## Solicitation INSTRUCTIONS

evaluated on a pass / fail basis in accordance with the Solicitation's Instructions and any further instructions within each Solicitation. Although minimum responses are required in all Submittals, the Submittals identified as Evaluation Factors will be used to differentiate the Proposals and to identify which Proposal(s) represent the Best Value to the City. The City's evaluation may be made without Clarifications or Discussions with Offerors. Proposals should, therefore, include the Offeror's most favorable terms.

- **6.6 Discussions and Proposal Revisions.** After completing initial evaluations, the City may enter into Discussions (communications which may include negotiations and feedback about the Proposal submitted) with one or more Offerors submitting the highest rated Proposal(s). Following the completion of Discussions, the City may request Proposal revisions from these Offerors. The City may seek multiple rounds of Discussions and Proposal revisions as deemed necessary by the City. The City may revise its initial evaluations depending on the contents of any Proposal revisions received following these Discussions.
- **6.7** Interviews/Presentations. The City may require that one or more Offeror submitting the highest rated Proposals participate in interviews and/or presentations.

#### 7 CONTRACT AWARD AND EXECUTION

- **7.1 Award Determination.** City staff will recommend Contract award to the Offeror(s) submitting the highest rated Proposal(s) based on the Evaluation Factors set forth in this Solicitation. Debriefings are not public called meetings in accordance with the Texas Open Meetings Act and are usually limited to a single Offeror and any of their representatives. Only information regarding the Solicitation documents and the Offeror's Offer (including City's evaluation of the Offer) in response to the Solicitation will be discussed.
- **8.3 Reservations.** The City reserves the right to: (i) specify approximate quantities in the Solicitation; (ii) extend the Solicitation due date and time; (iii) add additional terms or modify existing terms in the Solicitation; (iv) reject an Offer containing exceptions, additions, qualifications or conditions not called for in the Solicitation; (v) reject an Offer received from an Offeror who is currently debarred or suspended by the City, State, or Federal Government; (vi) reject an Offer that contains fraudulent information; (vii) reject an Offer that has material omissions; (viii) reject any or all Offers; (ix) procure any goods or services included in this Solicitation by other means; (x) consider and accept alternate Offers, if specified in the Solicitation, when most advantageous to the City; (xi) reject an Offer if prices in the Offer are unbalanced (some prices are significantly high and other prices are significantly low) and/or (xii) waive any minor informality in any Offer or procedure so long as the deviation does not affect the competitiveness of the Solicitation process.
- **8.4 Protests.** The Purchasing Officer has the authority to settle or resolve any claim of an alleged deficiency or protest. The procedures for notifying the City of Austin of an alleged deficiency or filing a protest are listed below.

If you fail to comply with any of these requirements, the Purchasing Officer may dismiss your complaint or protest.

- **8.4.1** Protest regarding the Solicitation (Pre-Submittal Protest). Any protest filed after that date which raises issues regarding the Solicitation will not be considered.
- **8.4.2** Protests regarding the evaluation of Proposals. Any protest regarding the evaluation of Proposals by the City shall be filed with the City no later than five (5) days after the notification of award recommendation is posted on Austin Finance Online, or notification that the protestor's status as a Offeror has changed, such as notification that an Offer has been found to be non-responsive or an Offeror has been found to be non-responsible. Any protest filed after such date which raises issues regarding the evaluation will not be considered. Offerors may only protest the evaluation of their Proposal.

If the Purchasing Officer determines that your grounds are insufficient, the City will notify you of that decision in writing.
- **8.4.7** The protest hearing is informal and is not subject to the Open Meetings Act. The purpose of the hearing is to give you a chance to present your case, it is not an adversarial proceeding. Those who may attend from the City are: representatives from the department that requested the purchase, the Department of Law, the Purchasing Office, and other appropriate City staff. You may bring a representative or anyone else that will present information to support the factual grounds for your protest with you to the hearing.
- **8.4.8** A decision will usually be made within fifteen (15) calendar days after the hearing.
- **8.4.9** The City will send you a copy of the hearing decision after the appropriate City staff has reviewed the decision.
- **8.4.10** When a protest is filed, the City usually will not make an award until a decision on the protest is made. However, the City will not delay an award if the City Manager or the Purchasing Officer determines that the City urgently requires the supplies or Services to be purchased, or failure to make an award promptly will unduly delay delivery or performance. In those instances, the City will notify you and make every effort to resolve your protest before the award.

As a condition to entering the Contract, the Business Entity constituting the Offeror must provide the following disclosure of Interested Parties to the City prior to the award of a contract with the City on Form 1295 "Certificate of Interested Parties" as prescribed by the Texas Ethics Commission for any contract award requiring council authorization. # **Benefits Guide Information**

City of Austin employees have access to benefits approved by the City Council each year as part of the budget process. The benefits and services offered by the City may be changed or end at any time. These benefits are not a guarantee of your employment with the City.

This Guide is designed to help you understand your benefits. Review this material carefully before making your enrollment decisions. Your rights are governed by each Plan Instrument, which may be a plan document, evidence of coverage, certificate of coverage or contract. If there is a conflict between the provisions of the plan you selected and this Guide, the terms of the plan govern.

For detailed information about the plans, refer to each plan instrument, contact the Employee Benefits Division of the Human Resources Department or the vendor.

### **City Benefits**

The City is concerned for the health, welfare, and safety of its employees and is committed to providing cost-effective, sustainable benefits that assist employees in being physically and mentally healthy. The benefits offered require employees to assume responsibility for the choices they make and to be informed on how to use their benefits effectively.

As part of this philosophy, the City is committed, as resources permit, to making available a comprehensive benefits program that includes plans for:

- Health care
- Death benefits
- Wellness
- Education and training
- Disability income
- Paid time away from work
- Income replacement
- Childcare

The City will explore other areas of benefits to the extent they fill a need of a major portion of the workforce and to the extent they can be provided cost-effectively and efficiently on a group basis.

### **Cost-wise Consumerism**

Since rising health care costs affect both the City and its employees, the City will continue to study new coverage options that help control health care costs. The program is designed to be cost-effective, for both the short term and the long term.

The cost of the program is determined in a realistic fashion and does not vary with short term financial considerations. Employee contributions are required to help finance the cost of parts of the program.

### Administration

The overall administration of the benefits program is re-evaluated and revised periodically to ensure it is simple, efficient, cost-effective, and satisfies overall goals.

#### Communications

A variety of media is used to communicate the benefits program to employees and their dependents. Methods used include presentations,

HUMAN

newsletters, the City's website, video Joya Hayes, Director of Human Resources & Civil Service

on demand, and *CitySource Today*. In addition, benefits staff are available by phone or in person to discuss benefits questions with employees and their families. Communication goals of the benefits program include:

- Educating employees on how to use their benefits.
  - Employees should understand their responsibility for the choices they make.
  - Employees should follow the requirements of the plans.
- Educating employees on how to be better consumers of all benefits.
  - Employee choices should be appropriate for their needs.
  - Employees should contribute to the fiscal integrity and cost-effectiveness of the plans by making informed choices when using their benefits.
- Increasing employee understanding of the value of their benefits.

"I choose to work for the City of Austin because I appreciate its commitment to accessibility under the Americans with Disabilities Act. One of the programs I use is the Metro Access Program. This program is an on-demand rideshare program for persons who qualify based on disability. The service provided is reliable, affordable, and convenient when you know where you need to go the day before. It provides me with curbside service when I am dealing with unfamiliar areas or inclement weather."

If you are a full-time or part-time employee, your dependents are eligible for:

- Medical
- Life Insurance
  - Health Care FSA
- Vision • Dental
- Dependent Care FSA

- Group Legal Plan
- Wellness Program
- Employee Assistance Program

# **Eligible Dependents**

- **Spouse:** Your legally married spouse.
- **Domestic Partner:** The individual who lives in the same household and shares the common resources of life in a close, personal, intimate relationship with a City employee if, under Texas law, the individual would not be prevented from marrying the employee on account of age, consanguinity, or prior undissolved marriage to another person. A domestic partner may be of the same or opposite gender as the employee.
- Children: Your biological children, stepchildren, legally adopted children, children for whom you have obtained ٠ court-ordered guardianship or conservatorship, qualified children placed pending adoption, and children of your domestic partner, if you also cover your domestic partner for the same benefit. Your children must be under 26 years of age.
- Dependent Grandchildren: Your unmarried grandchild must meet the requirements listed above and must also qualify as a dependent (as defined by the Internal Revenue Service) on your or your spouse's federal income tax return.
- Disabled Children: To continue City coverage for an eligible dependent past the age 26, the child must be covered as a dependent at the time, unmarried, and must also meet the following definitions:
  - \* A disabled child must rely on you for more than 50 percent of support.
  - \* A child is considered disabled if they are incapable of earning a living at the time the child would otherwise cease to be a dependent and depend on you for principal support and maintenance, due to a mental or physical disability.
  - \* A disabled child continues to be considered an eligible dependent as long as the child remains incapacitated and dependent on you for principal support and maintenance, and you continuously maintain the child's coverage as a dependent under the plan from the time they otherwise would lose dependent status.
  - \* A dependent child who loses eligibility and later becomes disabled is not eligible for coverage. A disabled child who was not covered as a dependent immediately prior to the time the child would otherwise cease to be a dependent is not eligible for coverage.
  - \* A disabled child dependent must be covered continuously on the medical and dental plans. If coverage is dropped, the disabled child will not be allowed to re-enroll.

### Covering dependents who are not eligible for the City's insurance programs unfairly raises costs for all participants in the programs, as well as for the City.

# Dependent Documentation

If you are adding a dependent under any of the City's benefits programs, you must provide documentation that supports your relationship to the dependent. **Social Security Numbers** must be provided for all eligible dependents.

Acceptable documents are listed below for the following dependents:

- Spouse: A marriage certificate which has been recorded as provided by law.
- **Domestic Partner:** A Domestic Partnership Affidavit and Agreement form signed by the employee and domestic partner. Also a Domestic Partnership Tax Dependent Status form signed by the employee.
- **Child:** A certified birth certificate, complimentary hospital birth certificate, Verification of Birth Facts issued by the hospital, or court order establishing legal adoption, guardianship, or conservatorship, or qualified medical child support order, or be the subject of an Administrative Writ.
- Child of a Domestic Partner: The documentation listed above must also be provided and the domestic partner must be covered for the same benefit in order to cover a child of a domestic partner.
- **Stepchild:** The documentation listed above must also be provided and a marriage certificate or declaration of informal marriage indicating the marriage of the child's parent and stepparent.
- **Dependent Grandchild:** The documentation listed above must also be provided and a marriage certificate or declaration of informal marriage that supports the relationship between you and your grandchild.
- **Disabled Child:** A completed Dependent Eligibility Questionnaire verifying an ongoing total disability, including written documentation from a physician verifying an ongoing total disability.
- Qualified Child Pending Adoption: For children already placed in your home, an agreement executed between you and a licensed child-placing agency, or the Texas Department of Family and Protective Services, meeting the requirements listed in Dependent Eligibility.

- Permanent residents of a country other than the United States.

### An individual is not eligible to be covered:

- As both a City employee and a City retiree, for the same benefit.
- As both a City employee or City retiree and as a dependent of a City employee or City retiree, for the same benefit.
- As a dependent of more than one City employee, or City retiree, for the same benefit.

# Coverage Information

## **Changing Your Benefits Coverage**

To change your benefits coverage, you must call the Employee Benefits Division to schedule an appointment. You can request changes to your coverage:

- Within 31 days of a Qualifying Life Event.
- Within 31 days of the date you initially become eligible for coverage.

If you miss the deadlines listed above, you must wait until next Open Enrollment. To drop coverage for dependents who no longer meet the eligibility requirements, you must call the Employee Benefits Division to schedule an appointment to complete a Benefits Enrollment Form.

