

MINUTES OF THE CITY COUNCIL

CITY OF AUSTIN, TEXAS

Regular Meeting

May 30, 1957
10:00 A.M.

Council Chamber, City Hall

The meeting was called to order with Mayor Miller presiding.

Roll call:

Present: Councilmen Long, Palmer, Pearson, White, Mayor Miller
Absent: None

Present also: W. T. Williams, Jr., City Manager; Doren R. Eskew, City Attorney; Reuben Rountree, Jr., Director of Public Works.

Councilman White moved that the Minutes of the Regular Meeting of May 23, 1957; and of Special Meetings of May 15, 1957, April 10, 1957 and March 19, 1957, be approved. The motion, seconded by Councilman Pearson, carried by the following

Ayes: Councilmen Long, Palmer, Pearson, White, Mayor Miller
Noes: None

MR. DAVID BARROW, Vice Chairman of the Planning Commission, appeared before the Council and requested that it proceed to complete the contract with HAROLD F. WISE ASSOCIATES to prepare a final report on the Austin Development Plan. After a lengthy discussion, Councilman Pearson offered the following resolution and moved its adoption:

(RESOLUTION)

WHEREAS, a limited number of copies of a draft of the Austin Development Plan has been heretofore prepared and reviewed; and,

WHEREAS, the City Planning Commission has recommended that Harold F. Wise Associates be employed to prepare a final report on the Austin Development Plan; and,

WHEREAS, the said Harold F. Wise Associates have agreed to prepare said final report for a consideration of Four Thousand Dollars (\$4,000.00); Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That W. T. Williams, Jr., City Manager, be and he is hereby authorized and directed to execute a contract for such services of Harold F. Wise Associates for the above consideration.

The motion, seconded by Councilman Long, carried by the following vote:

Ayes: Councilmen Long, Palmer, Pearson, White, Mayor Miller

Noes: None

MR. JESSE BARTLETT appeared in the interest of the paving of South 1st Street from Elizabeth to Oltorf and from Oltorf to Alpine. He had previously filed a petition with over 80% of the owners signing. He was asked to get with the City Manager and Director of Public Works regarding any right-of-way problems; and then when he had the money deposited, the Council would proceed with the paving, assessing those who did not sign up.

MR. MOTON CROCKETT, JR., appeared making inquiry of the location of the 40 T-hangers for which the City was about ready to advertise for bids. He requested that 25 be located on the west side and 15 on the east side. The City Manager made a report on the distribution, and it was his recommendation to locate 20 on each side. After lengthy discussion, Councilman Long moved that the City Manager be authorized to draw up contracts with the people at the Airport for the hangars and include any other legal technicalities. The motion, seconded by Councilman Palmer, carried by the following vote:

Ayes: Councilmen Long, Palmer, Pearson, White, Mayor Miller

Noes: None

MR. MOTON CROCKETT, JR. called attention to an error made in the Resolution presented last week, concerning the establishment of the Airport as a separate department, and to employ a supervisor reporting directly to the City Council. He stated this should have read "reporting directly to the City Manager."

MR. EDDIE SIMMONS appeared before the Council and discussed their need for a left turn signal at 12th and Lamar Boulevard, and asked that the Council go ahead and let them try such a signal and see how it worked out. The Mayor explained the timing of the movement of traffic, and the report made by the Traffic Engineer. Mr. Simmons was asked to meet with the City Manager and the Traffic Engineer, and to ask others in the group to meet with them, and see what the reactions would be then.

Mayor Miller introduced the following ordinance:

WHEREAS, J.H. McCullick Construction Co. is the Contractor for the erection of a building located at 1501-1505 Lavaca Street and desires a portion of the sidewalk and street space abutting an unplatted tract 84 x 138 feet in Outlot 39, Division E, of the Original City of Austin, Travis County, Texas, during the erection of the building, such space to be used in the work and for the storage of materials therefor; therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

1. THAT space for the uses hereinabove enumerated be granted to said J. H. McCullick Construction Co., the boundary of which is described as follows:

Sidewalk and Street Working Space

Beginning at the northwest corner of the above described property; thence in a westerly direction and at right angles to the center line of Lavaca Street to a point 5 feet west of the east curb line; thence in a southerly direction and parallel with the center line of Lavaca Street 138 feet to a point; thence in an easterly direction and at right angles to the center line of Lavaca Street to the southwest corner of the above described property.

2. THAT the above privileges and allotment of space are granted to the said J. H. McCullick Construction Co., hereinafter termed "Contractor", upon the following express terms and conditions:

(1) That the Contractor shall construct a 4-foot walkway within the outer boundaries of the above described working space, such walkway to be protected on each side by a guard rail at least 4 feet high and substantially braced and anchored, and without wood strips or obstructions of any kind along the pavement within the walkway, and at any time in the opinion of the city officials it becomes necessary for any reason to install a board floor within the walkway, the Contractor shall upon notice from the Building Inspector immediately place such a wood floor and substantially support same to prevent sagging under load.

(2) That the Contractor is permitted to construct in his working space a substantial gate which shall be kept closed at all times when not in use, and at all times that such gate is open, the Contractor shall maintain a person at this gate to warn pedestrians and vehicles of approaching trucks. This gate is not to open out so as to impede vehicular or pedestrian traffic.

(3) That no vehicles in loading or unloading material at the working space shall park on any part of the street outside of the allotted working space.

(4) That "No Parking" signs shall be placed on the street side of the barricades.

(5) That the Contractor is permitted to construct a temporary work office within such allotted working space provided such work office is not

within 25 feet of any corner street intersection.

