

## MINUTES OF THE CITY COUNCIL

CITY OF AUSTIN, TEXAS

Regular Meeting

October 2, 1958  
10:00 A.M.

Council Chamber, City Hall

The meeting was called to order with Mayor Miller presiding.

Roll call:

Present: Councilmen Long, Palmer, Pearson, White, Mayor Miller  
Absent: None

Present also: W. T. Williams, Jr., City Attorney; Doren R. Eskew, City Attorney; Reuben Rountree, Jr., Director of Public Works.

Invocation was delivered by REV. ROBERT L. ROWE, Ebenezer Baptist Church, 1010 East 10th Street.

Councilman White moved that the Minutes of the Meeting of September 25, 1958, be approved. The motion, seconded by Councilman Palmer, carried by the following vote:

Ayes: Councilmen Long, Palmer, Pearson, White, Mayor Miller  
Noes: None

MR. ALTON RINN, 4621 Marlow Avenue, and a group from Marlow Heights appeared requesting that Kleberg Lane be reopened. The City Manager reported that Kleberg Lane could not be reopened in the same place as it was and that he and the Director of Public Works had been out there to see where the best place would be. A permanent route would require the building of a bridge. A temporary route could be opened by using a wooden bridge that is now in place, but this would be more winding and longer. An alternate plan would be to go ahead with the permanent route and move the wooden bridge to this route and use it until the bridge could be built. The money for this bridge is not in the budget for this year. The matter was referred to the Director of Public Works to let Mr. Rinn know what is going to be done.

The Mayor recognized MR. SIDNEY WILLHELM, student from the University of Texas.

MR. BOB LYLES appeared representing the property owners on West 21st Street between Rio Grande Street and San Gabriel Street. He requested that West 21st Street be made a one-way street, preferably one-way east. Councilman White offered the following resolution and moved its adoption:

## (RESOLUTION)

WHEREAS, after an engineering and traffic investigation, the City Council has found that the free flow and expeditious handling of traffic under conditions existing at the location described below require that traffic thereat move only in an eastbound direction, such location being described as follows:

West 21st Street between Pearl Street and Rio Grande Street,

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That the City Clerk be and she is hereby authorized and directed to record this finding in Section 33.38 of the Traffic Register.

The motion, seconded by Councilman Palmer, carried by the following vote:

Ayes: Councilmen Long, Palmer, Pearson, White, Mayor Miller

Noes: None

Mayor Miller introduced the following ordinance:

(RESOLUTION)

WHEREAS, Archie C. Fitzgerald is the Contractor for the erection of a building located at 606 West 15th Street and desires a portion of the sidewalk and street space abutting on Block 23, Division E of the Original City of Austin, Travis County, Texas, during the erection of the building, such space to be used in the work and for the storage of materials therefor; therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

1. THAT space for the uses hereinabove enumerated be granted to said Archie C. Fitzgerald, the boundary of which is described as follows:

Sidewalk and Street Working Space

Beginning at the northwest corner of the above described block; thence in a northerly direction and at right angles with the center line of West 16th Street to a point 12 feet north of the south curb line; thence in an easterly direction and parallel with the center line of West 16th Street approximately 276 feet to a point; thence in a southerly direction and at right angles to the center line of West 16th Street to the northeast corner of Block 23; thence in an easterly direction and at right angles to the center line of Nueces Street to a point 10 feet east of the west curb line; thence in a southerly direction and parallel with the center line of Nueces Street approximately 276 feet to a point; thence in a westerly direction and at right angles to the center line of Nueces Street to the southeast corner of Block 23.

2. THAT the above privileges and allotment of space are granted to the said Archie C. Fitzgerald, hereinafter termed "Contractor", upon the following express terms and conditions:

(1) That the Contractor shall construct a 4-foot walkway within the outer boundaries of the above described working space, such walkway to be protected on each side by a guard rail at least 4 feet high and substantially braced and anchored, and without wood strips or obstructions of any kind along the pavement

within the walkway, and at any time in the opinion of the City officials it becomes necessary for any reason to install a board floor within the walkway, the Contractor shall upon notice from the Building Inspector immediately place such a wood floor and substantially support same to prevent sagging under load.

(2) That the Contractor is permitted to construct in his working space a substantial gate which shall be kept closed at all times when not in use, and at all times that such gate is open, the Contractor shall maintain a person at this gate to warn pedestrians and vehicles of approaching trucks. This gate is not to open out so as to impede vehicular or pedestrian traffic.

(3) That no vehicles in loading or unloading material at the working space shall park on any part of the street outside of the allotted working space.

(4) That "NO PARKING" signs shall be placed on the street side of the barricades.

(5) That the Contractor is permitted to construct a temporary work office within such allotted working space provided such work office is not within 25 feet of any corner street intersection.

(6) That the Contractor shall in no way obstruct any fire plugs or other public utilities in the construction of such barricades.

(7) That provisions shall be made for the normal flow of all storm waters in the gutter and the Contractor will be responsible for any damage done due to obstruction of any such storm water.

(8) That the Contractor shall place on the outside corners of any walkway, barricades or obstructions, red lights during all periods of darkness and provide lighting systems for all tunnels.

(9) That the Contractor shall remove all fences, barricades, loose materials and other obstructions on the sidewalk and street immediately after the necessity for their existence on said sidewalk or street has ceased, such time to be determined by the City Manager, and in any event all such sidewalk, barricades, materials, equipment and other obstructions shall be removed not later than October 1, 1959.

(10) That the City reserves the right to revoke at any time any and all the privileges herein granted or to require the erection or installation of additional barriers or safeguards if the conditions demand it.

(11) That the use and enjoyment of the spaces herein granted shall not be exclusive as against public needs, and the City, in making such grant reserves the right to enter and occupy any part or all of said space any time with its public utilities, or for other necessary public purposes.

(12) That any public utility, or public or private property disturbed or injured as a result of any of the activities necessary for the completion of the construction work for said building projects, whether done by the Contractor, City Forces, or public utilities, shall be replaced or repaired at the Contractors expense.

(13) That the Contractor shall furnish the City of Austin a surety bond in the sum of Five Thousand Dollars (\$5,000) which shall protect, indemnify and hold harmless the City of Austin from any claims or damages to any person or

property that may accrue to or be brought by any person by reason of the exercise or abuse of the privileges granted the Contractor by the City of Austin and shall guarantee the replacement of all sidewalks, pavement and all other public property and public utilities disturbed or removed during the construction work and shall further guarantee the construction of a walkway and other safeguards during the occupancy of the space.