# **Qualifying Life Events**

You can add, drop, or change coverage for yourself and your dependents when you experience a Qualifying Life Event such as: marriage, divorce, birth, adoption of a child, death of a dependent, establishing a committed living arrangement as domestic partners, dissolution of domestic partnership, loss or gain of other coverage, or change in employment. You must call the Employee Benefits Division within 31 days of the Qualifying Life Event to schedule an appointment to complete a Benefits Enrollment Form.

In the case of a **newborn dependent**, your newborn is **temporarily covered** for medical for 31 days. After 31 days, if you do not complete a Benefits Enrollment Form and pay any required premiums to add your newborn, your newborn will no longer have coverage even if you have Employee and Children or Family coverage.

# **Coverage Effective Dates**

When you complete a Benefits Enrollment Form, provide required documentation, and pay any premiums owed, coverage is effective for you and your dependents as follows:

- If you enroll within 31 days of the date you are first eligible, coverage for you and any dependents you enroll will be effective on the date you are first eligible.
- If you enroll within 31 days of a Qualifying Life Event, (except for the birth of a child or the court-ordered adoption, placement for adoption, guardianship or conservatorship of a child), coverage for you and any dependents you enroll will be effective either the first day of the following pay period or the first day of the month following the date you submit the Benefits Enrollment Form.

- If you enroll within 31 days of the birth of a child, coverage will be the effective on the date of the birth; even if you have Employee and Children or Family coverage, you must complete a Benefits Enrollment Form.
- If you enroll within 31 days of the court-ordered adoption, placement for adoption, guardianship or conservatorship of a child, coverage will be effective on the date of the adoption, placement for adoption, guardianship or conservatorship; even if you have family coverage, you must complete a Benefits Enrollment Form.
- If you enroll during Open Enrollment, coverage for you and any dependents you enroll will be effective on January 1 of the following year.

# **Coverage Ending Dates**

Coverage for you and your dependents will end on the earliest of the following:

- The date the plan in question ends.
- The date the coverage in question ended or is reduced.
- The date the plan is amended to end coverage for you or your class of dependents.
- The last day of the pay period in which you voluntarily drop coverage.
- The last day of the pay period in which you or your dependents no longer meet eligibility requirements.

### Waiving Coverage

If you are a full-time or part-time employee declining or dropping medical and dental coverage for yourself, you must:

- Complete a Benefits Enrollment Form.
- Sign a waiver indicating you are aware that medical and dental coverage is available to you by the City of Austin.

If you later decide you want City provided coverage, you will not be able to enroll until the next Open Enrollment or within 31 days of a Qualifying Life Event.

### **Premium Information**

For full or part-time (20-29 hours) employees, the City pays a portion of your dependent's medical and dental premiums. The amount paid by the City is not taxable to you if your dependent is a qualified dependent as defined by the Internal Revenue Service (IRS). You are responsible for determining whether your dependent meets the IRS dependent definition.

### **Premium Deduction Errors**

It is your responsibility to verify that the premium deductions taken from your paycheck are correct. Any deduction errors must be reported immediately to the Employee Benefits Division at *512-974-3284*.

*Enrollment Form Errors* – It is your responsibility to ensure that information on the Benefits Enrollment Form is correct. If a premium deduction error occurs, notify the Employee Benefits Division immediately. If an underpayment occurs due to an error you made on the Benefits Enrollment Form, the City has the right to collect any additional premiums owed.

*Data Entry Error/Delay* – If a data entry error occurs or if data entry is delayed, it will not invalidate the coverage on your Benefits Enrollment Form. Upon discovery, an adjustment will be made to reflect the correct premium deduction. If underpayment of a premium occurs, the City has the right to collect any additional premiums owed by you. If overpayment occurs, the City will reimburse you any amount of overpaid premiums up to a maximum of two pay periods.

### Taxable Fringe

If you choose benefits coverage for a dependent who does not qualify to be claimed on your federal income tax return, you may have to pay taxes on the amount of money the City contributes for the dependent's medical and dental benefits. This money is considered taxable income, and must be reported to the IRS. The City refers to this money as taxable fringe. A spouse is never subject to taxable fringe. If at least one of the children for whom you have elected medical or dental coverage is a child you claim as a dependent on your federal income tax return, the City's contribution will not be considered taxable income.

### Retiring from the City of Austin

After you complete your retirement paperwork with the retirement system, you must call the Employee Benefits Division within 31 days from your retirement date to schedule an appointment to enroll in retiree benefits. If you miss this deadline, your next opportunity to enroll will be during Open Enrollment or within 31 days of a Qualifying Life Event. **To avoid a lapse in your benefits coverage** (from active employee benefits to retiree benefits), you must schedule your appointment no later than the last day of the month you are retiring in.

- Once you meet your calendar year deductible, the plan will pay 80 percent of Tier 1 providers covered services and 70 percent of Network providers covered services. To reach your deductible, you can pay for expenses using your HSA Bank debit card.
- Affordable Care Act (ACA) Preventive Drug List covered at 100 percent.
- CDHP w/HSA Preventive Drug List No deductible. Plan pays 80 percent for medications for conditions such as heart disease, high blood pressure, high cholesterol, and asthma.
- Basic Drug List (Tier 1, 2 & 3 Drugs) Plan pays 80 percent after you have met your calendar year deductible. To reach your deductible, you can pay your expenses with your HSA Bank debit card.
- Tier 1 and Network providers bill you for services after BlueCross BlueShield discounted rates.
- Use Health Savings debit card to meet your deductible and pay for eligible medical, pharmacy, dental, and vision expenses.

The chart below highlights how much a family may save if enrolled in the CDHP compared to the HMO, based on a 30+ hour work week.

CDHP Medical Plan		HMO Medical Plan		
Employee & Family premiums	\$5,066/year	Employee & Family premiums	\$7,821/year	
Four primary care doctor visits	\$ 600/year	Four primary care doctor visits	\$ 100/year

Net paid medical expenses for the year	\$4,790	Net paid medical expenses for the year	\$7,961

### CDHP Health Savings Account Eligibility:

To be eligible to participate in the HSA, you must meet all the requirements below as determined by the IRS. If all requirements are not met, you and/or your dependents are not eligible to contribute in a HSA. However, you and/or your dependents are eligible to enroll in the CDHP Medical Plan.

- You or your enrolled dependents cannot be claimed on another person's tax return.
- You cannot be enrolled in any plan other than a high-deductible plan including: Medicare, Medicaid, and Tricare.
- You or your enrolled dependents cannot be enrolled in Health Care FSA.
- You must provide a physical address to HSA Bank (no post office boxes).
- You must be a legal resident of the United States.

If eligibility is met, your HSA will be opened automatically.

### How the CDHP w/HSA Works:

- Preventive Services Covered at 100 percent.
- Injury or Illness at Tier 1 or Network Provider The amount you pay will be determined after BlueCross BlueShield discounted rates.
- Calendar year deductible After you meet the deductible, the plan will pay 80 percent of covered services for Tier 1 and 70 percent for Network Providers.
- Out-of-Pocket-Maximum After you meet the out-of-pocket-maximum, the plan pays 100 percent for all eligible covered medical and pharmacy expenses.

Example: Bill is enrolled in the CDHP w/HSA, Employee & Children coverage. By enrolling in the CDHP w/HSA instead of the HMO, Bill saved \$2,755 in premiums. Bill's 11-year-old daughter is sick and he takes her to the doctor. The cost of the visit, after the contracted discount, is \$100, and he uses his HSA Bank debit card to pay for the office visit. His out-of-pocket cost is \$0 because he uses \$100 of the \$1,000 the City contributed to his HSA. This was their only medical expense and his HSA balance of \$900 will roll over to 2022.

The City Contributed \$1,000 in Bill's Health Savings Account in 2021.

The doctor charges Bill \$100 for his daughter's visit.

Bill pays the \$100 using his HSA Bank debit card received from the bank.

Bill has \$900 left in his Health Savings Account for 2021 that will carry over to 2022.

Expenses are paid only as the work progresses. For out-of-network services, invoice should be submitted for reimbursement after each visit. Orthodontia benefits paid by the plan are applied toward the calendar year maximum and Lifetime Orthodontia Maximum.

The reimbursable amounts for orthodontia expenses are determined as claims are incurred throughout the course of treatment. The reimbursable amounts through FSA or the HSA is the difference between the amount billed and the amount paid by the dental plan. "The ARAG benefit is super straightforward. ARAG was introduced to me in new employee orientation, but it was a colleague that let me know about their personal legal case and how ARAG helped. I was able to complete a full legal case from consultation to filing with the courts at a bargain price and with less hassle. ARAG is a great service if you have a straightforward legal case. It was super inexpensive compared to what it would have cost me without the benefit."

# Group Term Life Insurance

# **Basic Life Insurance**

Provided at no cost for full-time employees. You receive one times your base annual salary. Base annual salary does not include shift differential, overtime, Service Incentive Pay, lump sum payments, or stipends. Part-time employees may purchase Basic Life Insurance.

# Supplemental Life Insurance

Paid entirely by you. You must have the City's Basic Life Insurance to purchase Supplemental Life Insurance. You may purchase Supplemental Life Insurance in amounts equal to one, two, three, or four times your base annual salary.

Your Supplemental Life coverage amount is rounded down to the nearest \$1,000. Your cost is based on your age, salary, and the amount of insurance selected. You may increase your Supplemental Life coverage annually during Open Enrollment by one coverage level each year, up to a maximum of four times your base annual salary.

Your Supplemental Life Insurance premiums may be deducted from your pay on a before or after-tax basis. You must indicate your choice on your Benefits Enrollment Form.

To calculate your per pay period cost, visit <u>austintexas.gov/benefits</u> or complete the Supplemental Life Insurance Worksheet at the end of the Life Insurance section.

# **Choosing a Beneficiary**

In the event of your death, your Basic Life, Supplemental Life, and your final paycheck are paid to your named beneficiary or beneficiaries. Unless prohibited by law, your life insurance benefits will be distributed to the beneficiaries you named. Current Texas law states a legally married spouse is entitled to 50 percent of the policy, and if not listed as a named beneficiary, the spouse may contest.

If you are legally married and designate less than 50 percent of your life insurance to your spouse, upon your death the life insurance carrier may contact your spouse for confirmation of this reduced percentage. If your spouse is not in agreement and an agreement is not reached between the beneficiaries listed, the Texas court will make the decision.

If your named beneficiary is under 18 years of age at the time of your death, court documents appointing a guardian may be required before payment can be made. You should talk with an attorney to make sure that benefits to a minor will be paid according to your wishes. If you designate a testamentary trust as beneficiary (i.e. created by will), you should recognize the possibility that your will which was intended to create a trust may not be admitted to probate (because it is lost, contested, or suspended by a later will).

# Your Beneficiary Designation Form

You can update your beneficiary designation two ways.

- 1. Log in to the HRD Portal at <u>hrportal.coacd.org</u> from your work computer.
- 2. By completing a paper Beneficiary Designation Form. Forms are available from the Employee Benefits Division or your department's HR.

The version with the most recent signature date will be used for payout. It is important to keep your beneficiaries current.

# **Other Beneficiary Designation Forms**

To change your beneficiary designations for other benefits, do one or more of the following:

- City of Austin Employees' Retirement System (COAERS) participants should call COAERS at *512-458-2551*.
- City of Austin Police Retirement System (PRS) participants should call PRS at *512-416-7672*.
- If you participate in the Deferred Compensation Plan, you can designate a beneficiary online at <u>dcaustin.com</u>.
- If you participate in the CDHP w/HSA, you can designate a beneficiary online at <u>HSABank.com</u>.

# Accidental Death and Dismemberment (AD&D) Coverage

If you are enrolled in Basic and/or Supplemental Life Insurance, you also have AD&D coverage equal to the total amount of your life insurance.

If you have an injury that results in a covered loss, as listed below, you may be eligible for a percentage of your AD&D coverage in effect on the date of the accident. The loss must occur within 365 days of the accident. Injury means bodily injury caused by an accident, occurring while coverage is in force, and resulting directly and independently of all other causes in a loss covered by the AD&D policy.

