestion was made by a member of the public to expand the scope of the amendment to include other subdistricts in the consideration of increased entitlements, specifically the TOD subdistricts.

A motion was made to recommend the item to PC with an expanded scope to include TOD subdistricts by Commissioner Azhar, seconded by Commissioner Denkler. Vote: 5-0 (Commissioners Shaw and Anderson absent).
