MRS. CORDELIA A. LENTHE	4717-4805 Harmon	From "A" Residence
& THEODOR E. BECKER	Avenue	To "C" Commercial
		NOT Recommended by the
		Planning Commission

Mr. H. H. Lenthe appeared, stating they wanted to subdivide, and was told they would have to give a 50' street, while the owner next to them was permitted to subdivide, and was not requested to give the remainder of the street through to 49th Street. Their property had been leased to the Exchange Club for the amount of the taxes. Now they wanted to lease it to the adjoining lumberyard for the same amount, the property to be used for storage of lumber. The zoning of the lumber yard had ruined the property for residential use. Opposition was expressed by MR. ALVIS VANDYGRUFF and one of his clients, MRS. SMITH, stating that their property would likewise be ruined by this zoning; that

they had been molested for years by the use of the Lenthe property as a baseball field; that if this zoning is granted, their property would be destroyed, and 20 families would be miserable; that they would have to live next to a lumber yard, be subject to termites and rats. MR. MASSEY, 922 East 48 $\frac{1}{2}$ Street expressed opposition. The Council postponed action until it could look at the area.

Planning Commission

No one represented the applicant. MR. CLYDE SHIPP suggested that the City purchase the property and make it into a parking lot for Deep Eddy; but if it doesn't, it should require the owner to give 20 or 30' for widening the street. If this were done, he would withdraw his opposition. The Director of Public Works stated that the street did need additional width. The Council delayed action until it could make a personal inspection of the area.