### Waiver of Premium

If you become totally and permanently disabled before age 65, your life insurance coverage may be continued. Total and permanent disability means that, as a result of illness or injury, you are unable to perform the duties of your own occupation or any gainful occupation for which you are reasonably suited by education, training, and experience.

To qualify for Waiver of Premium, you must complete and submit written proof to the insurance carrier of your total and permanent disability and complete the application process within one year of your last active work day.

To apply for a Waiver of Premium, contact the Employee Benefits Division. If approved, you will not be charged a premium as of the date of notification.

# **Accelerated Death Benefit**

If you are terminally ill, the life insurance carrier offers an accelerated death benefit that allows you to receive part of your life insurance money prior to your death. If you are diagnosed as terminally ill by a doctor, contact the Employee Benefits Division to apply for accelerated benefits. The insurance carrier may require you to be examined by a doctor of their choice, at their expense. If you are approved for an accelerated benefit, it is payable in a lump sum up to 50 percent of the amount of your life insurance coverage. The accelerated benefit can be used with Basic and Supplemental Life Insurance and is subject to a minimum payout of \$10,000 and a maximum payout of \$500,000.

# Filing a Life Insurance Claim

A life insurance claim form must be filed with the Employee Benefits Division and the appropriate documents submitted for:

- Employee death one original death certificate. Additional documents will be required if death is due to an accident.
- Dependent death one original death certificate.

# Imputed Income (I50)

The IRS requires the City to withhold taxes on the value of employer paid group term life insurance coverage over \$50,000. This includes your combined Basic Life and Supplemental Life Insurance coverage. The life insurance coverage premium exceeding the \$50,000 limit is taxable and is referred to as imputed income, and is also known by the IRS code "I50."

Example: John Smith is 45, and his annual salary is \$60,000. Unless he caps his basic life benefit paid by the City at \$50,000 he will have imputed income on the premiums for \$10,000 of coverage. According to the IRS, the taxable value of a 45-year-old individual is \$0.15 per \$1,000. Therefore, John's monthly imputed income is  $10 \times 0.15 = 1.50$ . To calculate your imputed income, visit <u>irs.gov</u> to view the premium table.

Using the example above, John also elects four times his annual salary in Supplemental Life Insurance. John should select "no" on his enrollment form for before-tax premiums. The result is no imputed income will be reported on his supplemental life value because premiums are deducted from his pay after taxes are calculated. Imputed income is coded as 150 on your paycheck. This income is subject to federal income tax and FICA (OASDI and Medicare), and is deducted on a monthly basis.

# Your Right to Convert

The Life Insurance that you have as an employee for you and your dependents will terminate when you separate employment with the City, because the group policy is Term Life insurance. Upon retirement or termination, you can convert your group policy, to an individual policy with the life insurance carrier (subject to plan limitations). If you convert to an individual policy please be aware that the cost of an individual policy may be significantly higher than the group plan due to your age. You must apply and pay your first premium no later than 31 days after the date the coverage has ended. For additional information on conversion to an individual policy, call the Employee Benefits Division at *512-974-3284*.

### **Dependent Life Insurance**

Dependent Life Insurance is available for your spouse, domestic partner, and children. AD&D coverage is not available for dependents. You must be covered under Basic Life Insurance offered by the City to be eligible to purchase Dependent Life Insurance. You have two options to choose from when purchasing coverage for your dependents. You may increase your dependent life insurance coverage to Option 2 during open enrollment if you currently are enrolled in Option 1. If you choose to enroll your dependents for Dependent Life Insurance coverage, you are the beneficiary under the plan.

# Dependent Life Insurance Rates - Per Pay Period

Option 1	Coverage Amount	Rate
Spouse or Domestic Partner	\$10,000	\$ .87
Children	\$ 5,000	\$ .14
Family or Domestic Partner & Children	\$10,000/\$5,000	\$1.02

You may purchase Supplemental Life Insurance in amounts equal to 1, 2, 3, or 4 times your base annual salary. Base annual salary does not include shift differential, overtime, Service Incentive Pay, lump sum payments, or stipends.

To estimate your pay period cost for Supplemental Life Insurance, follow these steps, or calculate online at <u>austintexas.gov/benefits</u>.

1. Determine your **Base Annual Salary**. Do not include any hours for overtime.

 Hour Work Week x 52 weeks =	Hours x \$		= \$	
		Hourly Rate		Base Annual Salary

2. To find the **Supplemental Life Amount**, multiply your **Base Annual Salary** (from Step 1) by 1, 2, 3, or 4. Then round your answer down to the next closest \$1,000.

3. To find the Number of \$1,000 Units, divide the Supplemental Life Amount (from Step 2) by 1,000.

\$ \_\_\_\_\_\_ ÷ 1,000 = \_\_\_\_\_\_ Supplemental Life Amount Number of \$1,000 Units

4. To find your **Pay Period Cost**, multiply the **Number of \$1,000 Units** (from Step 3) by the **Cost Per \$1,000 of Coverage** for your age group (see chart below). The answer in Step 4 is your estimated cost per pay period.

 $\frac{1}{\text{Number of $1,000 Units}} x \ \$ \frac{1}{\text{Cost per $1,000}} = \$ \frac{1}{\text{Pay Period Cost}}$

This amount may not match the payment plan you have set up with your dentist.
- If you do not participate in Open Enrollment, your annual elections will continue the following year.

# Dependent Care FSA and the City's Child Care Programs

If you participate in both the Dependent Care FSA and one of the City's Childcare Programs during the same year, funds you receive from the combined programs in excess of \$5,000 are taxable under IRS guidelines. #### Sick Leave

You earn four hours of sick leave per pay period, based on 24 pay periods annually, as a full-time, regular employee working 40 hours per week. If you are scheduled to work other than a 40-hour work week, you accrue sick leave at a different rate. Civil service employees also accrue sick leave at a different rate.

Sick leave must be earned before it can be used. If you do not use your sick leave, you may carry unused hours forward into the next year. Sick leave may be accrued on an unlimited basis. If you are on sick leave for five work days or more due to your own health condition, a return to work release form must be completed by your health care provider and given to your supervisor before you will be allowed to return to work.

#### Personal (Vacation) Leave

You may use personal leave for any reason. The amount that you earn depends on how long you have worked continuously for the City and the number of hours you work each week, based on 24 pay periods annually.

The number of hours you earn per pay period as a full-time regular employee working 40 hours per week is listed in the chart to the right. If you are scheduled to work other than a 40-hour work week, you accrue personal leave at a different rate. Civil service employees also accrue personal leave at a different rate.

You should keep in mind a few other things about personal leave:

- You may request personal leave at any time once you have completed you probationary period.
- If you become ill while you are on personal leave, you may request that your personal leave be temporarily stopped and your absence be charged to sick leave.
- Payment of unused personal leave upon resignation or retirement is limited to 240 hours.
- You may use personal leave while on family or medical leave.

#### Family and Medical Leave (FMLA)

The Family and Medical Leave Act (FMLA) entitles eligible employees to take unpaid, job-protected leave for specific qualifying family, medical, or military support needs with continuation of group health insurance coverage under the same terms and conditions as if the Employee had not taken leave. When requested and approved, appropriate paid and unpaid leave can be used and will count toward the family and medical leave entitlement.

You are eligible for unpaid, job-protected leave under the FMLA if you have been employed with the City for at least 12 months and worked 1,250 hours during the 12 months prior to the commencement of the leave. The 12 months of employment need not be consecutive. For employees who experience a break in service in fulfillment of the Uniformed Services Employment and Reemployment Rights Act (USERRA), the months employed and the hours that were actually worked for the City should be combined with the months and hours that would have been worked during the 12 months prior to the start of the leave requested, had it not been for the military leave.

Eligible employees are entitled to job-protected, unpaid leave in a calendar year, based on the Employee's normal work week, for one or more of the following reasons:

- The birth and care of your newborn child.
- The placement with the employee of a child for adoption or foster care.
- To care for the employee's husband, wife, domestic partner, son, daughter, or parent with a serious health condition.
- A serious health condition that makes the employee unable to perform one or more essential functions of their job.

Years Worked	Hours You Earn
Less than 5	4.34
5 but less than 10	5.34
10 but less than 15	6.00
15 but less than 20	6.67
20 or more	7.67

Maximum accrual is 400 hours.

#### FMLA (Continued)

Family leave must be taken within 12 months after the birth of a child or the placement of a child for adoption or foster care. FMLA leave may be used before the actual placement or adoption if the absence is required for the placement or foster. Intermittent use of family leave requires approval from the Department Director.

An employee should notify the City at least 30 days prior to a planned medical treatment that requires FMLA leave. If advanced notification is not practical or the reason is unplanned, you must give notice within two business days. Your Department Director may require you to provide satisfactory proof of the proper use of medical leave. If satisfactory proof is not provided, your request for FMLA may be denied.

If you do not wish to continue any or all of your benefits while on family or medical leave, you must contact the Employee Benefits Division and schedule an appointment to complete a Benefits Enrollment Form to drop coverage. If you choose to continue benefits and fail to return from FMLA leave, you may be required to reimburse the City for the City's portion of the benefits premiums paid on your or your dependent's behalf during the unpaid leave.

#### Parental Leave

Employees in a regularly budgeted position who qualify for FMLA may receive up to 240 hours of paid leave (prorated based on budgeted workweek) for the birth and care of a child, or placement of a child for adoption or foster care during the FMLA period. Documentation for birth, adoption, or foster care must be provided to the FMLA Coordinator before an employee can code the time on the timesheet. Temporary employees and employees who are subject to collective bargaining or meet and confer agreements are not eligible.

Hours Awarded for Parental Leave or Leave Bank		
Budgeted Work Week	Paid Leave Hours	
40	240	
30 - 39	180	
20 - 29	120	
Less than 20	60	

#### Leave Bank

Employees who qualify for FMLA and who do not have enough accrued leave to get them through an illness, accident or unexpected FMLA event. Through a donation of accrued sick leave, vacation leave or both, you can become a member of the Leave Bank and can apply for hours based on your budgeted workweek. Membership in the Leave Bank is annual and must be renewed each year during the Benefits Open Enrollment period by donating the required number of hours. There is no limit to the number of hours you can donate to become a member during the enrollment period. A non-member who seeks leave from the Leave Bank, due to an unforeseen FMLA-qualifying event, may enroll to become a member at any time. Temporary employees and employees who are subject to collective bargaining or meet and confer agreements are not eligible.

#### **Employees on Leave of Absence**

As a City employee, you may be granted a leave of absence under certain circumstances. All requests for leave of absence must be approved by your Department Director, and requests for leave of more than 30 days must be approved by the City Manager. The maximum total time for which a leave of absence may be granted is one year.

If you are on leave for five or more consecutive work days due to your own health condition, a return to work release form must be completed by your health care provider and given to your supervisor before you will be allowed to return to work.

If you are participating in the Deferred Compensation loan program and you are on an unpaid leave of absence, automatic deductions are not possible. You must contact the Deferred Compensation office to prevent default on your loan.

If you do not wish to continue any or all of your benefits for yourself or your dependents, you must contact the Employee Benefits Division and schedule an appointment to complete a Benefits Enrollment Form to drop coverage. Once you return from leave you must make an appointment to reinstate benefits dropped during a leave of absence. If you choose to continue benefits and fail to return from family or medical leave, you may be required to reimburse the City for the City's portion of the benefits premiums paid on your or your dependent's behalf during the unpaid leave.

If you choose to continue your benefits, you will be responsible for the full cost of premiums, including the City's contribution. If you are on an unpaid leave of absence, automatic deductions are not possible. To make arrangements to pay your benefits premiums, call the Employee Benefits Division at *512-974-3284*.