(6) That the Contractor shall in no way obstruct any fire plugs or other public utilities in the construction of such barricades.

(7) That provisions shall be made for the normal flow of all storm waters in the gutter and the Contractor will be responsible for any damage done due to obstruction of any such storm water.

(8) That the Contractor shall place on the outside corners of any walkway, barricades or obstructions, red lights during all periods of darkness and provide lighting system for all tunnels.

(9) That the Contractor shall remove all fences, barricades, loose materials and other obstructions on the sidewalk and street immediately after the necessity for their existence on said sidewalk or street has ceased, such time to be determined by the City Manager, and in any event all such sidewalk, barricades, materials, equipment and other obstructions shall be removed not later than November 1, 1957.

(10) That the City reserves the right to revoke at any time any and all the privileges herein granted or to require the erection or installation of additional barriers or safeguards if the conditions demand it.

(11) That the use and enjoyment of the spaces herein granted shall not be exclusive as against public needs, and the City, in making such grant reserves the right to enter and occupy any part or all of said space any time with its public utilities, or for other necessary public purposes.

(12) That any public utility, or public or private property disturbed or injured as a result of any of the activities necessary for the completion of the construction work for said building projects, whether done by the Contractor, City Forces, or public utilities, shall be replaced or repaired at the Contractors expense.

(13) That the Contractor shall furnish the City of Austin a surety bond in the sum of Five Thousand Dollars (\$5000), which shall protect, indemnify and hold harmless the City of Austin from any claims or damages to any person or property that may accrue to or be brought by any person by reason of the exercise or abuse of the privileges granted the Contractor by the City of Austin and shall guarantee the replacement of all sidewalks, pavement and all other public property and public utilities disturbed or removed during the construction work and shall further guarantee the construction of a walkway and other safeguards during the occupancy of the space.

1. THAT space for the uses hereinabove enumerated be granted to said John Broad Construction Company, the boundary of which is described as follows:

Sidewalk and Street Working Space

Beginning at a point in the west property line approximately 42 feet south of the south line of East 8th Street; thence in a westerly direction and at right angles to the center line of Congress Avenue to a point 12 feet west of the east curb line; thence in a northerly direction and parallel with the center line of Congress Avenue 42 feet to a point; thence in an easterly direction and at right angles to the center line of Congress Avenue to the northwest corner of the above described property; thence in a northerly direction and at right angles to the center line of East 8th Street to a point 12 feet north of the south curb line; thence in an easterly direction and parallel with the center line of East 8th Street approximately 94 feet to a point; thence in a southerly direction and at right angles to the center line of East 8th Street to the north line of the above described property.

2. THAT the above privileges and allotment of space are granted to the said John Broad Construction Company, hereinafter termed "Contractor", upon the following express terms and conditions;

(1) That the Contractor shall construct a 4-foot walkway within the outer boundaries of the above described working space, such walkway to be protected on each side by a guard rail at least 4 feet high and substantially braced and anchored, and without wood strips or obstructions of any kind along the pavement within the walkway, and at any time in the opinion of the City officials it becomes necessary for any reason to install a board floor within the walkway, the Contractor shall upon notice from the Building Inspector immediately place such a wood floor and substantially support same to prevent sagging under load.

(2) That the Contractor is permitted to construct in his working space a substantial gate which shall be kept closed at all times when not in use, and at all times that such gate is open, the Contractor shall maintain a person at this gate to warn pedestrians and vehicles of approaching trucks. This gate is not to open out so as to impede vehicular or pedestrian traffic.

(3) That no vehicles in loading or unloading material at the working space shall park on any part of the street outside of the allotted working space.

(4) That "No Parking" signs shall be placed on the street side of the barricades.

(5) That the Contractor is permitted to construct a temporary work office within such allotted working space provided such work office is not within 25 feet of any corner street intersection.

(6) That the Contractor shall in no way obstruct any fire plugs or other public utilities in the construction of such barricades.

(7) That provisions shall be made for the normal flow of all storm waters in the gutter and the Contractor will be responsible for any damage done due to obstruction of any such storm water.

(8) That the Contractor shall place on the outside corners of any walkway, barricades or obstructions, red lights during all periods of darkness and provide lighting system for all tunnels.

(9) That the Contractor shall remove all fences, barricades, loose materials and other obstructions on the sidewalk and street immediately after the necessity for their existence on said sidewalk or street has ceased, such time to be determined by the City Manager, and in any event all such sidewalk, barricades, materials, equipment and other obstructions shall be removed not later than September 15, 1957.

(10) That the City reserves the right to revoke at any time any and all the privileges herein granted or to require the erection or installation of additional barriers or safeguards if the conditions demand it.

(11) That the use and enjoyment of the spaces herein granted shall not be exclusive as against public needs, and the City, in making such grant reserves the right to enter and occupy any part or all of said space any time with its public utilities, or for other necessary public purposes.

(12) That any public utility, or public or private property disturbed or injured as a result of any of the activities necessary for the completion of the construction work for said building projects, whether done by the Contractor, City Forces, or public utilities, shall be replaced or repaired at the Contractors expense.

(13) That the Contractor shall furnish the City of Austin a surety bond in the sum of Five Thousand Dollars (\$5000), which shall protect, indemnify and hold harmless the City of Austin from any claims or damages to any person or property that may accrue to or be brought by any person by reason of the exercise or abuse of the privileges granted the Contractor by the City of Austin and shall guarantee the replacement of all sidewalks, pavement and all other public property and public utilities disturbed or removed during the construction work and shall further guarantee the construction of a walkway and other safeguards during the occupancy of the space.