"I had an immediate family member who became ill, and a very specific and very expensive medication was needed, which was not covered by our insurance. I was able to connect with one of our Human Resources Department Benefits representatives. The rep went out of their way to get approval for the medication my family needed, which allowed me to work my regular shift and not worry about working extra shifts to cover the expense of the medicine. Having great benefits is a plus, but having human resources representatives that will go out of their way to help, you cannot beat that."

You may enroll in the Deferred Compensation Plan or make changes in your deferrals any time during the year. You may also choose from a diverse array of investment options. If you contribute pretax dollars, your account is tax deferred until you withdraw money, usually at retirement. However, you may also contribute post-tax dollars (pay income tax at the time your contributions are made) and your account is tax-free (subject to qualifying conditions) when you withdraw your money. # Summary of Benefits and Coverage (SBC)

Under the law, insurance companies and group health plans must provide consumers with a concise document detailing, in plain language, simple and consistent information about health plan benefits and coverage. This summary will help consumers better understand the coverage they have and allow them to easily compare different coverage options. It summarizes the key features of the plan and coverage limitations and exceptions. For a copy of the SBC of the City's medical plans, visit <u>austintexas.gov/benefits</u>, or call the Human Resources Department at *512-974-3284*.

# **ADA Compliance**

# **Governing Plan**

Your rights are governed by each plan instrument (which may be a plan document, evidence of coverage, certificate of coverage or contract), and not by the information in this Guide. If there is a conflict between the provisions of the plan you selected and this Guide, the terms of the plan govern. City of Austin employees have access to benefits approved by the City Council each year as part of the budget process. The benefits and services offered by the City may be changed or terminated at any time. These benefits are not a guarantee of your employment with the City.

# The Health Insurance Portability & Accountability Act of 1996 (HIPAA)

This act imposes the following restrictions on group health plans:

*Limitations on pre-existing exclusion periods.* Pre-existing conditions can only apply to conditions for which medical advice, diagnosis, care, or treatment was recommended or received during a period beginning six months prior to an individual's enrollment date, and any pre-existing condition exclusion is not permitted to extend for more than 12 months after the enrollment date. Further, a pre-existing condition exclusion period may be reduced by any creditable previous coverage the individual may have had.

*Special enrollment.* Group health plans must allow certain individuals to enroll upon the occurrence of certain events, including new dependents and loss of other coverage. Loss of coverage includes:

- Termination of employer contributions toward other coverage.
- Moving out of an HMO service area.
- Ceasing to be a "dependent," as defined by the other plan.
- Loss of coverage to a class of similarly situated individuals under the other plan (i.e., part-time employees).

Additionally, individuals entitled to special enrollment must be allowed to enroll in all available benefit package options and to switch to another option if he or she has a spouse or dependent with special enrollment rights.

**Prohibitions against discriminating against individual participants and beneficiaries based on health status.** Plans may not establish rules for eligibility of any individual to enroll under the terms of the plan based on certain health status-related factors, including health status, medical condition, claims experience, receipt of health care, medical history, genetic information, evidence of insurability, or disability.

*Standards relating to benefits for mothers and newborns.* Plans must provide for a 48-hour minimum stay for vaginal childbirth, and a 96-hour minimum stay for cesarean childbirth, unless the mother or medical provider shortens this period. No inducements or penalties can be used with the mother or medical provider to circumvent these rules.

*Parity in the application of certain limits to mental health benefits*: Plans must apply the same annual and lifetime limits (i.e., dollar amounts) that apply to other medical benefits to benefits for mental health. If this requirement results in a 1 percent or more increase in plan costs or premiums, this rule does not apply.

# **City of Austin Policy on HIPAA**

HIPAA gives the City, as the plan sponsor of a non-federal governmental plan, the right to exempt the plan in whole or in part from the requirements described above. The City has decided to formally implement all of these requirements. The effect of this decision as it applies to each of the above requirements is as follows:

- The Plan does not currently have a pre-existing condition limitation and is in compliance.
- The Plan will provide special enrollment periods.
- The Plan will comply with the non-discrimination rules.
- The Plan will comply with the standards for benefits for mothers and newborn children.
- The Plan will comply with the rules on mental health benefits.

**The HIPAA Privacy Rules for Health Information** were established to provide comprehensive federal protection concerning the privacy of health information. The Privacy Rules generally require the City to take reasonable steps to limit the use, disclosure, and requests for Protected Health Information to the minimum necessary to accomplish the intended purpose. The City is committed to implementing the Privacy Rules.

### The Women's Health and Cancer Rights Act of 1998

This law was enacted on October 21, 1998. It provides certain protections for breast cancer patients who elect breast reconstruction in connection with a mastectomy. Specifically, the act requires that health plans cover post-mastectomy reconstructive breast surgery if they provide medical and surgical coverage for mastectomies. Coverage must be provided for:

- Reconstruction of the breast on which the mastectomy has been performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses and physical complications of all stages of mastectomy, including lymph edemas.
- Secondary consultation, whether such consultation is based on a positive or negative initial diagnosis.

The benefits required under the **Women's Health and Cancer Rights Act of 1998** must be provided in a manner determined in consultation with the attending physician and the patient. These benefits are subject to the health plan's regular copays and deductibles.

### Patient Protection and Affordable Care Act

As part of the Patient Protection and Affordable Care Act (Health Reform) effective January 2022, medical plans which exceed a threshold level established by the federal government will have to pay a 40 percent excise tax. The City of Austin is committed to designing a medical plan that is below the threshold level. However, if the threshold is reached, the cost of the excise tax will be passed on to employees and retirees.

### **COBRA**

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, is a federal law that requires employers to offer qualified beneficiaries the opportunity to continue medical coverage, vision coverage, dental coverage, or participation in the Health Care FSA at their own cost in the case of certain qualifying events. Continuation of your life insurance, short term disability, long term disability, Dependent Care FSA, and group legal plan is not available under COBRA.

**COBRA Notice Requirements**. Each employee or qualified beneficiary is required to notify the Employee Benefits Division of the Human Resources Department within 60 days of a divorce, legal separation, a child no longer meeting the definition of dependent, or entitlement to Medicare benefits. Erisa, the City's COBRA administrator, will then notify all qualified beneficiaries of their rights to enroll in COBRA coverage. Notice to a qualified beneficiaries residing with the spouse or former spouse of the covered employee is considered proper notification to all other qualified beneficiaries residing with the spouse or former spouse at the time the notification is made.

# Continuation of Coverage for Domestic Partners

The City offers covered individuals the opportunity to continue medical coverage, vision coverage, and dental coverage at their own cost in the case of certain qualifying events. Continuation of life insurance is not available under Continuation of Coverage for Domestic Partners.

Each employee or covered individual is required to notify the Employee Benefits Division of the Human Resources Department within 31 days of dissolution of the Domestic Partnership, a child no longer meeting the definition of dependent, or entitlement to Medicare benefits. Erisa, the City's administrator, will then notify all covered individuals of their rights to enroll in Continuation of Coverage for Domestic Partners coverage. Notice to a covered individual who is the Domestic Partner or former Domestic Partner of the covered employee is considered proper notification to all other covered individuals residing with the Domestic Partner or former Domestic Partner at the time the notification is made.

### **USERRA Continuation of Coverage**

The Uniformed Services Employment and Reemployment Rights Act (USERRA) provides that if you are required to be absent from work for a period of time due to voluntary or involuntary military service or training, you have certain reemployment and medical benefits continuation rights during your absence. You and your family members have the opportunity to continue your benefits from the date coverage otherwise would end, provided you pay the premium. However, for absences of less than 31 days, you may continue benefits while paying only your usual share of the cost. When you return to work, no exclusions or waiting periods will apply.

# Surviving Dependent Coverage

Your dependent may be eligible for Surviving Dependent medical, dental, and vision coverage only if you meet one of the following requirements and your dependent completes a Surviving Dependent Benefits Enrollment Form within 31 days from the date of your death:

- You are a City retiree under the City of Austin Employees' Retirement System, Austin Fire Fighters Relief and Retirement Fund, or City of Austin Police Retirement System.
- You are an active City employee who is eligible to retire with the City but chose to continue to work for the City.
- You are a City retiree who has returned to active employment with the City.

If eligible, your dependent will be able to continue his or her coverage through the City after your death, provided your dependent was enrolled in a City-sponsored plan at the time of your death. The coverage offered is the same coverage offered to City retirees.

### Surviving Family/Work-Related Coverage

If you are killed in the line of duty (your accident must be considered compensable under the City's Workers' Compensation program) while working for the City, your dependents who are enrolled in a City-sponsored medical or dental plan at the time of your death are allowed to continue their coverage, if they complete a Surviving Family Benefits Enrollment Form and pay the premium within 90 days from the date of your death. The City will continue to subsidize the premium.

Surviving Family/Work-Related Coverage is not available to active employees who are also City retirees who have returned to work for the City and have declined active employee benefits. The City will notify your surviving dependents of their eligibility for Surviving Family/Work-Related Coverage.

For more information or to receive a Surviving Family/Work-Related Benefits Guide, call the Employee Benefits Division at *512-974-3284*.

# Your Prescription Drug Coverage and Medicare

#### Beneficiary Creditable Coverage Disclosure Notice

This notice has information about your current prescription drug coverage with the City of Austin and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining a Medicare drug plan, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in this area. There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. On January 1, 2006, new prescription drug coverage became available to individuals with Medicare Part A. This coverage is available through Medicare prescription drug plans, also referred to as Medicare Part D. All such plans provide a standard, minimum level of coverage established by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- 2. The City of Austin has determined that prescription drug coverage offered through City health plans is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

#### **Other Important Considerations**

- If you currently have prescription drug coverage through a City health plan, you may choose to enroll in Medicare Part D annually between October 15 and December 7, or when you first become eligible for Medicare Part D.
- If you decide to join a Medicare drug plan, your current City of Austin medical coverage will not be affected.
- If you do decide to join a Medicare drug plan and drop your current City of Austin coverage for your dependents, you may be able to get this coverage back during an Open Enrollment period.
- You should also know that if you drop or lose your current coverage with the City of Austin and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least one percent of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without Creditable Coverage, your premium may consistently be at least 19 percent higher than the Medicare base beneficiary premium.
- You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
- If you are enrolled in Medicare Part D or a Medicare Advantage Plan and are also enrolled in the City health plan, you may have duplicate prescription coverage. If you would like to review your coverage or for more information, call the Employee Benefits Division of the Human Resources Department at *512-974-3284*.

#### More information about Medicare Part D prescription drug coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the *Medicare & You* handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. You can also:

# Health Insurance Marketplace

### **PART A: General Information**

The Health Insurance Marketplace is a new way to purchase health insurance in the United States. As you evaluate health insurance options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer, the City of Austin.

#### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October for coverage starting as early as January 1.

#### Can I Save Money on my Health Insurance Premiums in the Marketplace?

Regular full-time employees will not experience savings because the City pays the entire premium for the CDHP and the majority of the PPO and HMO premium. Part-time employees may realize savings by going to the Marketplace.

Temporary employees with less than 12 months of service are not eligible for City-provided medical coverage. Temporary employees and their dependents can purchase health insurance through the Health Insurance Marketplace, designed to provide affordable health insurance.

#### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. The City of Austin offers coverage that meets government standards. If you are in a regular budgeted position and work full-time, you will not be eligible for a tax credit at the Marketplace.

If you are in a regular budgeted position working part-time, and the premium you would pay for the City's lowest cost medical plan (Employee Only) is more than 9.5 percent of your household income for the year, you may be eligible for a tax credit at the Marketplace. If you are a temporary employee, and therefore not eligible for medical coverage under a City medical plan, you are eligible for medical coverage through the Marketplace and may also qualify for a tax credit.

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by the City of Austin, then you may lose the City's contribution (if any) to the employer-offered coverage. Also, the City's contribution as well as your employee contribution to City offered coverage is usually excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

#### How Can I Get More Information?

For more information about your coverage offered by the City of Austin, review this guide, or visit <u>austintexas.gov/benefits</u> for your summary plan description, or call the Human Resources Department at *512-974-3284*.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit <u>healthcare.gov</u> for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

The City's coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

**Note:** Even though the City of Austin offers affordable coverage, you may still be eligible for a premium discount through the Marketplace. # Notice to Enrollees in a self-funded nonfederal governmental group health plan for plan years beginning on or after September 23, 2010

Group Health plans sponsored by State and local governmental employers must generally comply with Federal law requirements in title XXVII of the Public Health Service Act. However, employers are permitted to elect to exempt a plan from the requirements listed below for any part of the plan that is "self-funded" by the employer, rather than provided through a health insurance policy. The City of Austin has elected to exempt the City's medical plans of the following requirements:

- 1. Parity in the application of certain limits to mental health benefits. Limit coverage for Applied Behavior Analysis treatment to 170 visits each year for individuals diagnosed with autism.
- 2. The exemption from these Federal requirements will be in effect for the 2021 plan year beginning January 1,

2021 and ending December 31, 2021. The election will be renewed for subsequent plan years.

### Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP in Texas, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, call your State Medicaid or CHIP office or call *1-877-KIDS NOW* or visit <u>insurekidsnow.gov</u> to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance.

You may be eligible for assistance paying your employer health plan premiums. The following is current as of January 31, 2021. For more information on eligibility visit <u>gethipptexas.com/</u> or call *877-440-0493*.

To see if any other states have added a premium assistance program since January 31, 2021, or for more information on special enrollment rights, contact:

# Eligibility

As a City retiree, you are eligible to enroll in medical, dental, and vision coverage. Retirees may also elect to enroll their eligible dependents. Below is a list of eligible dependents. Each of these individuals may or may not be your dependent for federal tax purposes. That determination depends on federal law.

### **Eligible Dependents**

- **Spouse:** Your legally married spouse.
- **Domestic Partner:** The individual who lives in the same household and shares the common resources of life in a close, personal, intimate relationship with a City retiree if, under Texas law, the individual would not be prevented from marrying the retiree on account of age, consanguinity, or prior undissolved marriage to another person. A domestic partner may be of the same or opposite gender as the retiree.
- **Children:** Your biological children, stepchildren, legally adopted children, children for whom you have obtained court-ordered guardianship or conservatorship, qualified children placed pending adoption, and children of your domestic partner, if you also cover your domestic partner for the same benefit. Your children must be under 26 years of age.
- **Dependent Grandchildren:** Your unmarried grandchild must meet the requirements listed above, and must also qualify as a dependent (as defined by the Internal Revenue Service) on your or your spouse's federal income tax return.
- **Disabled Children:** To continue City coverage for an eligible dependent past the age 26, the child must be covered as a dependent at the time, unmarried, and must also meet the following definitions:
  - ✤ A disabled child must rely on you for more than 50 percent of support.
  - A child is considered disabled if they are incapable of earning a living at the time the child would otherwise cease to be a dependent and depend on you for principal support and maintenance, due to a mental or physical disability.
  - ✤ A disabled child continues to be considered an eligible dependent as long as the child remains incapacitated and dependent on you for principal support and maintenance, and you continuously maintain the child's coverage as a dependent under the plan from the time they otherwise would lose dependent status.
  - A dependent child who loses eligibility and later becomes disabled is not eligible for coverage. A disabled child who was not covered as a dependent immediately prior to the time the child would otherwise cease to be a dependent is not eligible for coverage.
  - A disabled child must be covered continuously on the medical and dental plans. If coverage is dropped, the disabled child will not be allowed to re-enroll.

Eligible surviving dependents of a City retiree may enroll in medical, dental, and vision coverage. Domestic partners and children of domestic partners are eligible for Continuation of Coverage of Domestic Partners only.

Covering dependents who are not eligible for the City's insurance programs unfairly raises costs for the City, as well as for all participants in the programs.

## Dependent Documentation

If you are adding a dependent under any of the City's benefits programs, you must provide documentation that supports your relationship to the dependent. **Social Security Numbers** must be provided for all eligible dependents.

Acceptable documents are listed below for the following dependents:

- Spouse: A marriage certificate which has been recorded as provided by law.
- **Domestic Partner:** A Domestic Partnership Affidavit and Agreement form signed by the retiree and domestic partner. Also a Domestic Partnership Tax Dependent Status Form signed by the retiree.
- **Child:** A certified birth certificate, complimentary hospital birth certificate, Verification of Birth Facts issued by the hospital, or court order establishing legal adoption, guardianship, or conservatorship, or qualified medical child support order or the subject of an Administrative Writ.
- **Child of a Domestic Partner:** The documentation listed above must also be provided and the domestic partner must be covered for the same benefit in order to cover a child of a domestic partner.
- **Stepchild:** The documentation listed above must also be provided and a marriage certificate or declaration of informal marriage indicating the marriage of the child's parent and stepparent.
- **Dependent Grandchild:** The documentation listed above must also be provided and a marriage certificate or declaration of informal marriage that supports the relationship between you and your grandchild.
- **Disabled Child:** A completed Dependent Eligibility Questionnaire verifying an ongoing total disability, including written documentation from a physician verifying an ongoing total disability.
- Qualified Child Pending Adoption: For children already placed in your home, an agreement executed between you and a licensed child-placing agency or the Texas Department of Family and Protective Services (TDFPS), which meets the requirements listed in Dependent Eligibility.

# Persons Not Eligible

### Dependents do not include:

- Individuals on active duty in any branch of military service (except to the extent and for the period required by law).
- Permanent residents of a country other than the United States.
- Parents, grandparents, or other ancestors.
- Grandchildren who do not meet the definition of dependent grandchildren and who are not claimed on your or your spouse's federal tax return.

### An individual is not eligible to be covered:

- As both a City employee and a City retiree, for the same benefit.
- As both a City employee or City retiree and as a dependent of a City employee or City retiree, for the same benefit.
- As a dependent of more than one City employee or City retiree, for the same benefit.

## Coverage Information

#### Changing your Benefits Coverage

To change your benefits coverage, you must call the Employee Benefits Division to schedule an appointment. You can request changes to your benefits:

- Within 31 days of a Qualifying Life Event.
- Within 31 days of the date you initially become eligible.
- If you are enrolled in the HMO and move outside the plan's service area.
- If you are enrolled in Sun Life Financial and move where there are no providers in your service area.

If you miss the deadlines listed above, you must wait until the next Open Enrollment. To drop coverage for your dependents who no longer meet eligibility requirements, you must call the Employee Benefits Division to schedule an appointment to complete a Benefits Enrollment Form.

### Benefits Enrollment for Surviving Dependents

To be covered, the dependent must have been enrolled in a City-sponsored plan at the time of the retiree's death. As a surviving dependent, you are eligible for medical, dental, and vision benefits. If at any time you cancel all benefits, you cannot re-enroll in surviving dependent benefits.

### **Qualifying Life Events**

You can add, drop, or change coverage for yourself and your dependents when you experience a Qualifying Life Event such as: marriage, divorce, birth, adoption of a child, death of a dependent, establishing a committed living arrangement as domestic partners, dissolution of domestic partnership, loss or gain of other coverage, or change in employment. You must call the Employee Benefits Division within 31 days of the Qualifying Life Event to schedule an appointment to complete a Benefits Enrollment Form.

In the case of a newborn dependent, your newborn is temporarily covered for medical for 31 days. After 31 days, if you do not complete a Benefits Enrollment Form and pay any required premiums to add your newborn, your newborn will no longer have coverage even if you have Retiree and Children or Family coverage.

### **Retiree Coverage Ending Dates**

Coverage for you and your dependents will end on the last day of the month if:

- You fail to pay any required premium.
- The City ceases to offer coverage to retirees.
- The plan in question is terminated.
- The coverage in question ended or is reduced.
- You voluntarily drop your or your dependent's coverage.
- You or your dependents no longer meet eligibility requirements.

### Surviving Dependent Coverage End Dates

Coverage for you and your dependents will end on the last day of the month if:

- You fail to pay any required premium.
- You remarry. (Only applies to retiree's surviving spouse).
- You are covered under another group plan, except for Medicare.
- The City ceases to offer coverage to surviving dependents.
- The plan in question is terminated.
- The coverage in question ended or is reduced.
- You voluntarily drop your or your dependent's coverage.
- You or your dependents no longer meet eligibility requirements.

### **Canceling Coverage**

You may cancel medical coverage for yourself and your dependents, at any time during the calendar year. However, you may not drop dental or vision coverage during the calendar year unless it corresponds with a Qualifying Life Event.

Exception: If you are covered by Sun Life Financial, and you move where there are no plan providers in your service area, you may switch to the BlueCare Dental PPO or drop coverage.

### **Medicare Eligibility Requirements**

A retiree, spouse/domestic partner, or surviving spouse eligible for Medicare due to age must enroll in Medicare Parts A and B. When you or your covered spouse/domestic partner are enrolled in Medicare, Medicare is considered primary and will pay benefits before the City's sponsored medical plan you have selected considers payment for covered services.

If the Medicare-eligible retiree, spouse/domestic partner, or surviving spouse does not enroll in Medicare Parts A and B, benefits will be reduced to the amount that would have been payable if Medicare was considered primary.

The City's medical plan includes prescription drug coverage. You do not need to enroll in Medicare Part D. For information about Medicare Part D, refer to "Your Prescription Drug Coverage and Medicare" under "Important Benefits Information" in this Guide.

#### **Coordination of Benefits**

Is a group health insurance policy provision that determines which coverage will apply (primary or secondary) when an individual is covered under more than one plan. In most cases, medical coverage offered through the City is considered primary for you while you are under age 65. If you or your dependents have other coverage, refer to the appropriate plan document for information about Coordination of Benefits.

## Medical Plans

As a retiree, you may choose the medical plan that best meets your needs. Provider and prescription information is available online at <u>bcbstx.com/coa</u>.

Things to consider when choosing a medical plan:

- Premium costs for dependent coverage.
- Amount of copays.
- Amount of out-of-pocket expenses.
- Future expenses and the predictability of inpatient hospital expenses.
- Freedom to not designate a Primary Care Physician.
- Freedom to seek services from a Specialist without a referral.

#### For treatment before your ID card arrives

You will need to pay for the services out-of-pocket, then submit a claim form and your receipt to BlueCross BlueShield.

If you are enrolled in the HMO, you must use the Primary Care Physician you designated.

BlueCross BlueShield of Texas

# CDHP w/HRA

CDHP w/HRA is the Consumer Driven Health Plan with a Health Reimbursement Account. Like the PPO and HMO medical plans, the CDHP w/HRA is administered by BlueCross BlueShield. The same network of doctors and facilities as those on the PPO are available. Despite these similarities, the plan works differently. Read on to see if the CDHP w/HRA plan is right for you.

#### **Plan Features**

- Retiree Only in-network deductible is \$1,500. For Retiree with Dependent coverage, the deductible is \$3,000.
- Retiree Only in-network, out-of-pocket maximum is \$5,000. For Retiree with Dependent coverage, the out-of-pocket maximum is \$6,850.
- Out-of-network coverage is available at higher deductibles, coinsurance and maximum out-of-pocket charges.
- The City will contribute money into your HRA account on an annual basis based on your years of service.

Years of Service	Retiree Only	Retiree & Dependent
Less than 5	\$ 100	\$ 200
5 through 9	\$ 200	\$ 400
10 through 14	\$ 300	\$ 600
15 through 19	\$ 400	\$ 800
20 or more	\$ 500	\$1,000

#### City annual contributions to the HRA

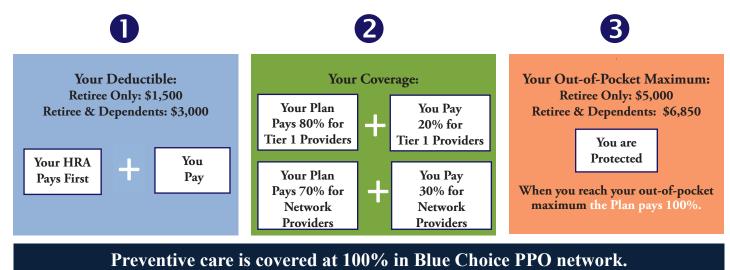

### How the CDHP w/HRA Works

Before enrolling in the CDHP w/HRA, it is important to understand how the plan works. Here are a few things to know about this plan:

- Preventive services mandated by the Affordable Care Act (ACA) continue to be covered at 100 percent.
- You must meet your calendar year deductible for medical services before the plan pays for any covered services (except for preventive services).
- Once you meet your calendar year deductible, the plan will pay 80 percent of Tier 1 providers covered services and 70 percent for Network providers covered services.
- Once you meet your calendar year out-of-pocket maximum, the plan will pay 100 percent for all in-network covered services and prescriptions for the remainder of the calendar year.
- The CDHP w/HRA includes three prescription formularies:
  - ACA Preventive Drug List The plan pays 100 percent, no deductible.
  - CDHP w/HSA Preventive Drug List The plan will pay 80 percent, no deductible. The list of expanded preventive medications can be found on the Retiree Benefits website at <u>austintexas.gov/retirees</u>.
  - ✤ Basic Drug List (Tier 1, 2, & 3 Drugs) The plan will pay 80 percent after you meet your deductible.

The City funds a Health Reimbursement Account (HRA) for you. An HRA is an account that helps pay for eligible health care expenses, including those that may apply to your annual deductible.

Even though the money in the HRA is City money, think of it as yours. By doing so, you'll realize that spending your HRA wisely can help you save. As long as you have money in your HRA, that's less you pay out of your pocket for health care expenses. HRA money does not rollover each year.

#### 1. Your Deductible.

Your HRA pays first. When you have an eligible expense, like a doctor visit, the entire cost of the visit will apply to your deductible. The HRA will pay for all of your eligible expenses first, up to the amount contributed by the City. This means you won't have to pay anything until the money in the HRA is spent.

If you spend all of the HRA money, you will need to pay out of pocket. You will need to pay the full cost of your health care expenses until the deductible is met.

#### 2. Your Coverage.

Your plan pays a percentage of your expenses after the deductible is met. The plan will pay 80 percent of each eligible expense and you pay 20 percent for Tier 1 Providers. The plan will pay 70 percent of eligible expenses and you pay 30 percent for Network Providers.

#### 3. Your Out-of-Pocket Maximum.

You are protected from major expenses. The out-of-pocket maximum amount is the most you have to pay each year for covered services. The out-of-pocket maximum for the CDHP w/HRA plan is \$5,000 for Retiree Only coverage. For Retiree with Dependent coverage, the out-of-pocket maximum is \$6,850. The plan will then pay 100 percent of all remaining in-network covered expenses, including prescriptions, for the rest of the plan year. Your deductible and coinsurance will go toward your out-of-pocket maximums.

# Cost for Coverage

#### Retirees

The amount you pay for medical coverage is based on the following:

- Creditable years of service with the City.
- Level of coverage (i.e., retiree only, retiree and spouse, retiree and children, etc.).
- Medicare eligibility.
- Disability retirement.

#### **Surviving Dependents**

The amount you pay for surviving dependent medical coverage is based on the following:

- City established rates for surviving dependent medical coverage.
- The retiree's creditable years of service with the City.
- Medicare eligibility. (Applies only to the retiree's spouse).

**Years of Service for Retiree and Surviving Dependents** – Your cost of coverage is determined by continuous years of employment with the City of Austin or creditable years of service, whichever is greater. Years of creditable service are determined by the retirement system and include military or City retirement system buybacks or City-purchased service credit. If any contributions were withdrawn from the retirement system prior to retirement, the creditable service will not include any years for which contributions were withdrawn. Also, years of creditable service will not include any years of employment accrued with an employer, other than the City.

**Disability Retirement for Retirees** – If you were approved for disability retirement by the retirement system, your cost of medical coverage will be based on 20 years of service.

**Medicare Rates** – Apply only when Medicare Parts A and B are in effect and a copy of the Medicare card is provided to the Employee Benefits Division. See "Medical Rates" section of this Guide.

Provide a copy of your Medicare card to the Employee Benefits Division two months prior to you or your spouse/domestic partner turning 65 years old.

#### **Premium Payments**

Premium payments for coverage will be deducted automatically from the check you receive from the retirement system. If the monthly retirement check is not enough to pay for coverage selections, you must make arrangements with the Employee Benefits Division at *512-974-3284* to pay the premium. Payment coupons will be provided and must be returned with the payment. Payments must be made on a monthly basis and are due on the first day of the month of coverage. If payment is not received within the required timeline, coverage will be terminated.

### **Premium Deduction Errors**

#### Data Entry Error/Delay

If a data entry error occurs or if data entry is delayed, it will not invalidate the coverage reflected on your enrollment form. Upon discovery, an adjustment will be made to reflect the correct premium deduction. If underpayment of premium occurs, the City has the right to collect any additional premium owed by you. Conversely, if overpayment occurs, the City will reimburse you any amount overpaid, up to a maximum of one month of premiums.

#### **Enrollment Form Errors**

It is your responsibility to ensure that information on your enrollment form is correct. If a premium deduction error occurs, you must notify the Employee Benefits Division immediately. If an overpayment occurs due to an error you made when completing your enrollment form, the City will reimburse you up to a maximum of one month of premiums. Conversely, if underpayment occurs due to an error you made on your enrollment form, the City has the right to collect any additional premium owed.

## Additional Benefits

### Life Insurance

#### **Coverage Description**

The City provides \$1,000 of retiree life insurance at no cost to retirees. Coverage is effective the first day of the following month in which you retire. Retirees are automatically enrolled in this benefit. You must complete a Retiree Beneficiary Designation form.

Additional death benefits are available as follows:

- Employees' Retirement System \$10,000. For more information, call 512-458-2551.
- Police Retirement System \$10,000. For more information, call *512-416-7672*.
- Austin Fire Fighters Relief and Retirement Fund no death benefit offered.

Life insurance coverage is not available for dependents of retirees.

#### Choosing a Beneficiary

In the event of your death, life insurance benefits are paid to your named beneficiary or beneficiaries. The City provides a Retiree Beneficiary Designation form for this purpose. Unless prohibited by law, your life insurance benefits will be distributed to the beneficiaries you named. Current Texas law states a legally married spouse is entitled to 50 percent of the policy, and if not listed as a named beneficiary, the spouse may contest.

If you are legally married and designate less than 50 percent of your life insurance to your spouse, upon your death the life insurance carrier may contact your spouse for confirmation of this reduced percentage. If your spouse is not in agreement and an agreement is not reached between the beneficiaries listed, the Texas court will make the decision.

If your named beneficiary is under 18 years of age at the time of your death, court documents appointing a guardian may be required before payment can be made. You should talk with an attorney to make sure that benefits to a minor will be paid according to your wishes.

#### **Reviewing Your Beneficiary Designation Form**

You can review your beneficiary designation for your life insurance coverage any time during the year. It is important that you keep this information current so that the person or persons you want to receive benefits are listed. To review your beneficiary information, you can visit the Employee Benefits Division or call *512-974-3284*.

#### Filing a Life Insurance Claim

Your beneficiary must file the life insurance claim with the Employee Benefits Division and submit the appropriate documents:

• Retiree death – one original death certificate. • Vendor claim forms.

### **Retiree Discount Page**

You can save at thousands of retailers in your neighborhood and around the country. Whether it is the local show & save program, discounted gift cards or national deals, savings are just a click away. Visit <u>austintx.perksconnection.com</u> on your computer, tablet or smart phone. ## Retiree Wellness Program

### Why Engage in Wellness?

The goal of the Wellness program is to increase preventive screening rates and reduce preventable medical claims. Wellness programs are behavioral health interventions that are designed to improve health outcomes and reduce medical claims.

According to claims data, retirees engaged in wellness have lower average medical expenses and a higher utilization of both primary and preventive care services. Retirees engaged in our wellness program also have shorter hospital stays and lower inpatient costs. These savings are beneficial to retirees and the organization.

#### OR

2. Use lab results obtained through a doctor to get current health numbers.

To stop the tobacco premium, retirees and spouses using tobacco must complete the Tobacco Cessation 101 class. The scheduled classes can be found on <u>austintexas.gov/retirees</u>. Retirees and spouses/domestic partners can attend a class without registering.

## Important Benefits Information

#### Summary of Benefits and Coverage (SBC)

Under the law, insurance companies and group health plans must provide consumers with a concise document detailing, in plain language, simple and consistent information about health plan benefits and coverage. This summary will help consumers better understand the coverage they have and allow them to easily compare different coverage options. It summarizes the key features of the plan and coverage limitations and exceptions. For a copy of the SBC of the City's medical plans, visit <u>austintexas.gov/retirees</u> or call *512-974-3284*.

#### **ADA Compliance**

The City is committed to complying with the Americans with Disabilities Act (ADA). Reasonable accommodation, including equal access to communications, will be provided upon request. For more information, call the Human Resources Department at *512-974-3284*, use the Relay Texas TTY number *800-735-2989* for assistance, or visit <u>austintexas.gov/ada</u>.

#### **Governing Plan**

Your rights are governed by each plan instrument (which may be a plan document, evidence of coverage, certificate of coverage, or contract) and not by the information in this Guide. If there is a conflict between the provisions of the plan you selected and this Guide, the terms of the plan govern. City of Austin retirees have access to benefits approved by the City Council each year as part of the budget process. The benefits and services offered by the City may be changed or terminated at any time.

#### The Health Insurance Portability & Accountability Act of 1996 (HIPAA)

This act imposes the following restrictions on group health plans:

*Limitations on pre-existing exclusion periods:* Pre-existing conditions can only apply to conditions for which medical advice, diagnosis, care, or treatment was recommended or received during a period beginning six months prior to an individual's enrollment date, and any pre-existing condition exclusion is not permitted to extend for more than 12 months after the enrollment date. Further, a pre-existing condition exclusion period may be reduced by any creditable previous coverage the individual may have had.

*Special enrollment:* Group health plans must allow certain individuals to enroll upon the occurrence of certain events, including new dependents and loss of other coverage. Loss of coverage includes:

- Termination of employer contributions toward other coverage.
- Moving out of an HMO service area.
- Ceasing to be a "dependent," as defined by the other plan.
- Loss of coverage to a class of similarly situated individuals under the other plan (e.g., part-time employees).

Additionally, individuals entitled to special enrollment must be allowed to enroll in all available benefit package options and to switch to another option if he or she has a spouse or dependent with special enrollment rights.

*Prohibitions against discriminating against individual participants and beneficiaries based on health status:* Plans may not establish rules for eligibility of any individual to enroll under the terms of the plan based on certain health status-related factors, including health status, medical condition, claims experience, receipt of health care, medical history, genetic information, evidence of insurability, or disability.

*Standards relating to benefits for mothers and newborns:* Plans must provide for a 48-hour minimum stay for vaginal childbirth, and a 96-hour minimum stay for cesarean childbirth, unless the mother or medical provider shortens this period. No inducements or penalties can be used with the mother or medical provider to circumvent these rules.

*Parity in the application of certain limits to mental health benefits:* Plans must apply the same annual and lifetime limits (i.e., dollar amounts) that apply to other medical benefits to benefits for mental health. If this requirement results in a 1 percent or more increase in plan costs or premiums, this rule does not apply.

#### **City of Austin Policy on HIPAA**

HIPAA gives the City, as the plan sponsor of a non-federal governmental plan, the right to exempt the plan in whole or in part from the requirements described above. The City has decided to formally implement all of these requirements.

The effect of this decision, as it applies to each of the above requirements and the Plan, is as follows:

- The Plan does not currently have a pre-existing condition limitation and is in compliance.
- The Plan will provide special enrollment periods.
- The Plan will comply with the non-discrimination rules.
- The Plan will comply with the standards for benefits for mothers and newborn children.
- The Plan will comply with the rules on mental health benefits.

**The HIPAA Privacy Rules for Health Information** were established to provide comprehensive federal protection concerning the privacy of health information. The Privacy Rules generally require the City to take reasonable steps to limit the use, disclosure, and requests for Protected Health Information to the minimum necessary to accomplish the intended purpose. The City is committed to implementing the Privacy Rules.

**The Women's Health and Cancer Rights Act of 1998** was enacted on October 21, 1998. It provides certain protections for breast cancer patients who elect breast reconstruction in connection with a mastectomy. Specifically, the act requires that health plans cover post-mastectomy reconstructive breast surgery if they provide medical and surgical coverage for mastectomies. Coverage must be provided for:

- Reconstruction of the breast on which the mastectomy has been performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses and physical complications of all stages of mastectomy, including lymph edemas.
- Secondary consultation whether such consultation is based on a positive or negative initial diagnosis.

The benefits required under the **Women's Health and Cancer Rights Act of 1998** must be provided in a manner determined in consultation with the attending physician and the patient. These benefits are subject to the health plan's regular copay and deductible amounts.

#### Patient Protection and Affordable Care Act

As part of the Patient Protection and Affordable Care Act (Health Reform) effective January 1, 2022, medical plans which exceed a threshold level established by the Federal Government will have to pay a 40 percent excise tax. The City of Austin is committed to designing a medical plan that is below the threshold level. However, if the threshold is reached, the cost of the excise tax will be passed on to employees and retirees.

#### **COBRA**

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, is a federal law that requires employers to offer qualified beneficiaries the opportunity to continue medical coverage, vision coverage, and dental coverage, at their own cost in the case of certain qualifying events.

**COBRA Notice Requirements**: Each retiree or qualified beneficiary is required to notify the Employee Benefits Division of the Human Resources Department within 60 days of a divorce, legal separation, a child no longer meeting the definition of dependent, or entitlement to Medicare benefits. The City's COBRA administrator will then notify all qualified beneficiaries of their rights to enroll in COBRA coverage. Notice to a qualified beneficiary who is the spouse or former spouse of the covered retiree is considered proper notification to all other qualified beneficiaries residing with the spouse or former spouse at the time the notification is made.

#### **Continuation of Coverage for Domestic Partners**

The City offers covered individuals the opportunity to continue medical coverage, dental coverage, and vision coverage at their own cost in the case of certain qualifying events.

Each retiree or covered individual is required to notify the Employee Benefits Division of the Human Resources Department within 31 days of dissolution of the Domestic Partnership, a child no longer meeting the definition of dependent, or entitlement to Medicare benefits. The City's COBRA administrator will then notify all covered individuals of their rights to enroll in Continuation of Coverage for Domestic Partners coverage. Notice to a covered individual who is the Domestic Partner or former Domestic Partner of the covered retiree is considered proper notification to all other covered individuals residing with the Domestic Partner or former Domestic Partner at the time the notification is made.

#### Surviving Dependent Coverage

Your dependents may be eligible for Surviving Dependent medical, dental, and vision coverage only if you meet one of the following requirements, and your dependents complete a Surviving Dependent Benefits Enrollment Form within 31 days from the date of your death:

- You are a City retiree who retired under the City of Austin Employees' Retirement System, Austin Fire Fighters Relief and Retirement Fund, or City of Austin Police Retirement System.
- You are an active City employee who is eligible to retire with the City but chooses to continue to work for the City.
- You are a City retiree who has returned to active employment with the City.

If eligible, your dependents will be able to continue his or her coverage through the City after your death, provided your dependents were enrolled in a City-sponsored plan at the time of your death. The coverage offered is the same coverage offered to City retirees.

Domestic partners and children of domestic partners are only eligible for Continuation of Coverage for Domestic Partners.

#### Your Prescription Drug Coverage and Medicare

#### Beneficiary Creditable Coverage Disclosure Notice

This notice has information about your current prescription drug coverage with the City of Austin and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining a Medicare drug plan, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in this area. There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. On January 1, 2006, new prescription drug coverage became available to individuals with Medicare Part A. This coverage is available through Medicare prescription drug plans, also referred to as Medicare Part D. All such plans provide a standard, minimum level of coverage established by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- 2. The City of Austin has determined that prescription drug coverage offered through City health plans is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

#### **Other Important Considerations**

- If you currently have prescription drug coverage through a City medical plan, you may choose to enroll in Medicare Part D annually between October 15 and December 7, or when you first become eligible for Medicare Part D.
- If you decide to join a Medicare drug plan, your current City of Austin medical coverage will not be affected.
- If you do decide to join a Medicare drug plan and drop your current City of Austin coverage for your dependents, you may be able to get this coverage back during an Open Enrollment period.
- You should also know that if you drop or lose your current coverage with the City of Austin and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1 percent of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without Creditable Coverage, your premium may consistently be at least 19 percent higher than the Medicare base beneficiary premium.
- You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
- If you are enrolled in Medicare Part D or a Medicare Advantage Plan and are also enrolled in the City medical plan, you may have duplicate prescription coverage. If you would like to review your coverage or for more information, call the Employee Benefits Division at *512-974-3284*.

### More information about Medicare Part D prescription drug coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the *Medicare & You* handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. You can also:

- Visit <u>medicare.gov</u> for personalized help.
- Call the Health and Human Services Commission of Texas at 888-834-7406 or 800-252-9330.
- Call 800-MEDICARE (800-633-4227). TTY users should call 877-486-2048.

Financial assistance may be available for individuals with limited income and resources through the **Social Security Administration (SSA)**. For more information, visit the SSA website at <u>socialsecurity.gov</u> or call *800-772-1213*. TTY users should call *800-325-0778*.

# Notice to Enrollees in a self-funded nonfederal governmental group health plan for plan years beginning on or after September 23, 2010

Group Health plans sponsored by State and local governmental employers must generally comply with Federal law requirements in title XXVII of the Public Health Service Act. However, employers are permitted to elect to exempt a plan from the requirements listed below for any part of the plan that is "self-funded" by the employer, rather than provided through a health insurance policy. The City of Austin has elected to exempt the City's medical plans of the following requirements:

- 1. Parity in the application of certain limits to mental health benefits. Limit coverage for Applied Behavior Analysis treatment to 170 visits each year for individuals diagnosed with autism.
- 2. The exemption from these Federal requirements will be in effect for the 2021 plan year beginning January 1, 2021 and ending December 31, 2021. The election will be renewed for subsequent plan years.

### Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit <u>healthcare.gov</u>.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in Texas, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or call *1-877 KIDS NOW* or <u>insurekidsnow.gov</u> to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance.

You may be eligible for assistance paying your employer health plan premiums. The following is current as of January 31, 2021. For more information on eligibility, visit <u>gethipptexas.com/</u> or call *877-440-0493*.

To see if any other states have added a premium assistance program since January 31, 2021, or for more information on special enrollment rights, contact:

U.S. Department of Health and Human Services Centers for Medicare & Medicaid Services <u>cms.hhs.gov</u> *877-267-2323*, Menu Option 4, Ext. 61565

## 10.2. Executive Summary

March 11, 2021

Dear Ms. Mammadova:

We are pleased to submit the attached proposal to provide vision benefits to the City of Austin (the City). As requested, we have structured our response as outlined in RFP section *10. Proposal Submittals*.

We understand that finding trustworthy providers of healthcare coverage is a challenge for any organization. But because large cities like Austin often face scrutiny in areas of spending, fairness, and conservation, selecting a provider is about more than a good price—it's about value.

By focusing on value, we've exceeded the performance of other vendors and earned the respect of 700+ government entities, from entire states to counties, cities, and school districts. In Texas alone, we provide fully insured vision benefits to 30+ government entities, including 20+ cities across the state. How have we done it? We've maintained these partnerships because of our:

This program will allow the City's members to shop for eyewear online using in-network benefits when visiting a provider is inconvenient. Members can explore thousands of glasses and sunglasses, including designer brands, and they can even try on glasses virtually.

Further, our proposed plan provides a clear, simple \$125 frame allowance—**applicable at all provider locations in the Avēsis network**. In lieu of "special" frame collections and confusing limitations based on which network provider is visited, our plans will allow City members to choose from any frame for any price. More than 26,000 frames, including designer frames, are priced at or below the plan allowance.

We can provide this level of simplicity because we are not owned by, nor do we own, any retail optical outlets, labs, or frame/lens manufacturers. We also have no vested interest in steering members toward or requiring members to use providers that we control and will generate revenues for us. We do not require a standard selection of frames. Our singular focus is on cost-effective vision care benefits.

### 10.2.4. Reliable, Timely Benefits Execution

Founded in 1978 in Phoenix, Avēsis has over four decades of experience in every aspect of vision benefits administration—allowing us to deliver dependable benefits that minimize City member and benefits manager frustration. We process nearly 4 million claims annually with 99 percent accuracy, and over 85 percent of vision provider claims are submitted via electronic media or the Avēsis website, limiting the manual administration needed.

Further, as a wholly owned, independently operated subsidiary of the Guardian Life Insurance Company of America (Guardian) since 2016, Avēsis has the resources to ensure the City of reliable vision administration for years to come. Guardian is a Fortune 250 company and among the largest, most financially sound insurance companies in the country, with \$8.5 billion in capital and \$1.58 billion in annual operating income.

Our resources and approach to providing timely, high-quality benefits administration have allowed us to add more than 1.6 million new members and nearly 4,000 new groups in the last three years, while still maintaining a 92 percent client retention rate—one of the highest in our industry.

### 10.2.5. Responsive, Hassle-Free Customer Service

Finally, one of the keys to our high satisfaction rates is our real-time self-service capabilities for members and benefits managers, available 24 hours a day, 365 days a year via our IVR and member portal at <u>www.avesis.com</u>. With our web portal:

City Members Can:	City Benefits Managers Can:

<ul> <li>Send a secure email to the Customer Care Center</li> </ul>	participating member

Live customer service will also be available to City members Monday through Friday, 6:00 a.m. to 7:00 p.m. CST. Most calls are answered within six seconds, and more than 96 percent are resolved with the first contact. In addition to answering questions about vision plans, eligibility, provider locations, and more, our customer care representatives will have real-time access to information regarding eligibility, claims, and provider updates.

### 10.2.6. Next Steps: Our Commitment to Serving Austin's Needs

While Avēsis has many clients, the City will be a key priority, receiving close, proactive communication and service from our most experienced professionals. It is this level of service that has driven our long-term relationships with other major cities and will do the same for Austin.

We have read and agree to all policies included in the RFP package, and we confirm that Avēsis will comply with the requirements, provisions, terms, and conditions specified in the solicitation. Further, please note that I am an authorized representative to bind Avēsis.

If you have any questions about this proposal or any technical, price, or contract matters, please contact Texas Account Executive Rusty Rice at 210.384.8103 or <u>rrice@avesis.com</u>. I hope this is the first step in a long, productive relationship with the City.

Sincerely,

3.	Provide a summary of your disaster recovery plan.	To mitigate impacts and minimize downtime, Avēsis maintains an active and comprehensive Business Continuity/Disaster Recovery (BC/DR) Plan with integrated fail-safe protocols and built-in redundancy.
		The BC/DR Plan helps prevent, whenever possible, events that could potentially disrupt the organization's ability to perform normal business operations. In case of a disaster, the plan will also help minimize the impact of any disruption by containing it in a predictable amount of time and maintaining continuous operations.
		To accomplish these objectives, Avēsis established preventive controls, contingency resources, and procedural protocols to be administered by a dedicated internal management team. The plan lists critical assets, personnel, contact information, and recovery procedures.
		In the event of a crisis, Avēsis has numerous operating facilities to use as a workplace without impacting the existing business units in the affected facility. Our data is backed up off site, where it can be restored within hours to continue business.
		The BC/DR Plan is tested and reviewed annually by the Vice President of IT. A complete copy of the plan can be provided if a more thorough review is needed.

	Question	Response
4.	Explain your online process and capabilities for City staff to view claim status, payment, and monitor claims.	One of the best things about Avēsis is our self-service capabilities for benefits managers, members, and providers. We put a comprehensive array of tools at the City's disposal anytime, day or night, at <u>www.avesis.com</u> .
		For instance, our web portal will allow City staff and benefits managers to use real-time, web-accessible technology to handle every aspect of group enrollment and vision plan maintenance. The City will be able to access employee information and manage their vision, make eligibility changes, enroll new members, perform secure transactions, and receive email alerts and summary reports.
		Our web portal will also allow the City's employees to access their insurance coverage information, search our online Provider Directory, print additional or replacement ID cards, check services eligibility for themselves or their dependents, print a benefit summary, view FAQs, read educational information concerning eye and vision health topics, and send a secure email to the Customer Care Center.
5.	Provide a website link to demo your system's website.	We encourage the City to visit <u>www.avesis.com</u> and log in (Username: jappleseed, Password: Vision123!) to explore our member portal. ### **Attachment 8: Vision Provider List**

The following pages include the completed Attachment 8, outlining our in-network providers in the following counties: Bastrop, Blanco, Burnet, Caldwell, Fayette, Hays, Lee, Llano, Travis, and Williamson. Per RFP instructions, each of our providers have been listed only once, even though most operated out of several locations within this geographic area.

Avēsis has a direct relationship with each of these providers.

Plan must have providers in Austin and surrounding counties. Complete this form with providers in the following counties: Bastrop, Blanco, Burnet, Caldwell, Fayette, Hays, Lee, Llano, Travis, Williamson. Providers mean Optometrists (OD), Ophthalmologist (MD), and Ophthalmologists (DO). Each one of the aforementioned providers will only be counted once. Do not list duplicate providers. The company offering the vision plan shall have a direct relationship with each provider on its panel, and may not lease, borrow, or otherwise obtain use of a provider panel from another company. This would not prevent a company from offering their plan through one corporate entity and administering the plan or provider panel through another legal entity of the same organization. Providers shall be actively engaged in providing the services offered under the vision plan they represent.

## 10.8. HIPAA Business Associate Agreement

Avēsis acknowledges that the Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires the City to have a signed agreement with any contractor who is considered a business associate.

We further acknowledge that the agreement lists obligations and responsibilities of both organizations pertaining to the protection and use of the protected health information. Each entity covered by HIPAA is required to have such a contract for each organization they do business with that falls under the definition of business associate.

### Attachment 10: HIPAA Business Associate Agreement

The following pages include a completed, signed Attachment 10 of the RFP.

## ATTACHMENT 10 - HIPAA BUSINESS ASSOCIATE AGREEMENT

## CITY OF AUSTIN PURCHASING OFFICE REQUEST FOR PROPOSAL NO. RFP 5800 LMI3000 FLEXIBLE SPENDING ACCOUNT ADMINISTRATION

The City of Austin ("City") and <u>Avesis Third Party Administrators, Inc.</u> ("Contractor") hereby agree that the following terms and conditions are made a part of the Agreement, to go into effect on January 1, 2022, (such contract and this Exhibit are collectively referred to herein as "Contract"), for all purposes. The parties acknowledge that this is required by the federal Health Insurance Portability and Accountability Act of 1996 ("HIPAA").

The parties acknowledge and agree that Contractor, in performing its duties under the Contract, will receive individually identifiable protected health information as defined in Section 14 below (referred to as "Protected Health Information" or "PHI"), from City and from City's contractors or enrollees, and will create, receive or use PHI on the City's behalf. Contractor agrees to maintain the privacy and security of such PHI as required by all applicable laws and regulations, including but not limited to HIPAA and the privacy and security regulations adopted under HIPAA. Without limiting the foregoing, Contractor agrees to the following:

1. **Use of PHI**: Contractor shall not and shall ensure that its directors, officers, employees, contractors, and agents (referred to collectively as "Contractor's Agents") do not use PHI other than as expressly permitted by the Contract, or as required by law. Specifically, Contractor shall use PHI only for the following purposes: receive and process claims for payment for all eligible Plan participants; maintain claims history and patient profiles; maintain current eligibility data on all Plan participants; and for the proper management and administration of its internal business processes that relate to its responsibilities under the Contract, and to fulfill its legal responsibilities. In addition, Contractor agrees that it will not sell PHI, including patient or enrollee lists, nor use any PHI to engage in "marketing," as such term is defined in Section 164.501 of Title 45, U.S. Code of Federal Regulations. The term "marketing" includes, but is not limited to, the distribution of or mailing by Contractor or its affiliates of correspondence to City enrollees or their beneficiaries.

#### 2. Disclosure of PHI:

a. Disclosure to Third Parties. Contractor shall not and shall ensure that Contractor's Agents do not disclose PHI to any other person or entity (other than members of Contractor's workforce as specified in subSection b. of this Section), unless disclosure is required by law, and as approved by City in writing. Any such disclosure shall be made only upon the written agreement of the subcontractor to be bound by the provisions of the Contract, for the express benefit of Contractor and City.

To the extent that Contractor discloses PHI to a third party, Contractor must obtain, prior to making any disclosure:

- 1. reasonable assurances from such third party that PHI will be held confidential as provided in the Contract, and only disclosed as required by law or for the purposes for which it was disclosed to such third party; and
- 2. an agreement from such third party to immediately notify Contractor of any breaches of the confidentiality of PHI, to the extent it has obtained knowledge of such breach.
- b. *Disclosure to Workforce*. Contractor shall not disclose PHI to any member of its workforce unless Contractor has advised such person of Contractor's obligations under the Contract, and of the consequences for such person and for Contractor of

## CITY OF AUSTIN PURCHASING OFFICE REQUEST FOR PROPOSAL NO. RFP 5800 XXXXXX FLEXIBLE SPENDING ACCOUNT ADMINISTRATION

violating them. Contractor shall take appropriate disciplinary action against any member of its workforce who uses or discloses PHI in contravention of this Contract.

3. **Safeguards**: Contractor shall implement all appropriate safeguards to prevent use or disclosure of PHI other than as permitted by the Contract. Contractor shall provide City with such information concerning the safeguards as City may from time to time request and shall, upon reasonable request, give City access for inspection and copying to Contractor's facilities used for the maintenance and processing of PHI, and to its books, records, practices, policies, and procedures concerning the use and disclosure of PHI. In addition, Contractor and Contractor's Agents shall comply with the minimum necessary requirements set forth in the HIPAA privacy regulations when using or disclosing PHI. Contractor also agrees to mitigate, to the extent possible, any harmful effects of an improper use or disclosure of PHI by Contractor in violation of the requirements of the Contract.

#### 4. Accounting of Disclosures:

- (a) Contractor shall maintain a record of all PHI disclosures made other than for the permitted purposes of the Contract, including the date of disclosure, the name and, if known, the address of the recipient of the PHI, a brief description of the PHI disclosed, and the purposes of the disclosures.
- (b) Within ten (10) calendar days of notice by City to Contractor that City has received a request for an accounting of disclosures of PHI regarding an individual, Contractor shall make available to City such information as is in Contractor's possession and is required for City to make the accounting.
- 5. **Reporting of Disclosures of Protected Health Information**: Contractor shall, within five (5) business days (Monday Friday) of becoming aware of a use or disclosure of PHI in violation of this Contract by Contractor or Contractor Agents, report such disclosure or use in writing to Chris Echols in the Employee Benefits Division of the City's Human Resources Department and describe remedial action taken or proposed to be taken with respect to such use or disclosure.
- 6. **Contracts by Third Parties**: Contractor shall enter into an agreement with any agent or subcontractor that will have access to PHI that is received from, or created or received by Contractor on behalf of City, in which such agent or subcontractor agrees to be bound by the same restrictions, terms, and conditions that apply to Contractor under this Contract.
- 7. **Disclosure to U.S. Department of Health and Human Services:** Contractor shall make its internal practices, books and records, including policies and procedures, relating to the use and disclosures of PHI available to the Secretary of the United States Department of Health and Human Services, for purposes of determining compliance with HIPAA.
- 8. **Access by Individuals:** Within ten (10) calendar days of receipt of a request by City, Contractor shall permit any individual whose PHI is maintained by Contractor to have access to and to copy his or her PHI, in the format requested, unless it is not readily producible in such format, in which case it shall be produced in hard copy format. In the event any individual requests access to PHI held by Contractor directly from Contractor, Contractor shall, within two (2) days forward such request to City. Any denial of access

## CITY OF AUSTIN PURCHASING OFFICE REQUEST FOR PROPOSAL NO. RFP 5800 XXXXXX FLEXIBLE SPENDING ACCOUNT ADMINISTRATION

to the PHI requested shall be the responsibility of City.

- 9. <u>Correction of PHI</u>: Contractor agrees to make any amendments to PHI that the City directs or agrees to under HIPAA. City shall provide Contractor with written instructions regarding any such amendment.
- 10. **Amendment**: Upon the enactment of any law or regulation affecting the use or disclosure of PHI, or the publication of any decision of a court of the United States or Texas relating to any such law, or the publication of any interpretive policy or opinion of any governmental agency charged with the enforcement of any such law or regulation, City may, by written notice to Contractor, amend this Contract in such manner as City determines necessary to comply with such law or regulation. If Contractor disagrees with any such amendment, it shall so notify City in writing within thirty (30) days of the date of the notice. If the parties are unable to agree on an amendment within thirty (30) days thereafter, either of them may terminate the Contract upon written notice to the other.
- 11. **Breach:** Without limiting the rights of the parties under Section 2 this Agreement, should Contractor breach any of its obligations under this Amendment, City may, at its option:
  - a. Exercise any of its rights of access and inspection under Section 2 of this Agreement;
  - b. Provide Contractor with notice of the breach and an opportunity to cure such breach within thirty (30) calendar days of the notice of breach. If Contractor fails to cure the breach to City's satisfaction within such cure period, City may terminate the Contract by providing written notice to Contractor. If Contractor cures the breach within the cure period, City may require Contractor to submit to a plan of monitoring and reporting of uses and disclosures of PHI, as City may determine necessary to maintain compliance with this Amendment. Any such monitoring plan shall be made a part of the Contract;
  - c. Immediately terminate the Contract, with or without an opportunity to cure the breach; or
  - d. If termination is not feasible, report the breach to the Secretary of the United States Department of Health and Human Services.

City's remedies under this Agreement shall be cumulative, and the exercise of any remedy shall not preclude the exercise of any other.

## 12. Procedure Upon Termination.

- (1) Except as provided in paragraph (2) below, upon termination of the Contract, for any reason, Contractor shall return or destroy all PHI received from City or created or received by Contractor on behalf of City. This provision shall also apply to PHI that is in the possession of subcontractors or agents of Contractor. Contractor shall retain no copies of the PHI.
- (2) In the event that Contractor determines that returning or destroying the PHI is not feasible, Contractor shall provide to City written notification of the conditions that make return or destruction infeasible. Upon agreement by City that return, or destruction of PHI is not feasible, Contractor shall extend the protections of this Contract to such PHI and limit further uses and disclosures of such PHI to those

## CITY OF AUSTIN PURCHASING OFFICE REQUEST FOR PROPOSAL NO. RFP 5800 XXXXXX FLEXIBLE SPENDING ACCOUNT ADMINISTRATION

purposes that make the return or destruction infeasible, for so long as Contractor maintains the PHI.

13. Indemnification. Contractor shall indemnify and hold harmless City from and against any and all costs, liabilities, losses, damages and expenses (including, but not limited to, reasonable attorneys' fees) resulting from any claim, lawsuit or proceeding brought by a third party against City and arising from or related to a breach or alleged breach by Contractor or Contractor's Agents of the obligations referenced herein. Contractor's obligation to indemnify shall survive the expiration or termination of the Contract.

#### 14. Definitions for Use in this Addendum:
